

French Call 60,000 Reserves To Colors

(Continued from Page One)

coalition government because he agreed to confer with Moroccan nationalist leaders. Opinion seemed to be growing stronger that the feeble, unpopular Sultan Mohammed Ben Moulay Arafat, chief target of the Moroccan nationalists, would have to be replaced by a regency council. Ben Moulay Arafat was picked when France deposed pro-nationalist Sultan Mohammed Ben Youssef two years ago.

Across the Mediterranean, thousands of French troops — among them tough Foreign Legion veterans, Senegalese troops from West Africa, Marines and paratrooper commandos — pushed an offensive in the Atlas Mountains against the 4,000 Smaala tribesmen who massacred 80 Frenchmen at Oued Zem Saturday.

Fresh rebel attacks and continued French cleanup operations in Algeria brought new deaths there Tuesday also. Nineteen rebels were killed when they tried to enter Gastonville, a town of 8,000 between Constantine and Philippeville. Another dozen deaths were reported in isolated clashes in the countryside.

Estimates of the weekend death toll in Morocco and Algeria rose to 2,000. Official reports early today from Algiers put the number of rebels killed in Algeria at 1,900 and said another 1,500 were taken prisoner.

Wood Waste Venture Announced By Pacific

(Continued from Page One)

ment of the new product in June of 1953. The new industry has already been incorporated under the name of Paqua Inc. The expansion itself had been contemplated for some time, but final analyses of markets and production methods have just been completed.

Forrest estimated the new industry would add approximately 40 workers to the payroll at Pacific. The new building will be 86 by 240 feet.

The company started its plywood operation at Dillard in August of 1951. It now produces some six million board feet of plywood a month and employs more than 200 people.

The company took note of the use of waste material when it began manufacturing low-grade plywood stock from knots and unaccepting lumber for packing cases. The stock could not be used for high-grade plywood, so a very successful use for it was found for the packing cases.

Joe Brumbach Family Chosen For Fair Honors

(Continued from Page One)

continues. Last winter three boys lived with him and his wife while attending Roseburg High School.

Mrs. Brumbach is nearly as active as her husband. She is baking department superintendent at the county fair. This summer she was selected by Oregon Gov. Paul Patterson to attend President Eisenhower's Little White House Convention on Education, but was unable to attend. She is a former school teacher.

Currently she teaches in the Pine Grove Sunday School. She is a PTA member.

Throughout his farm career, Joe Brumbach has continued to make improvements on his farm. He considers the planting of 20 acres of lotus and addition of roofs to two barns as the most important in 1955.

Future plans include reseeded land to grass for better pasture, and improved irrigation methods. Brumbach and his wife will be honored Saturday at the Douglas County Fair. They'll receive a handsome engraved plaque and, a few weeks later, an expense-paid trip to the Oregon State Fair.

The following classes of flowers will be judged at the Douglas County Fair, according to Mrs. J. Bielmann, Sutherlin, department superintendent.

Class 1 — annuals; class 2 — biennials and perennials; class 3 — roses; class 4 — dahlias class 4A — corms, tubers and other bulbous plants; class 5 — potted plants (two plants per exhibitor); class 6 — miscellaneous.

There will be cash and ribbon awards in the classes. Also judged will be artistic arrangements and garden club entries. Theme for garden clubs is "Disney Land."

Accident Will Keep Boy From Seeing County Fair

A staunch county fair supporter won't make it to the event this year.

Eight year-old John Allenby, son of Mr. and Mrs. Bert Allenby, Idleyville Route, was killed by a horse Tuesday evening. He suffered a broken left knee.

Attendees at Mercy Hospital said the boy was in good condition Wednesday. They said his only regret was "missing the fair."

MEETING SLATED A meeting for clinic directors of the House of Stuart definitely interested in a Douglas County Fair booth are asked to meet at the booth Thursday at 10 a. m., according to Vivian Borgaese. She requested that lunches be brought.

Ambassador Felt He Was Getting Special Treatment

MEXICO CITY (AP) — The India's ambassador to the United States and Mexico said Tuesday he thought he and his secretary were experiencing special treatment for important visitors, not racial discrimination.

He was an employee of the Joelson Lumber Co. before his retirement in April of this year. He was married to Flora McLean at Seattle, Wash., March 3, 1917. He was a member of Tacoma Aerie No. 3, Fraternal Order of Eagles, and was a member of Lumber & Sawmill Workers Local 2949, AFL.

