If Stan Hack, the smiling man who manages the Chicago Cubs, could figure a way to make his guys full-fledged campaigners instead of first-week wonders he might be cracking that April grin come September.

The Cubs haven't challenged since 1946, but they're leading the league today, unbeaten in three games and banging out base hits by the dozen. It's a springtime madness Hack seems to instill in his lads.

**Takes Over**  
Hack took over just before the 1954 opener, replacing Phil Cavarretta who was accused of defeatism. Stanley at least got the Cubs enthused for the first three games. They were 2-1 then, having scored 41 runs on 47 hits, including seven homers and 13 doubles, staying with the bitters awhile and the Cubs smacked 83 hits during their first six games. Yet their record was just 3-3 and they never got above .500 again, winding up in seventh place.

The Cubs are just about even with that fast break pace this spring. They've slugged the opposition (St. Louis and Cincinnati) for 42 hits, with six home runs and 12 doubles. It's the same old crew Hack has worked up this spring to do the swinging—Randy Jackson, Hank Sauer and Dee Fondy, with the help of some later day Cubs, Ernie Banks and Gene Baker.

Question is, how long can it last. It lasted through yesterday, anyway, with Hal Jeffcoat, Jackson and Banks giving the Cubs three home runs in the ninth, and 10th innings to beat winless Cincinnati 6-4.

**Jump Ahead**  
The victory kept the Cubs a jump

ahead of Brooklyn and Philadelphia, also still unbeaten but having played but twice. The Brooks patted the world champion New York Giants 10-8 and the Phillies beat Pittsburgh 4-3. St. Louis and five home runs beat Milwaukee 5-7 in 11 innings in the other NL game.

In the American league, Cleveland marred Detroit's home opener 5-3 to keep pace with unbeaten Boston, which beat the New York Yankees 8-4. The Chicago White Sox defeated Kansas City 7-1 on Sandy Consuegra's three-hitter. Rain washed out Baltimore's night game at Washington.

Roy Campanella, unhappy with his next-to-last spot in the Brooklyn batting order smashed a three-

run homer in the fourth and Don Newcombe followed with the first of his two long clouts to put the Giants behind for keeps in the fourth.

**Takes Charge**  
Herm Wehmeier took charge for the Phils after Willie Jones' homer had set off a three-run second and beat the Pirates on six hits.

There were seven home runs in all as St. Louis opened at home to the Braves, but Rookie Bill Virdon's was the big one—hit off Dave Koslo to win it in the 11th.

Cleveland got six-hit pitching from Mike Garcia and four hits from Al Smith, one a two-run homer, to coast past the Tigers.

The Yanks found they still couldn't do much against Willard Nixon, who got his fifth straight victory over the New Yorkers.

Elston Howard became the first Negro to appear in a regular season game for the Yankees when he went into left field to replace Irv Noren, thumbed out of the game with Hank Bauer in a disputed play. Howard singled and drove in one of the eighth inning runs.

## Hunters Killed 112,486 Deer In Oregon In 1954

**ORTLAND** — Hunters killed 112,486 deer in Oregon last year, the State Game Commission reported Wednesday. It said the kill was the second largest in the state's history.

According to records 54.7 per cent of the 215,047 hunters were successful in getting venison. Klamath County had the most hunters, 17,077, and the heaviest kill, 9,998 deer. Multnomah County was at the bottom of the lists, providing 85 deer to 366 hunters.

In percentages Walla Walla County led with 78.6 of the hunters shooting deer. Multnomah had the lowest success ratio, 23.2.

The kill averaged slightly more than one deer to each square mile in the state. It provided Oregon tables and lockers with more than 11 million pounds of meat.

Other county kill totals and percentage of hunters successful: Baker, 4,497, 75.5 per cent; Douglas, 4,422, 48.2; Jackson, 2,235, 35.9; Lake, 9,908, 63.1; Josephine, 673, 32.8; Linn, 2,843, 49.5; Marion, 1,600, 41.6; Umatilla, 3,374, 54.6; Lane, 6,203, 50.2; Benton, 1,944, 48.9.

The commission also disclosed that 5,038 elk were taken by 27,858 hunters, a success ratio of 18.8 per cent. Clatsop County had the highest kill, 1,175. Umatilla was second with 789.
