Eight-Game TV Grid Slate Set

NEW YORK (AP) — The Big Ten Conference, which led the fight against the NCAA national Game-a-Week football television program, will be able to show its wares on TV on eight of the conference's nine Saturdays next fall.

The eight-game national program was announced Monday by the NCAA Television Committee and the National Broadcasting

COMMITTEE MEETS

SEATTLE (AP) — The Pacific Coast Conference TV Committee met here Tuesday to draft a schedule for five regional dates on the 1955 NCAA football television program.

Co., which will telecast the national programs. Five Saturdays were left open for regional programs.

Four Big Ten teams are scheduled for national network appearances, two against non-conference opponents, and the regional dates are spaced so as to make a continuous eight-week program possible for regional viewers in the Midwest.

The national schedule: Sept. 17 — Miami (Fla.) at Georgia Tech.
Sept. 24 — Regional date.
Oct. 1 — Ohio State at Stanford.
Oct. 8 — Regional.
Oct. 15 — Notre Dame at Michigan State.

Oct. 22 — Regional.
Oct. 29 — Iowa at Michigan.
Nov. 5 — Regional.
Nov. 12 — Regional.
Nov. 19 — UCLA at Southern California.
Nov. 24 — (Thanksgiving) — Texas at Texas A&M.
Nov. 26 — Army vs. Navy at Philadelphia.
Dec. 3 — North Carolina at Duke.

Is That So!

Ever wondered at the hard-covered egg — the bewildering complexity and variety of backboned animals hatched from it?

It's an awe-inspiring parade. The participants range from a tiny 1-10th ounce hummingbird to a 300-pound African ostrich.

From a ribbon-like water snake to a fearsome 33-foot python.

From a small lizard to the lumbering 20-foot long crocodile.

From a small box turtle to a half-ton tortoise.

Even more remarkable, two warm-blooded animals are hatched from eggs, yet they are suckled on milk — the spiny anteater and the platypus, who live Down Under and have only gained the lowest rung on the mammalian ladder.

EVEN LARGER creatures were born of hard-shelled eggs. In ancient days, the multi-ton dinosaurs were born of eggs — they were first discovered by Andrews in Mongolia, and, in more modern times, the skeleton and eggshells of a ten-foot high elephant bird have been discovered in Madagascar.

Among these groups of animals, not all are born of eggs. In a few snakes and lizards young may be born alive; too, in some amphibians such as salamanders; but in birds, there are no ifs, ands, or buts — every bird emerges from a hard-shelled egg.

The smallest of all eggs, no larger than a tiny pea, contains the hummingbird; the largest contains a bird — the ostrich. In size, the ostrich egg is roughly the equivalent of two dozen hen's eggs. But there were bigger eggs.

The recently-discovered elephant bird's eggs dwarf the ostrich's. They contained the equivalent of two gallons of egg whites and yolks (at the current price of eggs, I'm not prepared to state the number).

Indian Hatchetman Dobey Raps Ninth-Inning Homer

By THE ASSOCIATED PRESS
Cleveland's Indians have a real Murderer's Row hatching that keeps swinging at the other guy's scap.

If one slugger doesn't get the hit, the next guy moves in. If he doesn't, the other clubbers are lined up for their whacks.

All of which gives manager Al Lopez the guaranteed payoff of a savings bond. With Al Smith, Bobby Avila, Larry Dobey, Al Rosen

to fan Kiner with the bags loaded in the first, only to find Wertz next at the plate. Wertz singled home two runs and the Tribe was off to a 5-1 victory.

Last night at Kansas City, Ewell Blackwell got the treatment. He came on in the ninth for the A's, who had clubbed five homers themselves for an 8-0 lead after four frames. When Blackwell arrived, Cleveland had swung back to a mere 9-8 deficit.

A walk and a hit batsman put Blackwell in the hole. But he struck out Smith and got Avila to pop up. Then he had Dobey to face. Blackwell got as far as a 3-2 count and the next pitch was swatted 375 feet over the right field fence.

Tribe Wins
That was it. Cleveland had it 11-8, moving to within half a game of the American League leader, Boston, which was idle.

There were only two games played in the league. The other also a nighter, saw the New York Yankee's Whitey Ford set down Baltimore on three singles 6-0 as the Orioles, still winless, lost their sixth.

The National had a full slate. Brooklyn stayed unbeaten with a five-run sixth that beat the Philadelphia Phillies 5-2 for the Dodgers' seventh victory; and Cincinnati got rid of Vic Raschi quick to beat the St. Louis Cardinals 7-4.

In an afternoon pair, the New York Giants whipped Pittsburgh 12-3 and Milwaukee slipped past the Chicago Cubs 2-1.

Schools Launch Grid Drills

EUGENE, Ore. (AP) — Only 11 days of spring training allowed by the Pacific Coast Conference, Kircher will have some 75 candidates on hand, including 24 lettermen and a veteran line, to work with.

The Ducks will wind up their 20 actual days of spring training maximum allowed under Coast Conference rules, on May 14 with a full scrimmage as part of Oregon's spring sports day.

HUSKIES TURN OUT
SEATTLE (AP) — Seventy-three hopefuls were on hand Monday as Coach Johnny Cherberg started 20 days of spring football drills at the University of Washington. Twenty-three lettermen answered the first call.

Cherberg spent the first day exclusively on the running game, with a few signal drills with dummies tossed in for good measure.

After the first workout he pronounced the squad eager and in good condition and predicted the squad would be able to get down to the rough stuff in jig time.

CALLED OFF
PULLMAN, Wash. (AP) — Spring football practice, scheduled to start Monday at Washington State College, was called off until Saturday at the earliest by coach Al Kircher because of the "unplayable condition" of the practice field.