Surviving are his wife, Flora Roseburg; a sister, Mrs. Sylvia Olsen of Olympia, Wash.; a brother, Ray E. Morris of Tacoma; a niece and a nephew, both in Washington.

Funeral services are scheduled for Tuesday afternoon at 2 p. m. at the funeral home. Following services here, his body will be forwarded to Tacoma for concluding services and interment at Eagles Memorial Park at Mountainview, Wash.

The family requests that in lieu of flowers, donations be made to the heart fund.

Graveside Service Scheduled Saturday

Graveside funeral services for Frances Houglund 88, are scheduled Saturday at the Eden Lutheran Cemetery at Elgarose.

She was born Nov. 18, 1866, in Sweden.

The Rev. Lester G. Olson of the Faith Lutheran Church and Eden Lutheran Church will officiate at the services.

She has no known relatives. She has been a resident of Elgarose for a number of years. Roseburg Funeral Home is in charge of funeral arrangements.

Thornton Asks Court Permission To See Records

SALEM (AP) — Atty. Gen. Robert Y. Thornton Tuesday petitioned the Marion County Circuit Court for an order that would allow him to inspect all evidence collected in the recent investigation of the Oregon Liquor Control Commission.

In his second motion in that direction and was an amended complaint. The first complaint was turned down by Judge George R. Duncan who gave Thornton 10 days to amend it and file again.

Thornton's latest effort says that Portland attorneys Howard Bobbitt and Robert Maguire who made the investigation at the governor's request, were special agents of the liquor commission and thus came under the attorney general's office.

Thornton's earlier efforts to see the evidence they uncovered, including original depositions, led to his charge that the governor was improperly withholding evidence of bribe solicitations. The governor denied this. A Multnomah County Grand Jury has been called to investigate the matter.

Fingerprinting Law Change Seen

WASHINGTON (AP) — The administration has decided to ask Congress to change a law which requires fingerprinting of all non-official visitors to the United States.

The move is shaping up as part of a White House-backed plan to wipe out barriers which might block a broad cultural exchange with Russia and other countries.

Russia and some other nations have bitterly objected in the past to the fingerprinting required for issuance of an American visa.

The Soviets canceled a proposed visit by a group of student editors last spring rather than allow them to be fingerprinted. A similar complication which for a time threatened to halt the just-concluded visit of Russian farm leaders to this country was avoided by designating the group as an official delegation.

Jap Physician Challenges Cause Of Victim's Death

TOKYO (AP) — The chief physician in charge of Japan's 23 Bikini hydrogen bomb victims today challenged a U.S. Defense Department statement that jaundice from blood transfusions caused the death last October of fisherman Aikichi Kuboyama.

He reaffirmed his belief that death resulted from radiation sickness.

Dr. Kazuo Kiyoshi, a medical professor at Tokyo University, conducted the autopsy on Kuboyama in the presence of U.S. specialists. He said all agreed that Kuboyama's liver and bone marrow contained radioactive elements, ended to halt the just-concluded visit of Russian farm leaders to this country was avoided by designating the group as an official delegation.

DRIVER JAILED Enoch Alfred Clayborn, 45, Reedsport, has been lodged in the county jail to serve a 30-day sentence imposed by Reedsport Judge I. G. Johnson for drunk driving. Clayborn was arrested Monday by a deputy sheriff.

Lewis Morris Dies Suddenly Of Heart Attack

Lewis Morris of 720 Ivan St., Roseburg, was working in his garden Tuesday afternoon when he died of a heart attack.

Coroner L. L. Powers set death at about 4:15 p. m.

He was born March 3, 1880, at Centerville, Iowa, and moved to Washington in 1902. He had made his home at Tacoma and Monroe, Wash., before moving to Roseburg. He was an employee of the Joelson Lumber Co. before his retirement in April of this year.

He was married to Flora McLean at Seattle, Wash., March 3, 1917. He was a member of Tacoma Aerie No. 3, Fraternal Order of Eagles, and was a member of Lumber & Sawmill Workers Local 2949, AFL.

Surviving are his wife, Flora Roseburg; a sister, Mrs. Sylvia Olsen of Olympia, Wash.; a brother, Ray E. Morris of Tacoma; a niece and a nephew, both in Washington.

