President Rhee Assails American Policy In Asia

SEOUL (AP)—Demands for Communist Korea inspectors to get out of Korea continued today but demonstrations quelled as Koreans celebrated the 10th anniversary of their liberation from Japan.

President Syngman Rhee Monday opened with celebrations with a speech attacking American policy in Asia and restating his determination to remove the Neutral Nations Supervisory Commission from Korea. Koreans claim the Communist Czech and Polish members of the NSNC's truce inspection teams are spies.

Addressing 10,000 people in Seoul President Eisenhower had enunciated a new U.S. policy at Geneva—now advocating a new "peace of mutual forbearance."

Rhee urged the free world to abandon any drift toward this or any other "status quo" policy and instead "roll back the Iron Curtain from the areas it has illegally engulfed."

"The real problem," he said, "is not how to achieve peace but how to deal effectively with Communist aggression."

Demonstrators in Seoul Monday paraded past the U. S. Embassy and the residence of Ambassador William S. B. Lacy. Among them were Buddhist monks and nuns who waved their fists and yelled the standard slogan—"Communist and Polish Spies Leave Korea."

School Opening Dates Set Back For Harvests

Yoncalla union and grade districts and Scotts Valley have all voted to push back the opening date of school to Sept. 14, reports correspondent Mrs. George Edes.

In a joint meeting Friday, the decision was made to delay the opening of school in the districts to enable youngsters picking beans to help finish the harvest. The decision was made jointly because the three districts use the same school buses.

Drain's union high and grade school district earlier had set the opening date at Sept. 14. In other action, the three boards Friday hired the following new bus drivers: Percy Applegate for the Hayhurst Valley bus, Claude Daugherty for the Red Hill bus, Grant Edgar Brown for the Rice Valley bus, Ed W. Doerfler for the Scotts Valley bus and Mrs. Marion Bowman for the Elkhead bus.

The two men were to be arraigned in district court at Roseburg today, according to correspondent Mrs. Robert Nichols.

Parade At Sutherlin Fete Viewed By 10,000

(Continued from Page One)

Days Grounds on State Street started at 1:30 p.m. Featured attractions then were the kiddie contests (a variety of races: sack, foot, three-legged, for various age groups), a pie eating marathon, and a lively chase for a greased pig.

A truck rodeo in which six Douglas County men demonstrated their versatility in driving and backing a logging truck and trailer through a barrel obstacle course, preceded the power saw contest eliminations.

Best Pie Eater

Champion pie eater was Edward Coe, Sutherlin, son of Mr. and Mrs. William Coe. Edward, 9, was first to eat his berry pie and then whistled. Following the contest which delighted several hundred spectators, he pronounced the pie "real good" and said he felt the same way.

The greased pig race ended successfully for Glen Dodson, Sutherlin. He is the 13-year-old son of Mr. and Mrs. L. E. Dodson. The little porker led a host of boys and at least four girls a lively chase through a field adjoining the grounds, but was little match for their gymnastics.

Skilled horsemanship was evidenced in a variety of games featuring three Douglas County riding groups which followed. A pole bending contest was won by the Douglas County Mounted Sheriff's posse in the quick time of 1:47 minutes. Sutherlin's Timberline Trail Riders were second with 1:56 members of the Myrtle Creek Saddle Club were third at 1:64.

In an individual scurry race, Stan Spencer of the DCMSF was winner at 10 seconds; Jennie Shelton, Myrtle Creek, second at 13 seconds; and Norma F. I. D. Sutherlin, third at 14 seconds. A competitive baton race among the groups saw the Roseburg group taking first in 44 seconds; Myrtle Creek second in 49 seconds; and Sutherlin third in 64 seconds.

Double Honors Taken. Spectators cheered as Harmon (Blackie) Page, Sutherlin, copped top honors in the truck rodeo. Page drove his truck-trailer combination through the obstacle course, then backed the vehicle to the starting point, through the course, in the fast time of 1:33.6. John Tilley nabbed second position at 1:35.5. Third place winner was a Kirby Williams with 1:49.1. They won prizes of \$75, \$50 and \$25. All three winners were Sutherlin residents.

Power saw contest eliminations ended the long day of events. Men and women by the hundreds stayed to watch some of the best loggers in the country vie for a chance to compete in Sunday's finals.

There were six entries in saws under 4 horsepower. Winners were: B. E. Polley, Glide, 1:05.2; Tommy Weathers, Camas Valley, 1:07.3; and Billie Joe Polley, Roseburg, 1:29.8.

Eighteen husky woodsmen entered eliminations for saws of 4 horsepower and over. The Timber Days grounds sounded more like a Gold Cup event as the contestants tried their saws and got them in working condition.

Winners in the big saw eliminations were: Pokey Allen, 1:04.7; and Billie Joe Polley and Weathers, who tied for second place with 1:07.9.

like it was almost a foot long, I didn't argue with him." Officer Robert Bichsel was also seized and he and Johnson locked in a cell together.

Other inmates took more hostages. Hundreds of convicts were in the corridors going to or from the dining hall and about 150 were in the room itself.

