JUST MAYBE I'll be a real doctor when I grow up says David Parks, 11, upper left, who played the part of the doctor for today's society feature page. David is the son of Mr. and Mrs. Lawrence Parks. He donned a white coat and with some coaching from sister Superior Mary Natalie and Sister Mary Nivard at Mercy Hospital, he was ready to be photographed.

A BEAUTIFUL POTTED plant for one of the patients is being delivered by Nurse Linda McElroy, 8, above right, daughter of Mr. and Mrs. Eugene McElroy. Linda celebrated her eighth birthday the day the feature page was photographed.

WORRIED MOTHER, Molly Forrest, 7, center left, stands patiently by as Dr. Parks examines doll-baby, Isabel, who has a severe case of tonsillitis. Molly is a daughter of Mr. and Mrs. William Forrest.

I DON'T KNOW whether I really have a fast pulse from being ill or if it is just the pretty nurse, says Scott Forrest, 9, son of Mr. and Mrs. William Forrest, above right, as he holds out his arm for Nurse Linda McElroy to take his pulse.

DO LET ME TELL about my latest operation says Carol Wittrock, lower left, as she stops the bridge game to tell all about "what she has been through," to Lynn Forrest, 11, daughter of Mr. and Mrs. William Forrest; Carol Anne Martin, 11, daughter of Mr. and Mrs. B. L. Martin and Judy, 10, daughter of Mr. and Mrs. Lawrence Parks. The bridge game is forgotten as Carol elaborates on all of the "gory" details of an operation.
