Can you see, steer, stop safely?
Check your car . . . check accidents!

*Based upon a comparison of manufacturers' suggested list or factory delivered price

You can profit from the experience of thousands of former medium-priced-car buyers who have made the switch to Ford. For one thing, you can enjoy as they do Ford's many fine-car features and, with the money you save, buy the power conveniences of your choice.

And whichever of Ford's 16 beautiful models you prefer, you get the years-ahead styling of the Thunderbird—that fabulous original by Ford. Rich Luxury Lounge interiors offer you the last word

in interior décor and feature many colorful new fabrics used for the first time in any car. You'll be far ahead in "go," too, with Ford's reassuring Trigger-Torque power. Here's the power that meets your every demand in traffic or on the open road. And wherever you go, on boulevard or back road, you'll find that Ford's exclusive new Angle-Poised ride smooths the way.

Try Ford and you'll agree . . . you can pay more but you can't buy better!

New Speed-Trigger Fordomatic
for automatic driving at its best

For extra-fast speed-trigger starts, just press the accelerator to the toe-board and you flash away in "low." Fordomatic automatically shifts into intermediate gear then to direct—all while the selector lever is set of "Drive."
