

Roseburg Chamber Gives Backing To Highway 225

(Continued from Page One)

a year ago with initial intent to push for completion of Highway 225. It quickly won support in the Lower Umpqua area, where the project has been desired for years.

Business and government people in the Coos Bay area had been working for another plan—for construction of the "most feasible route" between the two booming industrial districts of southern Oregon.

Harbor development is the basis of both plans to the Highway Commission, with both seeking central Douglas County's lumber and other exports as evidence of needed harbor improvements.

Chandler, according to Hindsdale, some time ago told businessmen in his home town that the Highway Commission "couldn't take 20 million dollars" to put a road through Roseburg to Coos Bay "in one jump."

He said Coos Bay would receive benefit from Highway 225, although that way would add 15 miles farther from Roseburg than a direct highway.

The road at first would be built to state secondary highway standards, and later might be improved to primary highway proportions, he believes.

It is revealed that Army Engineers already have recommended extension of the jetty at the river mouth and that Col. J. H. Moorhead, Portland district engineer for the Corps of Engineers, told him Umpqua Harbor rates No. 1 in the Oregon District in any new harbor improvements.

Hindsdale credited development of Salmon Harbor at Winchester Bay by the port commission and the county as the primary reason for the Army Engineers' high regard of the port.

Henderson told the chamber directors that he believes completion of Highway 225 would automatically assure early completion of the North Umpqua Road as a hook-up between Highway 97 (The Dalles-California) and the coast.

Band Boosters Schedule Record Sale For May 7

Phonograph records by the hundreds were being sorted by student and adult band boosters in the Roseburg area this week.

They expected the total number of platters to be well beyond a thousand in time for the Band Boosters' record sale May 7. Proceeds will go towards helping buy new uniforms for Roseburg High School band members.

The record sale will be held from 9:30 a. m. to 2 p. m. in front of the J. C. Penney Co. store, 116 S. Jackson St. Complete details concerning sales procedure will be announced next week, according to a club member.

A large number of the records for purchase have been donated to the Band Boosters by local radio stations KRNR and KRRE. Others have come from interested friends. Persons having records to contribute to the sale may contact Mrs. Walter Samuelson, phone OR 3-8095. Mrs. Samuelson is a member of the Band Boosters.

Final arrangements for the record sale will be completed May 4 at the monthly meeting of the boosters. Mrs. Samuelson said. Also slated for the 8 p. m. session in the Band Room at Roseburg High School is election of officers.

Mercury Drops To 27; Orchards Believed Unhurt

Douglas County got about every type of weather in the book during the past 24 hours, including Roseburg's lowest recorded temperature for any April 27 this morning.

The temperature dipped to 27 degrees between 5 and 6 a. m. this morning, according to the U. S. Weather Bureau here. That's a 79-year record for April 27.

"Though frost was experienced throughout the county, County Agent J. Roland Parker said he 'doesn't look for serious damage' to orchard and truck crops in the central part of the county.

However, he said no estimate of damage could be made yet. Parker said low temperatures probably were spotted throughout the county, but many "pockets" might have been protected from the cold.

A fog that laid in lower sections probably helped save crops from damage, he said.

Just a few days less than a year ago, on May 1, 1954, the temperature dropped to 36 degrees, wiping out most of last year's walnut crop and severely curbing other orchard yields.

Tuesday, snow was recorded officially by the Weather Bureau. It was only a trace at Roseburg, but the low mountains of the Coast Range were whitened during the day. Sunshine and showers made it a full weather menu for the county.

The Weather Bureau said this morning that the snow line now is at between 3,000 and 4,000 feet. On the forecast for tonight and Thursday are showers. Partial clearing will come about Thursday afternoon, forecasters said.

Rites Set Saturday For Myrtle Creeker

Funeral services for Thomas Ezell Payne, Myrtle Creeker, are scheduled Saturday.

Payne died suddenly at his home in Myrtle Creek Monday morning.

He was born at Manchester, Tex., May 3, 1901. He lived in Oklahoma and New Mexico and came to Oregon in 1936 where he lived at Drain and Lebanon. He also operated a grocery store at Marcola for five years.

