

Snake Handlers Plan Services With Rattler

PINEVILLE, Ky. (AP) — As a testimonial to their faith, members of a snake-handling cult planned to hold services Sunday with a rattlesnake that fatally bit one of their mountain preachers.

Preacher Oscar Sutton said the killer snake will be handled by a Pentecostal Church congregation at a "big" meeting just across the Kentucky line in Virginia.

The announcement came Tuesday at the funeral near here for Lee Valentine, who died 10 hours after being bitten by the rattler during services Saturday in Ft. Payne, Ala.

Snake handling violates Kentucky and Alabama law. Alabama authorities are investigating the death of Valentine, 52, of Pineville.

An overflow crowd turned out for the last rites on Straight Creek, the community Valentine served for many years. There were eulogies, singing, guitar picking and snake handling.

At this was done a bit more speedily in 1955 than two years ago, congressional statisticians reported Wednesday as they prepared the final figures on the session just past.

Congress this year of course was under Democratic control, while in 1953 the Republicans held the reins. So there's bound to be an argument over who did the better job—and how it would have been were the other side in power.

Scientists Tell Method To Make Uranium Metal

WASHINGTON (AP) — Statistically speaking, Congress turned out a lot more work this year than it did two years ago.

The first session of the 84th Congress enacted 390 new public laws 35 per cent more than the first session of the 83rd Congress. And it confirmed 39,897 of President Eisenhower's nominations compared with 25,420 in 1953, although the percentage of approvals was slightly smaller.

All this was done a bit more speedily in 1955 than two years ago, congressional statisticians reported Wednesday as they prepared the final figures on the session just past.

Congress this year of course was under Democratic control, while in 1953 the Republicans held the reins. So there's bound to be an argument over who did the better job—and how it would have been were the other side in power.

CALLS BIDS FOR BRIDGE

PORTLAND (AP) — Multnomah County Commissioners here have authorized advertisement for bids for preliminary construction on the proposed 12 million dollar Morrison Street Bridge here.

The bids will be for construction of four piers.

The bridge, to span the Willamette River, is to be completed in 1957.

Senators Making Foreign Tours During Vacation

WASHINGTON (AP) — At least 37 senators, more than one-third of the body's membership, are planning official or private trips to foreign countries while Congress is in adjournment.

Most of the senators are traveling on official business using congressional funds, although in some cases counterpart funds generated by foreign aid finance meet part of the costs.

But a number of lawmakers are simply making vacation or private business tours, using their own money.

Seven senators have taken part in the Geneva atomic meeting. They include four from the Atomic Energy Committee—Anderson (D-NM), chairman, and Hickenlooper (R-Iowa), Pastore (D-RI) and Ricker (R-Ohio).

The Helsinki session of the Interparliamentary Union next week will attract numerous senators including Robertson (D-Va.), Sparkman (D-Ala.), Wiley (R-Wis.), Flanders (R-Vt.), Kefauver (D-Tenn.), Partell (R-Conn) and probably Sen. Hennings (D-Mo.).

Russia, which apparently has not yet visited this year, is being visited by Sen. Young (R-ND), Dvorshak (R-Isho), Flanders (D-La.) Malone (R-Nev), Kefauver, Sparkman, Partell and possibly Sen. Mundt (D-SD).

Sen. Jackson (D-Wash) now is in Alaska, and Sen. Duff (R-Pa) expects to go there later for an inspection of air force bases.
