INTERESTING MEETING OF CENTRAL JUNIOR HIGH PTA HELD MONDAY

The Central Junior High PTA meeting held Monday night can be considered one of the most successful this year in that the program was outstanding and in that there were many parents there who were attending a Central PTA meeting for the first time this year.

The business portion of the meeting was conducted by students from the Leadership Class who were elected by the class to carry on the duties of the various officers. Jerry Healy, an 8th grade student and representative of her Home Room, acted as president; Tom Lindell, 8th grade student and representative of his Home Room, acted as vice president; Donna Frisk, 7th grade, and president of her Home Room, acted as secretary; and Sharon Bennett, 7th grade and president of her Home Room acted as treasurer.

Loren Olson and Wayne Hutchins acted as program chairmen; Carolyn Wasson, Terry Akers and Dick Harpe served on the hospitality committee.

The above students handled the business meeting most efficiently and to the delight of all up to the "New Business" portion of the meeting at which time the meeting was turned over to Mrs. Les Frisk, president, for election of officers. Officers elected for the 1955-56 school year are: Mrs. Norman John, president; Mrs. Jack Chapman, 1st vice president; Charles Dondora, 2nd vice president; Mrs. Bernard Drake, secretary; and Mrs. Ken Ellison, treasurer. They will be installed at the May 23 meeting.

After election of officers the meeting was then turned back to the Program Chairmen. Sharon Lyons, one of Mrs. Johnson's 8th grade social living students then gave an interesting talk on the Citizenship Project and Charlene West, also one of Mrs. Johnson's 8th grade social living students, gave a very enlightening talk on "This Old House" which has been a project of their social living class. They have been looking into what could be done with the old house which sits catercornered for the Junior High School.

Joyce Rand, Barbara Wood, Gayle Harris, Eddie Lorenzen, Albert Parr, Elaine Rice and Shirley Johnson of Leo Boyles' Core class gave interesting talks on the various activities in which they are participating.

Steve Chitwood and Jay Stone set up a display table and tended it during the meeting.

Mr. Scallon told about the many fine things the Leadership Classes have been able to accomplish this year and Mr. Norris offered a great deal of pertinent information on the budget to be voted on May 3.

Parents were greatly impressed with the poise and self confidence with which the "Teenagers" participating in the program were able to conduct themselves.

After the meeting was adjourned, a social get together during which refreshments were served was the climaxing feature to a grand evening.
