GIRLS FRIENDLY SPONSORS MOTHER DAUGHTER BANQUET

The Girls Friendly Society of St. George's Episcopal Church entertained at a mother-daughter banquet Thursday evening at the parish house.
The Rev. Alfred S. Tyson acted as master of ceremonies. Judy Jacoby, president of the society, welcomed the mothers and introduced the guests. Adair Flann gave the main events of the past year and told of the growth of Girls Friendly. Sue Potter, the graduating advisor of the group, told of the ideals she has for the group during the coming year. Beth Potter spoke on the Gearhart Summer Church camp at which the St. George's girls' group has the record for the largest attendance.
Susan Barnhart and Shirley Johnston put on a baton twirling exhibit. George Pearce of Sutherlin thrilled the group with his display of magic talent, which was the highlight of the program. Other officers of the G.F.S. are Jerilyn Jacoby, vice president; Judy Alpaugh, secretary; and Susan Alken, treasurer.

TENMILE GIRLS HAVE ACTIVITIES

Chesk Cha May Camp Fire Girls of Tenmile have been holding regular meetings this winter at the ladies clubhouse. The making of Easter baskets and a candy sale at school were two of the group's activities. Girls enjoyed a roller skating party, and are planning a program to demonstrate camp fire work. Plans are also being made for a ceremonial in the near future.

At the last meeting popcorn was served to: Carol Burr, Kathy Lucas, Marlene Bowles, Sharon Martin, Linda Sherman, Janet and Robin Burr, leader, Gladys Burr and the new assistant leader, Dorona Gates.

FASHION SHOW-TEA SET AT RIDDLE SCHOOL

Dress rehearsal tonight will climax weeks of preparation for the annual fashion show and tea to be held Saturday afternoon under the sponsorship of the Episcopal Ascension Guild. The show opens at two o'clock in the Riddle High School auditorium. Fourteen models will display round the clock fashions for adults. Eight teenage girls will model styles suitable for their age group, and six small misses will model moppet styles. An entertaining program is promised with music by the high school orchestra, songs by Barbara MacDonald, and impersonations by Ross Bowles. Tickets are on sale at Scott's Jewelry, Hilda's, and will also be available at the door. In Roseburg tickets may be purchased from Mrs. C. V. Montgomery of St. George's Guild.

Punch-line to the year's hottest power story—

Chevrolet "Turbo-Fire V8"!

There's only one way you'll really discover the hottest power story of the year. Get aboard a new Chevrolet that packs a bundle of velvety TNT under the hood—the new "Turbo-Fire V8"!

For this is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR® stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the

first two places—and six of the first ten—went to Chevrolets. And in acceleration runs from a standing start against all comers, Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry (that means less piston travel... longer engine life!) And it delivers the highest power per pound of any V8 in the low-priced field. It's so efficient that it requires only four quarts of oil instead of the usual five

... needs less radiator coolant, too. It's the most modern V8 under anybody's hood!

But the thing you'll like most is the way it puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower with the new "Turbo-Fire V8" and if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at extra cost) puts 180 h.p. under your toe.

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!

No other low-priced car has any—
no high-priced car has all—
of these great Chevrolet features!

Body by Fisher—You see it on some of the highest-priced cars. Nine engine-drive choices in any model—The greatest choice going. 13-volt electrical system—Twice the voltage of other low-priced cars. Anti-Dive braking—A Chevrolet exclusive for heads-up stops. Outrigger rear springs—Wide-spaced for steady cornering. Ball-Race steering—Turns on ball bearings. High-Level ventilation—Cleaner, fresher air. Double-Arch cowl construction—Extra strength and safety.
