

Pargeter Named As United Fund Drive Director

Thomas H. Pargeter has been appointed one of the five persons to direct activities in the five sections of the forthcoming Central Douglas United Fund campaign. Pargeter, Roseburg business man, will be chairman of section three. Areas included are: Laundry and cleaners, lumber, retail establishments, personal and professional, and printing and publishing. He was appointed by campaign chairman James G. Richmond. The new section chairman has an outstanding list of civic activities. He is familiar with the work of United Fund, having served as past president of the community chest and as campaign chairman of a community chest drive. Currently, he is president of the Roseburg Council of Camp Fire Girls, a director of the Roseburg Chamber of Commerce, secretary of the Douglas Forest Protective Assn., secretary of the Douglas County Taxpayer's League, and a member of the BPOE. Pargeter is married. He and his wife, Elsie, and two children live in Melrose.

Singer, Fishing Movie Entertain Kiwanians

Local talent — at singing and fishing — entertained Roseburg Kiwanians when they met Tuesday noon in the Hotel Umpqua. Dr. Harold M. Mikkelsen, a staffer at the Veterans Administration Hospital here, vocalized, and Frank Moore showed a movie featuring fishing on the upper North Umpqua River. Two new members were welcomed into the club. They are Sheriff Ira C. Byrd and the Rev. Raymond Schaefer.

Canyonville City Council Requests Traffic Signals

The Canyonville City Council has asked the Oregon State Highway Commission to install a traffic signal at Third and Main streets, according to Virginia Proctor, News-Review correspondent. The heavy traffic and logging trucks have created a hazard at the intersection, the council contends. Jim Calhoun, chairman of the city council, is acting mayor in the absence of Ed Oaks.

WILL HOLD PICNIC

Cub Scout Pack 114 of Fullerton School is having a picnic at Umpqua Park, Friday at 6 p.m.

SOCIAL NIGHT

The North Douglas Grange will have a social night Friday, with a ball game at 6:30 and weiner roast at dark. Games will also be enjoyed.

Services Set Here For Idaho Woman

Funeral services for Mrs. Juanita V. Matthews, 40, who died at her home in Lewiston, Idaho, Sunday, will be held in the Chapel of the Roses, Roseburg Funeral Home, Thursday at 2 p.m. The Rev. Marlin Love of the Winston Christian Church will officiate. Interment will follow in the Civil Bend Cemetery. Mrs. Matthews was born Dec. 30, 1914, at Kearney, Neb. She was a member of the Eagles Lodge Auxiliary in Lewiston. Surviving are her husband Weldon, Lewiston; her father and mother, Mr. and Mrs. Ralph E. Crouch, Winston; two sisters, Mrs. Jeannette Jones, Myrtle Creek, and Mrs. Barbara Nelfert, Scotts Bluff, Neb., and two brothers, Harry C. Churchill, Long Beach, Calif., and William D. Stearns, Scotts Bluff, Neb.

Circuit Court

Complaint Fied
Vincent A. McElmurry vs. State Industrial Accident Commission. Plaintiff seeks to have claim remanded to defendant for award of permanent injuries received May 21, 1954, while working for Charles Darling of Davidson & Darling Logging, Yoncalla: hit on head and shoulders by falling tree.

Judgment Order
Arnold E. Sipe vs. State Industrial Accident Commission. Plaintiff found to have permanent partial disability equal to 35 per cent of the use of an arm.

Molotov Asks Dedication To World Peace At UN

(Continued from Page One)

ment of a peace with security, justice and freedom for all mankind." The Soviet foreign minister touched on several controversial issues, including the seating of Red China in the U. N. and the Formosan question, but offered no new proposals on either of the latter. He demanded the ousting of Nationalist China from the U. N. and seating of the Chinese People's Republic "without further procrastination." He also said Formosa is an "integral part of China's national territory," and said it is the U. N.'s duty to take steps to settle the Formosan problem "at the earliest possible date."

ABOLISHES SEGREGATION

EL PASO, Tex. (AP)—The El Paso School Board voted 6-1 to abolish segregation in the public schools. El Paso thus became the first major Texas city to end segregation in accordance with Supreme Court decisions. There were 712 Negro pupils in El Paso public schools last year.

