

Another Permit Granted For Portland TV Station

WASHINGTON (AP)—The Communications Commission Wednesday authorized North Pacific Television Inc., to operate a new channel 8 television station at Portland.

The commission denied competing applications by Westinghouse Radio Stations Inc., and Portland Television Inc.

The award to North Pacific carried out recommendations submitted in June, 1954, by a hearing examiner. He had ruled a fourth applicant, Cascade Television Co., out of the proceeding for failure

to complete presentation of its case. North Pacific Television is 60 per cent owned by King Broadcasting Co., which operates radio and TV stations in Seattle.

Wholesale Food Costs Decline During Week

NEW YORK (AP)—Wholesale food costs declined again this week, according to the Dun & Bradstreet index.

At \$6.42, the agency's latest index of wholesale food prices compared with \$6.49 the previous week and \$7.30 in the same week last year, representing a dip of 12 per cent from year-ago levels.

The index represents the total wholesale cost of one pound each of 31 basic food items.

Higher this week were flour, corn, peanuts, eggs and steers.

CAT EATS WATERMELON

Bimbo, pet cat of Mrs. Donald O. Nesheim, 604 W. Lane St., has taken to a human way of beating the hot weather.

Monday, Mrs. Nesheim related that she wondered what the cat would do if she fed it watermelon.

Bimbo licked it up like a veteran and shows indications now of having taken a particular fancy to the summertime dish.
