MOTO POLO

TONIGHT

MOTO - POLO is played with three stripped-down, specially reconstructed "roll-over" cars to each side. In addition to roll bars, each car is equipped with circular bumpers so that when the inevitable crashes occur the cars can be flipped in a direction. Scores are made by advancing a seven-foot rubber ball through goals at either end of the field. Rules are enforced by a referee, who drives a specially equipped jeep. Head-on crashes, cars flying into the air, rolling over and over, at times climbing over the ball, are incidents in this rough and tumble game.

Israel Charges Egypt Soldiers Fired On Patrol

JERUSALEM (AP)—Israel charged Friday that a group of Egyptian soldiers fired on an Israeli reconnaissance patrol east of the Gaza strip. One Israeli was reported wounded.

A military spokesman said the Egyptians entered Israeli territory Thursday night and took up a position on a hill. Early Friday they fired on the patrol but the Israelis stormed and recaptured the hill. The Egyptians "escaped across the armistice line."
