CLEANUP WEEK in Roseburg starts Monday in the business area from Mosher street to Deer Creek. City street department trucks will pick up refuse at parkings and street edges. The junk and refuse must be placed at the edge of the street by property owners before it will be picked up for disposal. The aid to property users by the city will continue through the week in the areas designated above. City Manager George Farrell said the city trucks would pick up any junk. He urged property users to take advantage of the effort to make Roseburg the "cleanest city in the state."

PLANS FOR FOWLER STREET PARK give an idea of the layout above. Space is designated for a basketball court (top left), combination swings (lower left), sand box, climbing tower, merry-go-round (top right) and slide (top center) to gladden hearts of Roseburg children. Work started on the park this week. The park is a project of the Roseburg Junior Chamber of Commerce.
