

BUSINESS PEAK HIGH
SEATTLE (AP)—Business activity in the Pacific Northwest has reached a new peak, Pacific Northwest Business said Wednesday.

The magazine, a publication of the University of Washington's College of Business Administration, said its seasonally adjusted business index reached a new high in May with employment in Washington, Oregon and Idaho above last year's levels.

Family Leaves For Vacation

By ADDIE SCHNEIDER

Mr. and Mrs. U. P. McLaughlin and Mr. and Mrs. Henry Hebard, Garden Valley, left Thursday with their house trailers on a fishing trip to eastern Oregon.

They visited Paulina Lake and East Lake and the Newberry Crater area. The McLaughlins returned Monday and the Hebards were gone a week.

Roads Oiled
The Cleveland Rapids Road and the Lower Garden Valley Road have been freshly oiled by a county crew.

Mr. and Mrs. Don Young entertained her parents, Mr. and Mrs. Farenbaugh, and sister, Mary Lynn, of Roseburg at dinner Wednesday evening. Mary Lynn left Thursday for La Jolla, Calif., to visit relatives.

Mrs. Claire Spray returned Tuesday from Chehalis, Wash., where she had been visiting her son-in-law and daughter, Mr. and Mrs. Howard Breen, and children.

The Garden Valley community potluck is to be held Saturday at the clubhouse with dinner served at 7 p.m.

A special meeting of the Garden Valley Women's Club will be held July 14 at 2 p.m.

Returns Home
Frank Denton returned home Monday from Mercy Hospital where he had been hospitalized. Frank is much improved but unable to work.

Mr. and Mrs. Robert Rigg and three children of Prineville were recent visitors at the Sig Madison home. Mrs. Rigg is a sister of Mrs. Madison.

Jim Basson narrowly escaped serious injury when he fell asleep while driving home from work late at night recently. The car went into the ditch and received minor damage.

Mr. and Mrs. Haden Tucker of Klamath Falls called on Mrs. W. D. Hess Sunday afternoon. Mr. Haden works for the Production Credit Association and is a cousin of Mrs. Hess.

TO ELIMINATE HAIL

CONDON, Ore. (AP)—The Weather Modification Co. has been hired by the Tri-County Weather Research, Inc., an organization of North Central Oregon wheat growers, to try to eliminate hail storms.

The program, which calls for seeding the atmosphere with silver iodide and dry ice, will be paid for by the Grass Valley Grain Growers Co-operative in Southern Sherman County and interested farmers in Southern Gilliam County.

PROOF POSITIVE

OWENSBORO, Ky. (AP)—Police Lt. Owen Brady had proof that the absent owner of a parked car had slugged the meter. He waited for the owner to return, then gave him a citation.

The proof? The meter's coin box didn't have a cent—nothing but four slugs.

CASH COMES BACK

CHICAGO (AP)—A man walked into a bakery shop to get a dozen rolls and walked out with a roll of bills.

Mrs. Frida Schacter, 70, said she put the sack of rolls on the counter, took his rolls and departed as the man dropped change to pay for them. After he had gone she discovered that the man had left the rolls and had taken an identical sack containing \$800 in cash.

Before police squads arrived, the man returned to the shop, left the bag with the money on the counter, took his rolls and departed. No one learned his name.

"What an honest man," Mrs. Schacter sighed.

It's the all purpose 4-wheel drive truck!

Here's a rugged, all-purpose truck designed not only for highway travel, but with the extra insurance of 4-wheel drive for difficult terrain or weather—the 'Jeep' Truck!

It shifts easily from 2-wheel drive for highway or street into 4-wheel drive when extra traction is needed to carry its payload of over a ton through mud, sand, snow or soft earth where ordinary trucks can't go. Equipped with power take-off, it supplies mobile power for many types of machinery for business or farm. The 'Jeep' Truck is now available with power brakes.