Funeral services are scheduled for Tuesday afternoon at 2 p. m. at the funeral home. Following services here, his body will be forwarded to Tacoma for concluding services and interment at Eagles Memorial Park at Mountainview, Wash.

The family requests that in lieu of flowers, donations be made to the heart fund.

Air Force Jet Bombers Competing For Honors

RIVERSIDE, Calif. (AP) — Vapor trails from B47 Stratofortress crisscrossed over March Air Force base Wednesday as the cream of the Air Force's bomber crews competed for top Strategic Air Command honors.

The six-jet medium bombers are participating in the seventh annual SAC bombing and navigation competition held jointly here and at Fairchild AFB near Spokane, Wash.

Eighty-one crews representing the nation's 24 B47 and 10 B36 wings are entered. The B47's are based here and the B36's at Fairchild AFB.

During the six-day competition for the Muir Fairchild Trophy, each crew flies three 3,000 mile strikes. The trophy, symbolic of bombing excellence, is currently held by the 11th Bomb Wing of Carswell AFB, Tex.

No bombs will be dropped but the planes will make radar-computed runs on three targets.

The E. M. Jorgensen Steel Co. plant in Los Angeles; the Campbell Soup Co. plant in Sacramento, Calif.; and the Centennial Flouring Mill in Spokane.

Sutherlin Council Approves 2-City Garbage Proposal

The Sutherlin City Council this week acted on a recommendation from the Oakland City Council that Sutherlin Truck Service be awarded franchises for disposal of garbage from the two cities.

The Sutherlin Council approved the first reading of its franchise ordinance. Under the plan, Sutherlin Truck Service would pay 7 per cent to Oakland for garbage collected there, and 4 per cent to Oakland for use of its dump. Each would be handled under separate franchises. Nine bids were considered.

In a special Sutherlin council session prior to the joint meeting of Sutherlin-Oakland councilmen, the body supported the planning commission's recommendation in refusing to allow a beauty salon in a residential area, according to City Manager Hugh McKinley.

The council also approved a recommendation of the commission that a small area south of Sunset Lane in west Sutherlin be zoned for industrial to residential subdivision.

Sudan Dispute In Crisis Stage

CAIRO, Egypt (British Gov. Gen. Sir Alexander Knox) Helm hurried back to the Sudan Wednesday to strengthen government efforts to force the surrender of 200 army mutineers holding out in a southern province of the Upper Nile territory.

Before leaving for Khartoum, the governor general planned to confer with Premier Gamal Abdel Nasser and Maj. Salah Salem, Egyptian minister of Sudanese affairs.

Earlier this week Britain rejected an Egyptian proposal that the two nations send a joint military force to quell the mutiny. The British said the Sudanese were coping adequately with the rebellion.

Michael Remer Dies Tuesday

Michael Walter Remer, 62, died at his home at 329 W. Mosher St. Tuesday night.

He was born May 15, 1893, at Omaha, Neb. He had been a resident of Roseburg for the last 12 years. He was a night cashier at Carl's Fine Foods cafe here.

Surviving are his wife, Myrtle of Monrovia, Calif.; a son, Robert, of Sioux City, Iowa; and two daughters, Mrs. Donna Hughes of San Diego, Calif., and Mrs. Irene Bogle of Dewarty, Calif.

School To Start At Camas Valley On September 1

School will start Sept. 1 at 8:45 a. m. at Camas Valley, according to district Supt. Clyde Akey.

Students will be dismissed at 1:40 p. m. on the opening day, and buses will make their runs at 1:45 p. m., the superintendent said. Due to movement of people in and out of the district, it may be necessary to reroute the buses, Akey said, but for the first two days, the buses will follow last year's routes.

School lunches will not be served the first two days, but will commence on Tuesday, Sept. 6, and be carried on the same as last year.

Registration for all new elementary students and all high school students, whether new or not, will be Tuesday, Aug. 30, from 1 to 4 p. m. and Wednesday, Aug. 31, from 9 a. m. to noon.

At the last scheduled board meeting of the district, Robert P. Wheeler was elected school clerk, filling the vacancy left by the resignation of Mrs. Brunette Wilson. Mrs. Wilson is moving to the Winston area, Akey said.