Six years ago, he moved to Myrtle Creek where he operated a service station.

He was a member of the Baptist Church and a veteran of World War I. Survivors include his wife, Florence; six children, Mrs. Harr-ott, Mrs. Calvin Meade and Edward, all of Myrtle Creek, and John of Springfield and James of Oakridge; his mother, Mrs. Julia Jones of Oklahoma; a half brother and a half-sister.

Funeral services are scheduled at 2 p. m. in the chapel of Gonz. Mortuary, Myrtle Creek. The Rev. Wayne Brown of the Methodist Church will officiate. Vault interment will follow in the IOOF cemetery, Myrtle Creek.

Riddle District Budget Approved By School Board

The proposed budget for the Riddle School District has been approved by the school board, and a special election has been set for May 18 for a vote on a levy outside the 6 per cent limitation.

The amount of the entire 1955-56 budget is \$229,895, of which \$62,361 exceeds the 6 per cent limitation and rural school allotments, according to Mrs. Erma Best, News-Review correspondent.

The latter amount must be submitted to a vote of the people in a local levy. Since the rural school district budget stayed within the 6 per cent limitation this year, the May 18 election will be the only budget vote for Riddle School District voters this spring.

Mrs. Best said increased valuation of the district, through continued development of the Hanna picnic properties, has made it possible to build and equip a new school with less than 1 mill increase in the total tax levy.

The school will be built with \$275,000 worth of bonds sold by the district earlier this week.

The Rural School District levy has been estimated at 13.1 mills by County School Supt. Kenneth Barneburg, and that will be added to the local levy of 21.5 mills and the county school fund levy of 2.4 mills, a total of 37 mills for support of the Riddle schools. This year's levy was 36.4 mills.

Cutter Laboratory Polio Vaccine Ordered Held Up

(Continued from Page One)

the Cutter Laboratories in Berkeley, Dr. Stanley V. Leland, director of preventive medicine, said it might be as much as a month before the second series of shots—scheduled to start May 2—would be administered.

"We do not believe that the cases thus far reported indicate any particular danger in the vaccine administered in Idaho, but every effort shall be made to protect our vaccination group," Leland said.

Leland said the Poeschle girl contracted the disease the fifth day after injection, and the boy on the fourth day. Polio has a normal incubation period 10 to 14 days, he said. There is a 10-day lag after the vaccine is administered before the immunity is developed.

This, he said, "obviously" indicated that the children had been exposed to polio before they had the shots, but had not developed symptoms.

Philippine, Hawaiian Volcanoes Erupt Again

MANILA (AP) — Two hundred families have begun an evacuation of the Makaturing and Rorowanza volcano area on Mindanao Island, the Social Welfare Administration said. The two volcanoes south of Lake Lanao were reported "spewing heavy smoke and hurling small boulders from their craters."

HONOLULU (AP) — Volcanoes in the Puna area of northeastern Hawaii Island erupted Tuesday after nearly three weeks of quiet. Lava shot 50 feet upwards in scattered bursts. A series of eruptions from Feb. 28 to April 8 destroyed homes and rich sugar cane lands in the area.

LECTURE TONIGHT A lecture entitled "U. S. Foreign Policy" is scheduled for presentation tonight at a regular meeting of Douglas County air reservists.

Capt. Jack Cummins of Roseburg is slated to give the lecture at a meeting of Flight A, 9415th Air Reserve Squadron, 904 S. Stephens St. The meeting will start at 8 p. m.

Susan Hayward Recovering As Ex-Husband Waits

HOLLYWOOD, Calif. (AP)—Susan Hayward lay in a Hollywood hospital Tuesday. Her ex-husband waited for a chance to see her.

Jess Barker flew from New Orleans after learning that the red-haired star had been rushed to a hospital by detectives who broke down a door and saved her from what was termed an overdose of sleeping medicine.

Her doctor wouldn't let him see her last night. She was described as in "satisfactory" condition, but Barker said her physician said she was "not yet fully recovered."

Miss Hayward, 35, was found unconscious in her Sherman Oaks mansion before dawn Tuesday by detectives called by her mother.