Streetcar Strike Continues In LA, Also Little Rock

LOS ANGELES (AP)—Nearly a million Los Angeles streetcar and bus riders still sought other means of transportation Wednesday as the city's transit tieup entered what police termed the "learn to live with it" phase. Traffic jammed up in a monumental snarl Monday when 2,600 operators and maintenance men went on strike. Tuesday, however, things looked better. Police said Los Angeles commuters turned to car pools, other bus lines, early departures and early shortcuts to evade the freeway traffic jams of the day before.

There is still no hope for ending the strike before the weekend, spokesmen said. LITTLE ROCK, Ark. (AP)—AFL bus drivers and mechanics struck the only bus line serving this city and neighboring North Little Rock at 1:30 a. m. Wednesday. The strike left about 40,000 persons who daily ride the buses without public transportation, except a population of about 146,000.

Song Service To Precede Graham Film Showing

The Rev. Robert Hempel, president of the Roseburg Ministerial Assn., will lead a song service prior to the showing of a Billy Graham film, "Souls in Conflict," 7:30 p. m. Thursday at the Central Junior High school. The Rev. Gordon Wood, secretary-treasurer of the association, will have charge of the prayer service. The benediction will be given by the Rev. V. R. Savage. Master of ceremonies will be the Rev. Arthur Kelstrup, publicity chairman of the group. The film is the latest release from the Billy Graham Evangelistic Crusade Assn., and stars Graham. The film will be shown by Kenneth Phillips, son of Dr. Frank Phillips, Pacific Northwest region director of Youth for Christ. The public is invited to attend.

Polio Expert Recommends Vaccinations Be Halted

(Continued from Page One)

as potential carriers of polio, Dr. Salk declared there was no evidence to support association contraction. "Not all the children receive properly prepared vaccine," he said. But Dr. Salk contended "there seems to be an association" between contraction of polio by others who have come in contact with children receiving improperly made vaccine. Public Health Service statistics on polio incidence have shown a considerable number of cases among persons associating with others who have received vaccine. Earlier in the hearing the question was raised whether the Salk vaccines as now manufactured might produce kidney ailments. Dr. Salk said he had determined experimentally that it would not have any effect on the human kidney. But doubts were expressed by some other physicians among the polio authorities who were before the House subcommittee. Chairman Priest (D-Tenn.) arranged the session with the idea, he said, of "creating a renewed and well informed confidence in the program." The discussion developed that some residual protein from monkey kidney material remains in the vaccine under present manufacturing processes. The polio virus needed for the vaccine is grown in monkey kidney. Dr. Mayer of Johns Hopkins University said there was no way to tell whether this protein might result at some future time in kidney ailments but he said there was such a possibility. Mayer said these impurities might well not be harmful but that it is "commercially feasible" to reduce them sharply and in his view this should be done.

MATTRESS FIRE

A mattress fire at 717 W. Mosher St. caused an estimated \$40 damage Wednesday at 12:50 a. m., according to Roseburg city firemen who answered the call.

Competitive Drills Parades Open To Public

(Continued from Page One)

be Saturday at 4 p. m., with that meeting also open to the public. Registration will start at 8 a. m. Thursday and Friday in Eagles Hall for both aerob and auxiliary. It will follow ritualistic competition each morning.

Business sessions for each will be held at 1 p. m. Thursday and Friday and 10 a. m. and 2:30 p. m. Saturday, the aerob meeting in the Odd Fellows Hall and auxiliary in the Junior high school. Dancing will be held each of the three evenings for Eagles only in Eagles Hall.

Names of new officers will be announced Saturday after ballots, to be passed among delegates during the convention, are counted. The last Eagles convention in Roseburg was held in 1939. About 40 aerob will be represented here, according to A. Warren Jones, Salem, convention manager. Convention chairmen are B. G. Fenwick, president of the Roseburg aerob, for the state aerob, and Mrs. Mary Hayman, president of the local auxiliary, for the state auxiliary.

Charitable works performed by both include sponsorship of a fund raising campaign each year for persons afflicted with muscular dystrophy and for research into causes of the disease. The Grand Aerob also maintains a memorial fund for children of its members who have died in war. Children are educated by use of the fund. In Roseburg, a notable project of the local aerob each Christmas has been a toy drive, in which members collect, repair and distribute thousands of toys to youngsters each year. Other community projects also are sponsored.

