LOTUS KNIGHT PORTER

THE TEN WOMEN appearing on today's society feature page are the "Powers That Be" behind the "Powers That Be" of the Roseburg City Council, and although they don't voice opinions much publicly, they do back their husbands 100% in serving the city of Roseburg.

THE WIFE of Mayor Ernest Barker Jr. and the wife of City Manager George Farrell, are pictured in the center. At the top left is Mrs. George Luoma and Mrs. Sidney Moon and at the upper right are Mrs. W. J. Adair and Mrs. Rudolph Ritzman. In the lower left picture are Mrs. Kenneth Ellison and Mrs. Byron Woodruff and at the right are Mrs. Jomes O. Knudtson and Mrs. Robert Harris.

SPECIAL THANKS goes to Mrs. George Luoma for entertaining the group the afternoon the pictures were taken.
