

Investigator Says Red Cells In Government

NEW YORK (AP) — Rep. Francis E. Walter (D-Pa.) says testimony before the House Un-American Activities Committee which he heads has disclosed the existence of Communist cells in government circles.

He said the committee intends

to launch a full-scale probe of Communist infiltration in government in February. Preliminary investigation and examination of witnesses under oath has shown "Communist cells in the United States Senate, the War Labor Board and the National Labor Relations Board," Walter said.

He explained, he meant staff employees of the senate and not senators.

FARMERS

Millions of Nutria pelts are needed by the fur industry, however thousands of breeders are needed first. You can make up to \$15,000 yearly for the next five years raising breeders. Nutria are sturdy disease free animals and extremely suited for this climate. If you have \$950 to invest you can get in on the ground floor of this new fur industry. You must have one half acre of land or more. Please write for complete details to box number 1367 care of this newspaper.

Marilyn Monroe Invited To Soviet Embassy Reception

By TOM WHITNEY

CHICAGO (AP) — The main group of Soviet farm delegates began their last day in the Midwest Tuesday.

Ten of the 12 delegates are scheduled to fly in the afternoon to San Francisco to begin a tour of California.

Two of the Russians, however, plan to remain in the Midwest. They are specialists interested in farm machinery and they expect to visit farm machinery factories.

The head of the Soviet agricultural delegation, Vladimir Matskevich, Monday night declared at a press conference that the Soviet Union definitely wants to buy agricultural equipment.

The Soviet farm delegates Tuesday set out to visit the International Harvester plant here. It was the last item on their Chicago schedule—except for catching their plane at Midway Airport for the West Coast.

At Monday night's press conference, Matskevich announced that movie actress Marilyn Monroe had been invited to attend the Soviet embassy reception next Monday night in Washington which is being given in honor of the Russian delegation.

In New York, Miss Monroe could not be reached for comment on the Soviet invitation.

Just how Marilyn Monroe got into the orbit of the travelling Russian farm bosses is not clear. But their interest in farm machinery was not so obscure.

Matskevich mentioned two particular things which Russia, he says, wants: 1. Diesel tractors with attachments. 2. Machinery for small-scale operations on farms.

Matskevich refused to commit himself on any definite figure of purchases, saying merely that Russia wishes as much "as it can afford" and that determination of any actual sum is outside his own competence.

At Monday night's press conference, Matskevich announced that movie actress Marilyn Monroe had been invited to attend the Soviet embassy reception next Monday night in Washington which is being given in honor of the Russian delegation.

Vancouver Chief's Death Ruled As A Suicide

VANCOUVER, B.C. (AP) — A coroner's jury returned a verdict of "suicide while under great mental strain" after an inquest Tuesday in the death of Harry Whelan, Vancouver police superintendent.

Whelan died of a bullet wound Aug. 5, three hours before he was to have testified before a Royal Commission investigating the Vancouver police force.

Whelan's widow testified he killed himself because of a nervous collapse. The police officer's brother Jack Whelan, said he believed the main reason was that he did not want to name other officers in the police inquiry.