Air Force Pilot Breaks World's Flight Record

WASHINGTON (AP) — An Air Force pilot is reported to have set the first official world speed record for an airplane flying faster than sound.

An Aviation Daily, said Wednesday it had learned a North American F100C piloted by Col. Horace A. Hanes had set the mark last Saturday in his third attempt.

The exact speed will have to await official verification, but it is reported to have been just over the 800 miles an hour mark, the Daily said.

Hanes, 39-year-old native of Fayette, Ill., has been flying the Super Sabre over a straightaway course near Palmdale, Calif., in a series of trial runs judged with new measuring equipment. He is based at the Alford Field Flight Test Center at Edwards Air Force Base, Calif.

The new mark, if achieved, will be announced at the National Aircraft Show in Philadelphia Sept. 5 as the Thompson Trophy award. The plane also will fly down at the Philadelphia air show.

Six Children Victims Of Tenement House Fire

CLEVELAND (AP) — Six children ranging in age from 9 weeks to 5 years perished Wednesday in a tenement house fire in the crowded east side Negro district.

Police identified the victims as William Murphy Jr., 6; Veronica Murphy, 5; Larry Murphy, 4; Ronald Cottrell, 2; Lever Grove 1; and Alford Grove, 9 weeks old.

The Cottrell boy, a cousin of the Murphy children, was visiting them.

Mrs. Ruby Murphy, 22, mother of three of the victims, said she was upstairs putting clothes on the Grove baby and "started downstairs when a blaze hit me right in the face."

"My little boy, Larry, who was in the bedroom, started running toward me and there was a big burst of flame and smoke," she continued. "The next thing I knew I was out on the front porch."

Fireman Eugene Geiton said he put a ladder up to the porch roof of the two-story brick-veneer house and "could see the kids all on a bed in the front bedroom which was full of flames."

"I knew they were gone," Geiton said. "They put the hose on me and I went in and picked up the bodies."

Cause of the fire was not known.

Egypt Is Withdrawing From Talks With Israel

CAIRO, Egypt (AP) — Premier Gamal Abdel Nasser announced Wednesday that Egypt is withdrawing from its talks with Israel on the Gaza border tension because of the shooting incident Monday in which three Egyptian soldiers were reported killed and eight wounded.

Nasser told newsmen he had informed Maj. Gen. Edson L. M. Burns, U. N. Palestine truce supervisor, of Egypt's decision at a conference Tuesday morning and also had sent a notification to U. N. Secretary General Dag Hammarskjold.

Informed Egyptian sources had said earlier that Nasser was demanding guarantees against Israeli attacks as a condition of resuming negotiations with Israel to reduce tension along the Gaza strip.

Sen. Morse En Route To Home In Oregon

WASHINGTON (AP) — Sen. Morse (D-Ore) was en route home Wednesday with a stop-off scheduled at Milwaukee, Wis.

He will speak there Wednesday night before the International Woodworkers of America.

He is to arrive in Portland Thursday and has scheduled several speeches in the area before going to Los Angeles for a Labor Day address before the Los Angeles CIO Council.

Sec. McKay Denies 'False Statements' of Opponents

Bonneville Power Administration was being dismantled. This isn't so, he declared.

Since he has been secretary, Bonneville has collected more than seven million dollars in net revenue, has integrated a total of 1,200,000 kilowatts of federally produced power into the system and has built 1,000 miles of transmission lines and 34 new substations, he said.

Answering what he said were reports in some quarters that the department intended to "give away" several waterfowl and big game refuges, McKay said:

"These refuges, as well as national parks and forests, are an irreplaceable national asset. I feel strongly that these resources of which the federal government is the guardian on behalf of all the people, should and must be preserved."

He said the department was establishing new refuges and that Oregon's additions include some 3,000 acres on the north fork of the John Day River and plans for extending the Upper Klamath Basin game refuge in Klamath County.

He said the department also was expanding national parks: "The National Park Service has adopted a program of long-range planning for the parks with which I am in hearty accord."

He also praised the administration's so-called "tidelands oil policy," saying that since Congress has "affirmed" state ownership of the tidelands, a total of 250 million dollars in bonus payment on oil and gas leases, plus ground rentals, has been turned into the Treasury.

In conclusion, the secretary said: "The Department has not and will not surrender any natural resources that should remain in the custody of the people."