Delmore said hostages not locked in cells were taken to the stewards' office above the dining room. Tear Gas Balks Plan.

An attempt to free the 15 returnees from Yakima fizzled when tear gas dispersed the would-be liberators and they were cornered with their hostages in the stewards' room.

The warden said the prison alert was sounded and riot procedures put into effect immediately. The walls and each cellhouse were secured, and the dining area cleared.

Delmore then put in a telephone call to his stronghold. "You will be held answerable for the safety of the hostages," he told them, "and there is no chance of your succeeding. Release the guards and return to your cells."

Sutherlin Timber Fete Draws Record Attendance

er spikes dug out a chunk of bark and one leg slipped a little. Timber Days officials did a good job of controlling the crowd until the final event.

Log Rolling Wat Afair

All contestants and a few spectators got splashed in the final event of the day—log rolling. As the big crowd pushed to the edge of a man-made pond, four men vied for room to compete and \$75, \$50 and \$25 in prizes. Next year, officials plan to rope off the pond.

Art Dorsey of Springfield ended up with a dry \$75 by spinning out Ronald Hicks of Winchester, but Dorsey too got drenched in the final free-for-all, taken by third-place winner Jim Jackson of Sutherlin. Then Jackson took another bath in order to get back to the bank from the log.

A young Camas Valley woman, Mrs. Wesley Smith, topped a special attraction for lady loggers when she pushed a log through a 30-inch log in 52.6 seconds.

Her time in beating Polly Williams of Sutherlin and Mrs. Pokey Allen of Tenmile was a second faster than that of the men's champ. But, the ladies started on top of the log and buzzed through to the bottom. The men had to cut through the heart of the log, down to the bottom, then through the log also made dead-engine starts.

Youngster Shows Axe Skill. A youngster from Williams, Ore., near Grants Pass, took high money in a feature new to the celebration, that of axe throwing. Milton Mayfield, standing 21 feet from a target painted on the end of a log, plunked one bulleye and two hits near the bulleye in his three throws.

No other contestant came within an axe-handle of beating him, including his father, Don Mayfield. The father did, however, make the best time in hand bucking, in a throw-off for second, Dorsey beat Pokey Allen.

Allen won the power saw bucking in the over-4-ho class. Tommy Weathers of Camas Valley, who totaled \$115 in prize money, won the under-4 class on a 30-inch log.

Results, with prize money and times (where applicable) were as follows: CHOPPING — B. E. Polley, \$30, 52 seconds; Pokey Allen, \$25, 54 seconds; Don Mayfield, \$15, 58 seconds.

HAND BUCKING — Don Mayfield, \$50, 3:11.6; Allen, \$25, 3:29.6; Tommy Weathers, \$15, 3:45.2.

POWER SAW BUCKING (4 ho or under) — Weathers, \$75, 53.6; B. E. Polley, \$50, 59; Billie Joe Polley (his brother), \$25, 1:08.1; Cox (over 4 ho) — Allen, \$75, 1:07.4; B. E. Polley, \$50; 1:17.6; Weathers, \$25, 1:18.2.

LADY POWER SAW BUCKING — Mrs. Wesley Smith, \$50, 52.6; Polly Williams, \$25, 54.8; Mrs. Pokey Allen \$15, 56.6.

SPEED CLIMBING — Sailor, \$100, 39; Dunlap, \$75, 45.4; Third prize, \$50, 51.

Sec. McKay Talks To Indian Tribes

GALLUP, N.M. (AP)—Thousands of tribesmen trailed Howard Monday, measured by Interior Secretary McKay that he had a conscientious eye on their future.

McKay spoke to them Sunday night at the closing performance of the 34th annual inter-tribal Indian ceremonial. He bore down on three problems the tribesmen, themselves, consider fundamental. Those problems are land, health and education. Flanked by leaders of many tribes and supported by Indian Commissioner Glenn Emmons, McKay reviewed briefly what the government has in store for its tribal charges.

He promised the Navajos, the Apaches, the Comanches, Arapahoes, Cheyennes, Yakimas, Seminoles, Kiowas, Fox, Sac and representatives of the many Pueblos in Mexico and Arizona that the government has no intention of liquidating all tribal land.

San Marino Vote Keeps Communists In Power

SAN MARINO (AP)—The 1,600-year-old little republic of San Marino has chosen to remain a Communist state in Western Europe for four more years.

Ninety-seven San Marinese who now live in Detroit, New York and Sandusky, Ohio, failed in their 11th-hour transatlantic attempt to win their countrymen over to Western democracy in Saturday's election.

Instead, the Communists and their Socialist allies won a stunning victory in this 35-mile-square hilltop nation, perched in the Apennines inside Italy's border.

The Reds and Socialists—their political machine entrenched here since 1945 and operating with military precision—literally carried the old, halt and blind to the 13 polling places.

Three young Irishmen were arrested, two of them in a truck loaded with ammunition, a few hours after the raid. Police launched a nationwide hunt for the other men, estimated at from 5 to 20 in number and described as "desperate and dangerous."
