The defending champion San Diego Padres were in undisputed leadership of the Pacific Coast League Friday — there by virtue of their 10th straight victory.

Outfielder Earl Rapp smashed his 10th homer of the season and drove in Buddy Peterson in the eighth to give San Diego a 4-3 decision over Hollywood Thursday night.

Los Angeles had shared the top spot briefly — for a day. But Seattle's Alex Singleton limited the Angels to four hits to achieve a 6-4 victory that dropped Los Angeles into third place.

Seattle is a half-game behind San Diego.
In other contests Portland defeated fourth-place Oakland 3-2 and Sacramento, in fifth place, edged out San Francisco 6-5.

At San Diego Rapp's homer over the right field fence broke a 2-2 tie. The Padres put down a Hollywood rally in the top of the ninth after pinch hitter Bill Hall singled.

Second division clubs turned on the leaders in Northwest League baseball Thursday night but the "uprising" wasn't reflected in the standings.

Cedar-dwelling Spokane picked up its fourth win in 15 starts, a 9-3 triumph over Eugene. Yakima made it two straight over Tri-City, 11-4, and Lewiston outlasted Salem, 7-4.

After dropping three in a row at Eugene, Spokane sent the veteran John Conant to the mound against the Emeralds. He gave up 10 hits but kept them well scattered, walked four and struck out seven. Spokane batters, meanwhile, teed off on Eugene pitching, collecting 15 hits.

Yakima batters banged out 12 safe blows as the Bears evened the series with Tri-City at two wins and two losses. Tri-City grabbed an early 3-run lead but Yakima tied it in the fourth inning, added one run in the fifth, two in the seventh and put the game out of reach with a 5-run outburst in the seventh.

A 4-run rally in the seventh inning gave Lewiston its second win of the 4-game series at Salem. The Broncs combined three singles and two Salem errors for runs that snapped the 2-2 deadlock that prevailed going into the inning. Don Frailey homered with a man aboard for Salem in the eighth. It was his third homer in three nights.

POSTPONED AGAIN

VICTORIA, B. C. (AP)—The on-again, off-again attempt of Tacoma logger Bert Thomas to swim the Strait of Juan de Fuca is off again — until 10 p.m. Friday.

Thomas was slated to set out on the 20-mile swim to Port Angeles, Wash., at 9 p.m. Thursday. High winds battered the strait as that hour approached, however, and the ex-Marine frogman postponed the try another 24 hours.

Washington halted Oregon's Northern Division baseball winning streak at seven straight Thursday but Oregon State kept its record unblemished with another easy victory over Washington State.

The Beavers from Corvallis drubbed WSC, 9-1, and took over undisputed possession of first place in the standings after Washington clipped Oregon 5-1.

For the Beaver, it was win No. 5 without a loss and for Washington it was the first win in six starts.

At Pullman, OSC pitcher Jerry Epperle limited WSC to six hits and was backed up by three double plays. He walked six and struck out six. Five WSC errors helped the Beavers.

Oregon outthrew Washington 8-6 but the Huskies managed to convert their safe blows into scores. Three singles produced two Washington tallies in the third inning. The Huskies added three more in the sixth when Monte Geiger doubled home two runners and scored on an infield error.

Indians Protest Game Laws On Reservation

KLAMATH FALLS (AP)—J. C. O'Neill, attorney for the Klamath Indian Tribe, reported Tuesday a formal attack on state game laws on the Klamath Reservation.

He said he is asking the federal court to rule that treaty rights Klamaths, Modocs and Yahooskin Indians would be violated if state fish and game regulations were put into effect on reservation land.

The case is an outgrowth of the federal withdrawal of jurisdiction over the Klamath Indians. A similar action against state hunting and fishing laws is being taken at Umatilla Reservation.

Bids Scheduled June 10 For Umpqua Fish Ladder

Construction bids for a fish ladder to be built around the South Umpqua Falls are being received by the Oregon State Game Commission until June 10, according to P. W. Schneider, director of the commission.

The new ladder will be located at a spot approximately 21 miles east of Tillamook. It will open up a new spawning ground above the falls of approximately 22 miles. At present, fish can negotiate the falls only at extremely high water levels.

The ladder will be about 190 feet long and will be concrete throughout. It will have a rise of a little better than 17 feet, with a small gate and grillwork at one end. There will be about 20 boxes that measure eight feet in width and 20 feet in length in the ladder.

-AND ALL YOURS

for only **\$2670⁵⁰** delivered locally!

YOU certainly can throw out your chest and call this Buick yours. Because—as comparison shows—the dollar difference between this brawny beauty and the well-known smaller cars is virtually erased.

So if you've been thinking a Buick was out of reach—let yourself go. You can afford a Buick if you can afford any new car—and the price we show here proves it.

Buick Sales Soaring To New Highs

That's a major reason for the phenomenal success of Buick today. So much so, that production and sales are hitting new peaks to move Buick more firmly into the tight circle of America's best sellers.

And a companion reason for this soaring popularity is Buick's full line of cars to give you a choice in any price class—the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

But pure and simple, it's all the car you get for your money that's winning so many new owners to Buick.

It's the extra pride you feel, the extra room you enjoy, the extra comfort you get, the extra safety you sense—from Buick styling, Buick size, Buick ride-engineering, Buick solidity of structure.

It's the extra lift and snap and ginger you get from Buick high-compression V8 power—and the fun and thrill of bossing such eager might.

As we said—if you can afford any new car, you can afford a Buick—even with the spectacular performance of Variable Pitch Dynaflo[†] at modest extra cost.

So why settle for anything less than a Buick? Drop in on us, take the wheel, press that pedal, and see for yourself what a whale of an automobile—and a whale of a buy—today's Buick really is.

[†]Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Buicks.