"But the department will not be a party to imposing state socialism on that portion of the economy that can best be developed through individual and local enterprise."

Robert Tice, Portland Man, 21st Fatality

cloud of dust as he started to pass the truck and trailer. Police said witnesses told them the pickup swung far to the left side in trying to pass and the dust cloud shrouded the next few seconds.

Then, suddenly both the truck and trailer and pickup ploughed out of the dust cloud and over the steep bank. The Consolidated truck and trailer, loaded with general cargo, including kerosene and turpentine, blew up in flames. Both trucks were headed north. The Consolidated truck was on a run from Grants Pass to Portland, and Yarborough was driving his vehicle as part of a caravan for Pacific Motors in Roseburg. He had come from Brookings, police said.

The truck burned furiously for more than five hours. A Douglas Forest Protective Assn. crew from Canyonville fought the flames and managed to contain them from spreading to surrounding timber.

Tice's body has been taken to Gatz Mortuary in Myrtle Creek.

Committee Names Site For Mental Hospital

PORTLAND (AP) — A committee to select a site for a Portland-area state mental hospital decided Tuesday to recommend one in Washington County north of Wilsonville and just east of the Portland-Salem expressway.

Two other sites, also in Washington County, were approved as alternatives.

Selection will be by the State Board of Control. The 14 million dollar institution will house about 1,500 patients. The Legislature appropriated \$245,000 for purchase of the site.

Ten Cars Of Passenger Derailed In Collision

LOWELL, Mass. (AP) — Ten cars of a 13-car Boston-to-Montreal train and at least two cars from a freight train were derailed in wild disorder after a collision on a bridge over the Concord River shortly before midnight last night.

Seven crewmen were injured, one seriously. None of the passenger train's occupants required treatment of any kind, a spokesman for the Boston & Maine Railroad said.

Goated Youth Shoots Mother

PALMDALE, Calif. (AP) — "The kids at school kept calling me a square because I wouldn't steal anything," didn't want to be a sissy, I was tired of being a square."

And so, sheriff's deputies said Tuesday, 13-year-old Jimmy Thomson loaded his rifle, hid it under a bed, waited two hours for his mother to come home — and shot her to death.

Lancaster substation deputies said they received a call late Monday from the boy, who said: "I just shot my mother. I think she's dead. I'll wait here at the house for you."

In the house officers found Mrs. Hilda Thomson, 51, dead on the kitchen floor. Three .22 bullets were in her head.

Jimmy was booked at the substation on suspicion of murder. The boy's father, Harry, and brother, John, 15, were taken to work. The father is a truck driver. Deputies said Jimmy told them: "I wanted to run away from home to show the other kids I wasn't a sissy."

My mother caught me packing up my things to leave home."

Jimmy is a blond, husky 140-pounder, described as usually mild-mannered and shy.

GIRL FINED An 18-year-old, one of four youths charged with illegal possession of liquor, was fined \$20 and \$5 court costs Tuesday after she pleaded guilty before District Judge Warren A. Woodruff. The girl, Barbara Cantley of Grants Pass, was arrested by sheriff's deputies, who said she and two boys and another girl were in possession of beer while sitting in a car. The other youths were given similar fines when they appeared in court Monday.

Hospital News

Douglas Community Hospital Admitted

Surgery: Rec Nordquist, Sutherland. Medical: Lowell E. Jones, David Dodge, Roseburg; Mrs. Athena Sloan, Sutherlin; Mrs. The O. Powell, Oakland; Mrs. John Hopkins, Tennille.

Mercy Hospital Admitted Surgery: Betty Lillion, Walter O. Walker, Mrs. Donald Anderson, Brian Booth, Leslie Tuck, Roseburg.

Medical: Mrs. Jessie Sutton, Sutherlin; Mrs. Jessie Jordan, Barton Hilliwell; Mrs. Bill Donohue, Harry Gilvin, Mrs. Betty Madsen, Donald Reber, Roseburg.

Airman Schmidt Now In Portland

PORTLAND (AP) — Airman Daniel Schmidt, who came back from a Red Chinese prison to learn his wife said she had married another man, was at his mother's home Wednesday in a happy reunion.

"It feels wonderful to see Mother," Schmidt said.

"I couldn't be any happier," smiled his mother, Mrs. Rav Peters.

