'Babe' Not Licked, Leaves Bed To Show She Can Walk

GALVESTON, Tex. (AP) — Babe Didrikson Zaharias cautiously got out of a hospital bed to show that she wasn't licked yet — and was determined to win her second battle with cancer.

The world's greatest woman athlete said, "get my shoes," when her husband encouragingly told her: "Show us how you can walk. They hear all this talk about your being sick and may think you can't walk."

"Weeping Greek" of wrestling fame, beamed happily as the Babe cautiously left her bed and walked around the room.

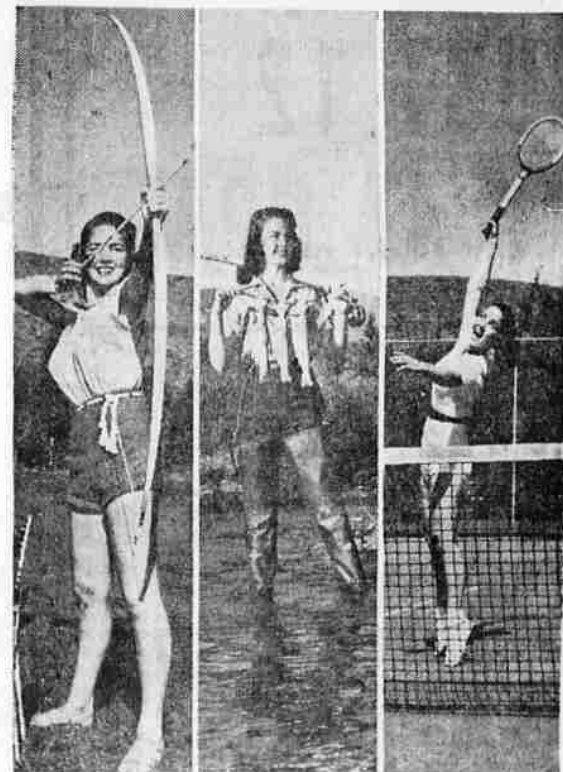

The Babe was making plans to return to competitive golf next season when Zaharias and a visit to her John Sealy Hospital room.

"I finished a nap a few minutes ago and have been thinking about my 36 clubs and clothes and how pretty they are going to look," she said.

"I'm feeling much better."

"It's my right foot that bothers me," she explained, "but it is much better after the treatments."

Salmon Outlook Better On Coast

PORTLAND (AP) — Salmon fishing is improving along the coast, but things generally are slower with trout—except in the high lakes, the State Game Commission said Thursday in its weekly fishing report.

The report by areas:

Northwest — Salmon beginning to enter the Columbia River. Fishing is fair to good in tidewater of the Alsea, Siletz and Siuslaw rivers for sea-run cutthroat. It is good to excellent in the upper portions of streams for planted trout.

Southwest — Salmon angling good at Winchester Bay. Sea-run cutthroat are being taken on spinners and worms in the lower Umpqua and Smith rivers. At Charleston salmon angling has been good in the early morning. Trout fishing in the upper Rogue and north fork remain good. Trout fishing has fallen off throughout the upper Umpqua area.

Central — Fishing generally slow, but nice catches of trout being made at high lakes in the Mink Lake basin, Taylor Burn area, Irish, Taylor lakes, and Waldo Lake area.

Northeast — Excellent catches of brook trout reported from high lakes of the Willows. Excellent rainbow catches being made in the Minam and Imnaha rivers. High lakes in the Elkhorns also good.

Southeast — Most streams in Lake County are low and warm,

angling generally poor. Campbell and Deadhorse lakes have fair results.

Seattle manager Fred Hutchinson tried Bob Fesler, softball pitching ace, against eighth-place San Francisco in both ends of a Pacific Coast League doubleheader Wednesday night and the guinea pig Seals won both games, 5-3 and 13-5.

Fesler, who has scored some 55 softball shutouts with his whirling windmill delivery, quickly learned that things were different in regulation ball.

The Seals rolled five runs across in the opening game's first inning on two hits, five walks, two wild pitches and a balk. John Oldham, throwing in orthodox style, shut out the Seals the rest of the way.

Four Men Walked

Hutchinson again tried the Fesler experiment in the final two

innings of the second game, when Seattle was trailing 9-5. Fesler again had control trouble, walking four, throwing two wild pitches and hitting one batter.

Wayne Belardi drove one of Fesler's pitches for a two-run homer in the second game. In three innings in both games Fesler yielded nine runs.

While the first-place Rainiers lost two games in pitching experimentation, the Hollywood Stars scored a business-like 10-3 victory over Portland and closed to two games back of Seattle.

Hollies Ahead In Series

Lee Walls hit a pair of two-run homers and Bob Garber scattered nine Beaver hits. The win was Hollywood's third against one loss in the series.

At Oakland, Cal McLish pitched a seven-inning one-hitter as San Diego won the first game, 3-0. Oakland's Fred Besana countered with a two-hit shutout of the Padres in the second game, which the A's won, 5-0.

Piper Davis' two-run homer in the 11th gave Los Angeles a 4-3 first game win over Sacramento and Johnny Briggs pitched the Solons to a 7-2 second game victory.