There were no notes, but friends believed she was despondent over a long dispute with Barker. They were divorced in August in one of Hollywood's bitterest trials in recent years. Bad feelings arose later in arguments over the upbringing of their twin sons, now 9.

But when Barker learned in New Orleans of his former wife's plight, he said: "Oh, my God! I love her. I love her." Then, said witnesses, he broke down.

Survivor Of Pioneer Family Dies In Salem

Viola Azezia Harrelson, 86, died after a lingering illness in a rest home in Salem Tuesday afternoon. She was born at Riddle May 20, 1848, to pioneer parents Mr. and Mrs. Watson Mynatt. His parents crossed the plains and settled in that area in 1852.

Mrs. Harrelson was a lifelong member of the Baptist Church. Surviving her are several nieces and nephews. She is the last of the pioneer family.

Funeral services will be held in the Chapel of the Roses, Roseburg Funeral Home, Friday at 1 p. m. The Rev. Raymond Schaefer of the First Baptist church will officiate. Interment will follow in the family plot in the Riddle cemetery.

Defense Of Fongs Nears Close In Court Trial

PORTLAND (AP) — The defense of Wayne and Sherry Fong, charged with murder, neared its close Wednesday.

The two are accused of slaying Diane Hank, 16, a Portland school girl, who disappeared after spending the night of Jan. 6, 1954, at the Fong home.

Mrs. Fong denied in her testimony Tuesday that she had given the girl liquor or poison that night. The state has said the girl died from too much liquor and too many sleeping pills.

Mrs. Fong said the last time she saw Diane alive was when she left for school the following morning. The girl's body was found several weeks later beside the Evergreen Highway near Washougal, Wash.

Circuit Court

Complaint Filed Jack Beck vs. A. P. Harris and wife. Suit to quiet title.

Judgment Arlie A. Frost vs. State Industrial Accident Commission. Plaintiff awarded compensation for permanent partial disabilities equivalent to 75 per cent loss of function of arm and 50 per cent loss of function of leg.

President Reveals Talks Being Held With Zhukov

(Continued from Page One)

no reason for a meeting between himself and the British, French and Russian heads of state as a result of the Austrian treaty negotiations. But he said such a meeting is always possible.

Secretary of State Dulles, British Foreign Secretary Harold Macmillan and French Foreign Minister Antoine Pinay have scheduled a meeting May 8 in Paris to discuss a meeting with the Russians.

Eisenhower declined to give details of his correspondence with Marshal Zhukov until the Soviet government official gives the word. Eisenhower and Zhukov became well acquainted during occupation days in Berlin immediately after the defeat of Germany in World War II.

At that time, Zhukov once made plans—never carried through—to visit the United States. At a news conference last February, Eisenhower was asked whether he might now extend a new invitation to the Russian. The President called it an idea worth considering.

Wednesday, in the talk about Eisenhower's correspondence with Zhukov, the President was asked specifically about a published report that he asked Zhukov to intervene to seek the release of American airmen imprisoned by Red China.

The President replied he was not at liberty to discuss the contents of the correspondence exchange. He added that he would not want to be a party to possibly jeopardizing any world betterment that might flow from the exchange. He described the exchange as personal and confidential, and added that it would be up to Zhukov as to whether it should be made public.

Services Friday For Neil Warren

Funeral services for Neil Warren, 50, will be held in the chapel of Long & Orr Mortuary, Roseburg, Friday at 10 a. m. Warren died at his home in Riversdale Monday evening.

The Rev. Ellsworth Titton of the First Methodist Church will officiate. Following services in Roseburg, Warren's body will be taken to Woodburn. Concluding services will be held there at 3 p. m. Friday. Vault interment will follow at Belle Passi cemetery, Woodburn.

Vital Statistics

Marriage Licenses LARLER-MILHOAN — Henry E. Larler, Riddle, and Lucille Milhoan, Sutherlin.

WHITEHEAD-FALLS — Verl Roger Whitehead, Roseburg, and Cecil Annette Falls, Ashland.

Man Shoots Ill Wife To End Her Suffering

BELLEFONTE, Pa. (AP) — A retired contractor who said he couldn't bear to see his 72-year-old wife suffer shot her to death in her hospital room yesterday and then attempted suicide.