Schmidt, who drove up from California, arrived Wednesday night and neither he nor his mother then would speak to reporters or appear for photographers. A neighbor said the family—Schmidt, Mrs. Peters and her husband, Schmidt's brother Larry, 17, and Larry's girl friend, and Schmidt's mother-in-law, Mrs. Walter Ferguson—spent the evening in happy talk around the dining room table.

Mrs. Ferguson, who sided with Schmidt and against her daughter, Una, accompanied Schmidt here.

Coleman Elected In Mississippi

JACKSON, Miss. (AP) — Mississippi voters elected Atty. Gen. J. P. Coleman their new governor. He took the job a poor farm boy set as his goal more than 20 years ago.

Coleman held a commanding lead today with virtually all precincts reporting.

The farm boy who worked his way through college and law school defeated Atty. Paul B. Johnson, son of a former governor making his third bid for the post.

Unofficial and nearly complete returns from 1,707 of 1,850 precincts in yesterday's Democratic primary runoff election gave Coleman 204,397 votes to Johnson's 155,606.

The new governor will succeed Gov. Hugh White in January. Gov. White was prevented by the state constitution from seeking re-election.

Coleman promised to keep Negroes out of white schools, regulate public utilities and wipe out gambling on the Gulf Coast.

Longshore Strike Hits New York

NEW YORK (AP) — A widespread longshoremen's strike today threatened to cripple shipping on the Manhattan waterfront, including luxury liner pier.

The wildcat walkout, sparked by the denial of a work permit to one man and fed by long-standing union resentment against the official Waterfront Commission, began Monday at the Grace Line terminal and spread yesterday to other piers. At least 14 ships were affected.

Patrick J. Connolly, executive vice president of the International Longshoremen's Assn., said last night the men would be ordered back to work this morning.

But there is no indication they will go back," he added.

Thus far the strike has not spread to docks in Jersey City, in Brooklyn called a meeting of its members for 1 p. m. today.

Russian Farmers Conclude Tour

WASHINGTON (AP) — Twelve travel-weary Russians, their American farm tour completed, will soon be flying homeward with information and ideas which may help them cure some of the ills of Soviet farming.

Some of the things they learned were validated yesterday by their leader, Vladimir Matskevich, during a talk at the National Press Club. As agriculture minister of Russia, he is in a position to make use of them.

He expressed hope too that the visit would lay the groundwork for better U.S.-Soviet relations and said his most vivid impression from the six-week tour was of the warmth and friendship the American people showed toward his group.

PORTLANDER LODGED Donald Frederick Andrews, 39, Portland, has been lodged in the county jail to serve out a 10-day sentence imposed by Justice of the Peace Clarence Leonard. Dr. Andrews was charged with being drunk in a public place at Reedsport Sunday. He was arrested by a deputy sheriff.

Douglas County Joins Red Cross Relief Effort

A nation-wide appeal for relief funds to assist residents in the devastated portions of the northeastern United States has been issued by the American Red Cross.

Here in Douglas County, G. Curtis T. Beecher, a national volunteer RC staff officer, said the Red Cross had already appropriated two million dollars and estimated that the need would exceed the five million dollar figure.

"The need is very, very great," he said, "and in order to do the job properly the assistance of everyone is required."

All funds for this disaster aid go into a special flood relief fund, the general said, and will not be used for general Red Cross purposes.

Already several residents of the central portion of the county have sent contributions to the county's chapter headquarters in Roseburg. That address is 114 W. Lane St. The chapter's executive secretary, Mrs. R. E. Herman, Wednesday termed the fund as "very worthy" and said assistance was needed immediately.

According to Gen. Beecher, in a wire he received from national RC Chairman E. Roland Harriman, the Red Cross is operating 10 shelters in the flood ravaged areas. More than 12,000 homeless will be housed and fed, Harriman added.

Revival Services Slated At Church

Two youthful evangelists will conduct youth revival services at the Church of the Open Bible, 943 S. Jackson St., Roseburg, starting Wednesday evening.

They are Jack Schreckengost, left, and Jim Cowie, both of Santa Barbara, Calif. They'll lead services tonight, Thursday, Friday and Sunday. Each will start at 7:45 p. m., according to the Rev. G. C. Henderson.

Both men have been in Oregon before. This summer they were Oregon District Camp Evangelists for the church's camp on the upper McKenzie River.
