

Democrats Assail GOP At Meeting Of Society

PORTLAND (AP) — Democratic members of the recent Legislature assailed the Republican majority in talks at a meeting of the Willamette Democratic Society Tuesday night—and praised Sen. Robert Holmes of Gearhart as a man who merits advancement.

Sen. Monroe Sweetland, among those lauding Holmes, said he had demonstrated his ability to hold any job the voters might give him. Sen. Harry George credited Holmes with halting action on the Columbia River Compact plan.

WINS SCHOLARSHIP

Karen Mae Amundson of Roseburg has been granted a scholarship, the registrar's office at Oregon College of Education in Monmouth has announced. The scholarship was awarded by the state for elementary education students and will provide full payment for tuition and fees.

Military spending is on the downgrade. Chart above shows that the only rise in military spending is found in the Air Force, which is explained by the increased emphasis in air power with the advent of the atomic age. Insert is a breakdown of estimated military spending for 1956.
