

At CARTER'S The Lowest Prices Ever!

Here's where General Electric Appliances are made. The tremendously increased output of this new factory is the reason for our huge price reductions.

Carter Tire Company is proud to announce these new low prices on world-famous GE Appliances. Acceptance of the G-E brand has been so overwhelming that their factory is setting new production records every week. When production goes up . . . prices come down. We pass the savings on to you . . . our customers . . . in these new low prices.