President Leaves For New England Informal Speeches

By JACK BELL

WASHINGTON (AP)—President Eisenhower left by plane at 11:20 p. m. Tuesday for Rutland, Vt., first stop in a series of informal speeches in three New England states. Accompanying him to the airport was Secretary of Defense Wilson; Secretary of the Army Robert Stevens, who had just resigned, and Wilbur Brucker, nominated to succeed Stevens. Press Secretary James C. Hagerty said the officials came out to the airport to talk over the Defense Department reports. Stevens told reporters he had no plans except to "finish up my job working for Mr. Wilson." Asked if he was surprised about his appointment, Brucker said he knew nothing about it "until an hour ago." He added he was "surprisingly happy."

BIRTHS

Douglas Community Hospital
MOORHEAD — To Mr. and Mrs. Myrtle Moorhead, 2019 John St., Roseburg, June 17, a daughter, Joan Marie; weight seven pounds four ounces.
HICKMAN — To Mr. and Mrs. Philip Hickman, 1928 Dogwood Drive, Roseburg, June 18, a daughter, Margo Ann; weight eight pounds seven and one-half ounces.

SIKES — To Mr. and Mrs. Gordon Sikes, Evergreen Trailer Court, Canyonville, June 20, a daughter, Patricia Colleen; weight five pounds six ounces.

35 Persons Hurt In French Rioting

SAINT NAZAIRE, France (AP)—Republican security troops and strikers clashed Wednesday at France's largest shipyard. Fifteen soldiers and 20 strikers were injured. Strikers overturned wagons to barricade streets. The security troops, sent here late Tuesday after violent demonstrations by the workers, moved in to clear away the barricades and were resisted by the strikers. The helmeted troops, used for heavy riot duty, employed tear gas to quell the demonstrators. The shipyard welders have been striking one day a week for the past three months in demand for the same wage scale as applied in the Paris area, where they are 30 per cent higher. Minimum wages for most trades in France are higher in Paris because the cost of living in the capital is considered greater than in the provinces.

Corps Of Engineers Plan For 10,000 At Dedication

PORTLAND (AP)—The Corps of Engineers is planning for a crowd of 10,000 persons June 25, at the dedication of Lookout Point and Dexter dams on the middle fork of the Willamette River above Eugene. Dedication ceremonies will start at 2 p. m., but both dams will be open for public inspection throughout the day. Asst. Secy. of the Army George H. Roderick will be the main speaker. Gov. Paul Patterson will be master of ceremonies. The \$89,000,000 federal project is about 23 miles southeast of Eugene. The engineers plan to have generators operating in both dams on dedication day.

United States, Britain, France Agree On Terms

By ARTHUR GAUSHON LONDON (AP)—The United States, Britain and France agreed on the main terms of a three-stage program for a European settlement with Russia, informed diplomats said Wednesday. Eisenhower, prime minister Eden and Premier Edgar Fikule intend to tell Soviet Premier Nikolai Bulganin in Geneva next month: 1. That they want an agreed limitation on armaments, perhaps also on armies, in East and West Europe. This they believe could become the basis for a wider all-European or global disarmament program which should be negotiated through United Nations machinery.

2. They want a peace treaty settlement which would reunite Germany on the basis of the so-called Eden Plan submitted to the Soviets at the 1954 Berlin conference. Russia rejected the plan at the time. It is now under revision in Bonn by American, British, French and West German experts.

3. If and when Germany is reunited in peace, the West would be ready to join in a European security system designed to protect all states against the possibility of unprovoked attack.

Skindiver Rescued From Ocean At Cannon Beach

CANNON BEACH (AP)—A skindiver was rescued from the ocean off Cannon Beach Tuesday after his rubber suit became punctured and left him helpless in the water. Lifeguards Yulua Saito, Seattle, and Allen Bettger, Milwaukie, rescued I. M. Demberg, Portland, who had been diving near Haystack Rock. The puncture left him unable to get back to his rubber life raft, to which he had failed to link himself with a cord.

Weds Favorite Allergy

HOLLYWOOD (AP)—Actress Marie (The Body) McDonald has remarried her favorite allergy. Her mother said Tuesday that Miss McDonald, 30, who was married a week ago in Yuma, Ariz., after her Las Vegas, Nev., divorce last November the shapely actress said that she was allergic to Karl. "When I am with Harry I get sick," she said.

