GLENDALE REBEKAHS ENTERTAIN GUESTS

The Mountaineer Rebekah Lodge met Thursday at the IOOF Hall. There were 65 members and guests present. Each officer of the lodge asked a corresponding officer of another lodge to be a guest, and each officer presented the visiting officer with a package of beautifully wrapped garden seeds. Visiting lodges were those from Canyonville, Riddle, Grants Pass and Medford.

Mary Wright and Nadine Reynolds sang a duet on April Showers, accompanied by Myrn Opperman. The following members were elected as delegates to the Assembly: Leona McAllister, Mae Basye and Mabel Winkelman.

After the meeting a cake walk was held for the benefit of the cancer fund. Both cakes offered were received by members from Medford.

Lovely refreshments were served by the hostesses to Thelma Clark, La Verne Coates, Marie Clark, Pearl Frost, Verna Bielew, and Betty Reed. Table decorations carried out the theme of April Showers.

A potluck dinner was held Sunday evening at the Azalea Grange Hall by the Coffee Cup Club. Each member brought a friend. After the dinner cake and ice cream were served. The cake was beautifully decorated by Betty Brady in honor of the club. A large coffee cup and saucer in the center was surrounded by flowers and green leaves. Music was enjoyed. The club met Friday at the Ted McPherran home on Quines Creek. A lunch was served by the hostess before the business meeting which was called to order by the president, Mary Diltz.

The following members were present: Mary Reed, Loeta Rife, Re-Ella Lafferty, June Knigge, Florence Clayton, Mary Diltz, Sue Reed, Connie Robison, Betty Brady and the hostess, Hazel McPherran. The next meeting will be May 13 at the Knigge home in Glendale.

Periodical Features Residence In Douglas

A Douglas County residence built by a Roseburg construction firm is featured in April issue of "Western Building."

It is the Buckley Bell home, 458 S. Kane St. The structure was completed in October 1953 by Seitz and McTaggart.

Five interior photographs of the house illustrate the article. The article commends Max L. Seitz and H. M. McTaggart for developing a style of their own "largely based on the effects which can be achieved with the wide variety of building products which are available to builders currently."

Business details on construction are handled by Seitz. McTaggart is the home designer.

SCHOLASTIC FLUNK

TUCSON, Ariz. (AP)—Students at the University of Arizona may spend a lot of time reading—but one publication they apparently miss is the racing form. Not one of the 36 who took the annual vocabulary test at the university could define the word "parlay."

Contributions To Accident Fund Now Increased

Workmen's Contributions to the Industrial Accident Fund have been increased by act of the Legislature from one to two cents per day upon the signing of House Bill 555. It was announced by the Industrial Accident Commission. Effective May 1 employers under the Workmen's Compensation Law will be required to retain from workmen's wages two cents for each day or part of a day worked and forward these contributions monthly to the Industrial Accident Commission. The workmen's contribution for volunteer firemen, and for employers and corporate officers who have filed elections to become entitled to benefits as workmen, is also increased—from 30 cents per month to 60 cents per month.

One half of the workmen's contributions under the amended law are to be placed in the "Retrospective Relief Reserve." This reserve is to be used to increase

monthly pension payments to widows of fatally injured workmen, and to totally disabled workmen, above the amounts specified in the Law in effect at the time the fatal or disabling accident occurred. Initially, some 1,470 individuals will benefit by having their pensions restored to the July 1, 1947 level. These individuals are entitled to pensions under various benefit schedules in effect from 1913 to 1947. The 1949 legislature initiated a system of increasing these benefits from surplus funds accumulated by the Industrial Accident Commission. In March of 1955 the Attorney General ruled that the method of increasing these bene-

fits which had been utilized since 1949 was unconstitutional. House Bill 555 provides that the above pensions be increased from March 1, 1955. The Commission announced that June 1955 receipts into the "Retrospective Relief Reserve" from workmen's contributions withheld from May wages should be sufficient to supplement June pension checks, to be mailed June 30, 1955. Retroactive payments for March, April, and May 1955 will be made as soon as sufficient funds accumulate. It is expected that these can be paid as follows: March on Aug. 31, 1955; April on Oct. 31, 1955; and May on December 31, 1955.
