

NEW OCCUPANT

LONDON (U)—Sir Anthony Eden moved Tuesday into No. 10 Downing St., the official residence of British Prime Ministers for 220 years. He arrived at the drab, brick-fronted house just as his predecessor, Sir Winston Churchill, left by plane for a two-week holiday in Sicily.

RELIEF
for dry
brittle hair

"Everyone knows how dry, brittle and unmanageable the hair may become from the wind, sun and change in climate. Used before a shampoo, SHONTEX Formula conditions the hair and scalp. Used after a shampoo, SHONTEX helps control the hair and gives a neat, well-groomed appearance that all admire. SHONTEX brings out the life and lustre of the hair and softens it without that greasy, slicked down appearance. So little goes so far! One large 4 1/2 oz. tube has lasted us 6 months. Our thanks to SHONTEX Company for a fine product."

Sunshine Seekers Return To Drain

By MAUD DEEVER

Drain residents who have been seeking "a place in the sun" during the winter months are now returning to their home town.

Mrs. Harry Cool Sr., arrived home last week from a three weeks trip to the Hawaiian Islands where she visited with relatives and friends and toured the islands. Mrs. Cool was accompanied by her friend, Mrs. Grace K. May of Portland. They made the trip over by plane and returned on the S. S. Lurline.

Ends Southern Trip
Returning home Thursday from a seven weeks trip to the deep south and the eastern coast were Mr. and Mrs. Sherman Chapman and son, Brady. In company with Mrs. Chapman's brother-in-law and sister, Mr. and Mrs. Brad Fox, of Port Angeles, Wash., the Chapmans made the trip south by train to New Orleans where they stopped for the Mardi Gras. They also traveled north to Lansing, Mich., by train where they picked up a new car in which to make the trip home. They spent some time in Washington, D. C. and visited places of interest in Virginia. Returning home they visited relatives in Minnesota and Wisconsin.

Mrs. Evelyn Applegate and sister, Mrs. Mabel Swearingen, arrived home from California Wednesday. Mrs. Applegate, who had been spending several months in Los Angeles with her daughter, spent the weekend enroute home visiting relatives in Berkeley. There she was joined by Mrs. Swearingen who had been in Berkeley since December.

By VIRGINIA PROCTOR

The South Douglas County one-act play contest was held at 7 p.m. Wednesday in the Canyonville gymnasium. High schools participating included Riddle, Days Creek, Canyonville and Camas Valley.

Supt. O. J. Monger, Vance Noble and Mrs. Sadie Davidson represented Canyonville schools as members of the organization committee meeting together at Myrtle Creek school Monday, to plan the teachers' Inservice Training workshop scheduled for next September.

Darrel Flaming, son of Canyonville Bible Academy's cook, left Saturday to join his father, the Rev. Dan Flaming, who is conducting evangelistic work in Iowa.

Anita Mason, CBA sophomore, was taken to Forest Glen hospital last week for an emergency appendectomy performed Monday morning. Miss Mason is convalescing.

J. W. Carrick, Mrs. Robert Shaffer's father, of Dunsmuir, is visiting here a few days.

A recent letter from Mrs. Albin Jacobson, former Canyonville resident who now lives in Manila, P.I., to Mrs. Clarence Crowl described a meeting with Bernard Hyatt, U.S. Navy, a graduate of Canyonville High School who visited her during a leave there.

The Jacobsons entertained Hyatt at their home in Manila, and saw to it he visited some of the attractions of the city.

Mr. and Mrs. Jacobson moved to the Philippines when their logging business moved to that part of the world. They have two children, Albin and Libby. Mrs. Jacobson is teaching in the seventh and eighth grade there.