Doctor Draft Legislation Extended For Two Years

WASHINGTON (AP)—A Senate House committee Tuesday agreed on legislation extending the Doctors' Draft Act for two years. It would make doctors and dentists up to age 46 liable to the draft. The age limit now is 50. The conference committee bill also would extend the regular draft of young men 18 to 26 years old for the armed services. Both draft laws will expire June 30 unless extended. A doctors' draft bill has been bottled up in the House Rules Committee for weeks. The compromise bill now goes to the House for consideration Friday, bypassing the rules Committee.

JAPAN'S NEWSMAN DIES

TOKYO (AP)—Eisuke Fukuda, 75, president of Tokyo Shimbun and one of Japan's most colorful newspaper figures, died today of pneumonia.

Rough Water Prevents Search

SALEM (AP)—Rough water on Detroit Lake forced grappers Wednesday to halt their search for two boys who were in an automobile which plunged into the lake. The search, postponed Tuesday noon when strong winds made the water choppy, was resumed at 6:30 a. m. Wednesday. But the winds came up again three hours later, causing a further postponement. Two other bodies were recovered Tuesday morning. State police headquarters said the grappers were hunting for the bodies, rather than trying to bring the car up from its resting place 175 feet below the surface. If the other two bodies can't be brought up, a tug, which is standing by, will try to pull the car into shallower water. The bodies are those of Richard Jennings, 14, and John Wallace, 17. Those recovered Tuesday were James A. Jennings, 41, and Leo Jennings, 16. Jennings, a highway worker, was the father of two of the boys.

ATTENDING CONVENTION

Kenneth G. Quine of Roseburg is attending an annual Leaders Club Convention this week for the Standard Insurance Co. of Portland. The convention is being held at the Feather River Inn near Blairsville in northern California.

Duke's Helicopter Makes Forced Landing In Field

GLASGOW, Scotland (AP)—The Duke of Edinburgh's helicopter made a forced landing in a field Wednesday and kept Queen Elizabeth II waiting anxiously for 20 minutes. When he finally caught up later with his wife while she was visiting a factory, she was visibly relieved, but pretended impatience. "What in the world happened to you?" she asked. "Unavoidably detained, my dear," the duke explained with a smile.

The duke's helicopter, with an RAF pilot at the controls, dropped out of a misty sky and landed in a football field at Bathgate—30 miles away from where he was supposed to meet the Queen, waiting in the royal train at Uddingston, just outside Glasgow. Visibility over the field was near zero.

Escaped Czech Pleads For Union With Daughter

SAN FRANCISCO (AP)—A department store sales clerk ho fled Europe in 1948 pleaded ardently by mail with Czechoslovakia's foreign minister for a permit to let his motherless little daughter join him in the United States.

Philipp Heller, 39, of Sacramento, came to San Francisco in hope of winning diplomatic backing from United Nations bigwigs to fulfill his great wish. He found people sympathetic, but "awfully busy" with U.N. conferences and festivities.

Graham Carries Revival Crusade To Servicemen

WIESBADEN, Germany (AP)—Evangelist Billy Graham carried his revival crusade to two large gatherings of American servicemen in Germany Wednesday.

He preached first in Wiesbaden to nearly 8,000 airmen and their families assembled on the parade grounds at European headquarters of the U. S. Air Force. Afterward, he headed by car for Kaiserslautern for an appearance at the U. S. Army's biggest troop center in Germany.

At both Wiesbaden and Kaiserslautern, the military provided special buses to aid servicemen and families to attend the meetings. Graham opened his tour of Germany in Frankfurt Tuesday night before 30,000 Germans in the Frankfurt football stadium. During the next week, he will appear in Mannheim, Stuttgart, Nuernberg and Dortmund before departing for the Netherlands.

At Frankfurt, an estimated 1,500 persons—including some American servicemen—answered Graham's call for "decisions for Christ." The arena, 3d graf 1a9

Natural Gas Well Capped To End Explosion Fear

RENOVO, Pa. (AP)—One of the nation's largest natural gas wells capped late Tuesday, ending the fear of death and destruction that hovered over this area since the well exploded last week. The "wild one" was quieted by Paul Red's Adair, oil and gas well troubleshooter from Houston, Tex., and a nerveless team of 15 others who knew one accidental move might be their last.