W. S. Madore, 71, is recovering in the Centre County Hospital from chest wounds. His wife, Nelle Madore, had been a patient at the hospital since she suffered a brain hemorrhage. Nurses described them as "very devoted."

John T. Kirk, 83, Dies Tuesday

John Theodore Kirk, 83, resident of Roseburg since 1911, passed away Tuesday following a short illness. He was born Oct. 8, 1871, at Sardina, Ohio, and came to Roseburg from Leeds, South Dakota, in 1911. He was married here on March 29, 1918, to Minnie Weatherford. He was employed for a number of years by the City of Roseburg.

Kirk was a member of the First Baptist Church and the Fraternal Order of Eagles, Aerie 1492 of Roseburg.

Surviving are his widow, Mrs. Minnie Kirk, Roseburg; a son, Alonzo Kirk, Roseburg; and a daughter, Mrs. Olive Gopperton, Springfield, Ohio.

Funeral services will be held in the chapel of the Long & Orr Mortuary, Thursday, April 28, at 2 p. m., with the Rev. Ellsworth Titton of the First Methodist Church officiating. Concluding services and interment will follow in the Civil Bend cemetery.

Eisenhower Asks New Attack On Farm Problem

(Continued from Page One)

highest in the world, more than one-fourth of the farm families still have cash incomes of less than \$1,000 a year.

Part of the assistance program would require new legislation. The President said requests for this and for necessary appropriations will go to Congress shortly.

Sen. Aiken of Vermont, one of the Republican senators who got a preview of the administration proposals, said Tuesday "very little new legislation" would be required to put the program into operation.

In a letter to the President, Benson said parts of the program are new and other parts have been operating, though not fully developed. Benson recommended launching "pilot operations" in not less than 50 of the 1,000 low income counties during the year starting July 1.

He said action by Congress will be needed to:

1. Authorize the Farmers Home Administration to make loans to part-time farmers.
2. Concentrate special funds outside the present agricultural extension formula to conduct pilot programs and to extend aid to low income farmers.
3. Appropriate new money outside the regular budget for extension, research, soil conservation, farm loans and related service.
4. Authorize 30 million dollars of loans by the Farmers Home Administration. (The report itself said these loans should be made available to supplement private and cooperative services).

Former Myrtle Creeker Man Dies At Empire

A. J. Cavanaugh, 88, a resident of Myrtle Creek for 10 years, died this morning at his home in Empire. He came to Myrtle Creek from Kansas in 1936 and lived in the Myrtle Creek area until recently. Funeral arrangements are in charge of the funeral home at North Bend, and will be announced later. Among survivors is a son, Floyd, of Myrtle Creek.

HUBCAPS REMOVED

Oscar L. Burke, Rt. 3 Box 930, complains to city police Tuesday that the hubcaps had been stolen from his car the previous night. The car was parked in a lot near the Greyhound depot on South Stephens Street.

Toastmistresses To Meet — Winston-Dillard Toastmistress Club will meet tonight at 7:30 at dinner at the Umpqua Hotel.

Senate Okays Regulations On Highway Billboards

(Continued from Page One)

bill provides that the state labor commissioner, who administers the FEP law, shall appoint state and local groups to promote better racial relations.

The House completed legislative action on a measure calling for the Interstate Cooperation Commission to study the proposed Columbia Basin Compact for two more years.

The compact, under which the Northwest states would plan development of the region, would be submitted to the 1957 Legislature for ratification.

The Senate's plan to change the May primary to late June died when the House deleted that provision, and the Senate accepted its amendment. As the bill now stands, all it does is to change the election of precinct committeemen and committeewomen from May to November.

A bill to forbid wiretapping, except by court order, was approved by the Senate Judiciary Committee.

Services Arranged For Mrs. M. Ospald

Mrs. Marie Ospald, 89, well-known resident of Roseburg, died Tuesday following a prolonged illness. She was born in Austria on Nov. 13, 1865 and came to the United States when she was 12 years old, residing in Kansas. She was married in 1888 to Adolph Ospald, who preceded her in death in 1938.

She came to Oregon in 1896 residing in Portland until 1898 when she came to Roseburg. She has made her home here since that time. Mrs. Ospald was a lifetime member of the Catholic Church and a member of St. Joseph's Altar Society.

Surviving are two children, Mrs. C. V. (Clara) Stewig, and John Ospald, both of Roseburg. She is also survived by a brother, Frank Reidel, Olmitz, Kans., a sister, Mrs. Johanna Von Pessel, Colorado Springs, Colo., and three grandchildren.

Funeral services will be held at St. Joseph's Catholic Church, Stanton Street, where requiem mass will be offered at 9 a. m. Saturday morning. Concluding services and interment will follow in St. Joseph's Catholic cemetery. Recitation of the Rosary will be at the Chapel of Long & Orr Mortuary, Friday, at 7:30 p. m.

Famous Trichologist Tells Truth About Saving And Improving Hair

This new method of home treatment for saving and growing thicker hair will be demonstrated in Roseburg, Oregon, Saturday only, April 30, 1955.

These private individual demonstrations will be held at the Umpqua Hotel on Saturday only, April 30, 2 P.M. til 9 P.M.

OKLAHOMA CITY — April 27 — In an interview here today D. Russell Collins, internationally famous trichologist and director of the Collins Hair and Scalp Experts, Inc., said: "There are 18 different scalp disorders that cause most men and women to lose hair. Using common sense, a person must realize no one tonic or so called cure-all could correct all the disorders," he explained.

"The Collins firm, recognizing that most people are skeptical of claims that hair can be grown on balding heads, offers a guarantee," Collins said.

Once a person avails themselves to the Collins treatment his skepticism immediately disappears. To insure this, we offer this guarantee: "If you are not completely satisfied with your hair progress in the very first 30 days your money will be returned."

HOPELESS CASES DISCOURAGED First the Collins specialists are quick to tell hopeless cases that they cannot be helped. But the "hopeless" cases are few. Only if a man is completely, shiny bald is he in this lost category.

HAIR FOR LIFETIME "If clients follow our directions during treatment, and after they finish the course, there is no reason why they will not have hair all the rest of their lives," Collins said. "Our firm is definitely behind this treatment, it all depends on the individual client's faithful observation of a few simple rules."

No Special Election Needed On Rural Budget

(Continued from Page One)

in which to hold the elections since their annual meetings are held June 27.

There are 22 districts within the rural. Enrollment in them as of Nov. 20, 1954, totaled 5,312 elementary pupils and 1,883 high school students.

The 1955-56 budget will provide for 25 administrators, 89 high school teachers, 216 elementary instructors and 50 janitors. Campbell said some of the janitors were on a part-time basis.

Total amount for instruction allowed comes to \$1,428,424. Transportation is another healthy item. It totals \$250,321. The figure includes allotment for 42 district-owned buses and 23 contracted buses.

The budget also provides for the maintenance of 53 school buildings.

Rural school board members working with the deputy on the budget were: Norman B. Weatherly, chairman; Elkton; George Wilcox, vice-chairman; Oakland; Gilbert Weaver, Myrtle Creek; Mrs. Madeline B. Coel, Drain; Guy MeGehee, Canyonville; and Kenneth F. Barneburg, secretary, Roseburg.

Burglary Investigation Continuing At Glendale

State police continued investigation today of the burglary of the Arthur Fisher residence up Cox Creek, reports Mrs. G. B. Fox, correspondent at Glendale.

An officer told Mrs. Fox that a number of leads have been investigated. It is believed the burglary occurred last Wednesday while Mr. and Mrs. Fisher were on a trip to California.

Numerous articles of household and sporting goods valued at about \$1,000 were taken from the house, an officer said.

DO YOU KNOW . . .

That the "Instant" fire extinguisher is the most important development in fire extinguisher history? The charge is a unique chemical fluid forced from the extinguisher by CO2 gas. It cools and quenches the flames and fireproofs as well! Kills fire faster, uses less fluid than any known liquid. And do you know that you can fireproof your attic by spraying it with "Carboloy"?
