## County, Forest Officials Tour Mountain Area

County officers and Umpqua National Forest Supervisor Vondis Miller toured the rugged eastern Douglas County area Thursday, primarily to see what the situation is in regard to road development.

County Judge Carl C. Hill, Commissioner Frank Ashley and Lands Manager Robert Kischel accompanied Miller. Among other things, Judge Hill said, they looked at a 13-mile stretch of road between R. A. Briggs & Sons logging camp and the crest of the mountains near Diamond Lake.

The road is now well-surfaced and capable of supporting huge loads of logs being taken out of the area. Miller pointed out that two recent sales in the area have been made to operators in this area.

The road, built under terms of a timber sales contract, will eventually be part of the connecting link between Roseburg and central and southern Oregon. Hill pointed out that this is the first opportunity he has had to be guided through the area by an informed person.

While on the trip, the officials also took a look at California Oregon Power Co. developments and studied areas involved in an upcoming hearing on proposed boundary change between Sutherlin and Glide school districts.

## Heltzel Loses Attempt To Stop Traction Co.

SALEM (AP) — Public Utilities Commissioner Charles H. Heltzel Thursday lost another attempt to compel the Portland Traction Co. to restore former operating schedules on two interurban trolley lines.

The State Supreme Court denied Heltzel's petition in a mandamus proceedings, ruling that the issues were identical with those recently heard by the Marion County Circuit Court.

Circuit Judge Val D. Sloper issued an order enjoining Heltzel from attempting to suspend operations of the traction company's new time schedule until a hearing was held.

The Supreme Court opinion said that an appeal by Heltzel from the circuit court ruling would be adequate and cover points raised by the commissioner's petition.

The company recently reduced daily operating scheduled on the Portland-Oregon City and Portland-Bellrose interurban lines in defiance of an order by Heltzel to continue the services.

## Episcopal Church Convention Ready

HONOLULU (AP) — The 58th general convention of the Protestant Episcopal Church opens Sunday and, in its 12 days, is expected to hear debate over such questions as segregation.

Clergymen and laymen have been pouring in for more than a week and 3,000 are expected to register. Arrivals come from all sections of the mainland and from Japan, the Philippines, Alaska, Puerto Rico, Brazil, Mexico, Okinawa and Liberia.

The Rt. Rev. Henry Knox Sherrill, presiding bishop of the church, switched the convention to Honolulu from Houston, Tex. after widespread agitation in the church about segregation problems in Houston.

The action undoubtedly will be discussed before the convention. One early arrival said that "forty Texans are coming with blood in their eye."

## Glass Breaking Charged To Two Following Spree

(Continued from Page One)

juvenile court. Also remanded were the other 16-year-olds charged with grand larceny. The 17-year-old and Lingenfelter were held for circuit court under $500 bail after they waived rights to preliminary hearings.

Roglitz and his companion told sheriff's officers they were returning from a dance at Oakland Saturday night when they stopped at Cardinal Tire Co. north of Roseburg and tossed a bottle through a large plate-glass window.

They said they then came on into Roseburg, broke a window in Helen's Flower Shop, then went out the North Umpqua Highway, stopping to break 12 small windows at the state weighing scale near Dixonville, then on to Glide where they tossed a large rock through a window at Mac Brown's service station. They deny knowledge of one other incident which happened about the same time, the breaking of a window in the Cecil Hugh home.

## Local Furniture Store Receives Sales Award

A Roseburg firm, Harry's Furniture, 1835 N. Stephens St., was tops in Kelvinator appliance sales for its population area in the state during July.

Store Manager Harry Hagen Jr. won a blue ribbon award and an expense free trip to Los Angeles for the record. This week his mother and father, Mr. and Mrs. Harry Hagen Sr., returned from the trip. Hagen turned the prize over to his father when he was unable to make the trip.

### HOLD TOKEN STRIKE

AMMAN, Jordan (AP) — Amman stood still for five minutes Friday as workers left their jobs in a lightning token strike to protest French "imperialist" measures in Morocco and Algeria.

Five minutes later, work started again.

There was no violence.

## Supersonic Fighter Planes To Assault Record For Flight

VICTORVILLE, Calif. (AP) — Six craek Air Force pilots in supersonic fighter planes assault the coast-to-coast record Saturday with their time on the ground as important as that in the air.

All will fly the new North American F100C Super-Savbres in the Bendix Trophy Race from George Air Force Base here to Philadelphia. They'll arrive in time for the start of the National Air Show.

The 2,324-mile trip is expected to take less than four hours. The fliers seek to eclipse the 652.322 m.p.h. average of Lt. Col. Robert R. Scott in a Republic F84F Thunderstreak between Los Angeles and New York last March. The colonel went 2,445 miles in 3 hours 46 minutes and 33 seconds.

All expect to beat the Bendix mark of 616 set last year by Capt. Edward Kenny in a Thunderstreak between Edwards Air Force Base, Calif., and Dayton, Ohio. Whether Scott's record will fall, however, depends a lot on the ground crews when the six contestants make their one refueling stop.

The Super-Sabre is the first Air Force operational plane able to fly faster than the speed of sound on a straightaway. But during the record run, the F84F was refueled in the air thus saving valuable time needed for an approach, landing, refueling, takeoff and climb back to high altitude.

## American Motors Corp. Reaches Settlement

(Continued from Page One)

than the going rates in the auto industry and had asked the union to "bargain on the economic facts of American Motors Corp."

Woodcock said the layoff pay plan, wage increases and other benefits in the new American Motors agreement constitute a 14-cent an hour package for the first year of the three-year pact. This includes a flat wage boost of six to eight cents an hour for all employes. Additional six-cent raises will be given in 1956 and 1957.

The UAW previously had estimated the value of the Ford, General Motors and Chrysler packages in excess of 20 cents an hour the first year.

The agreement came about eight hours after a midnight strike deadline saw the start of walkouts at American Motors' seven plants in three states which eventually would have involved all of AMC's 24,000 workers.

The UAW still has not settled with the other Little Three companies—Studebaker-Packard Corp. and Kaiser Motors Corp. Studebaker's 9,000 employes struck Thursday, refusing to extend a contract that expired Wednesday midnight.

Woodcock said the union would not consider the AMC agreement as a pattern for Studebaker-Packard and Kaiser.

## Hospital News

**Douglas Community Hospital**
**Admitted**

**Surgery:** Mrs. George Long, Ronald Brandt, Roseburg; Mrs. Herbert Griffin, Winston.

**Medical:** Charlene Schulze, Mrs. Cecil Harper, Roseburg; Mrs. George Parrish, Elkton; Mrs. J. Taylor McCord, Glide; John Armstrong, Winston.

**Discharged**

Tony Perry, Glide; Mrs. Willis Rutlen, Winston; LeRoy Dicob, Roseburg; Robert Dykeman, Coos Bay.

**Mercy Hospital**
**Admitted**

**Surgery:** Mrs. Gurney McDaniels, Roseburg.

**Medical:** Mrs. Curtis Huskey, Mrs. L. A. Dillard, Thomas Neibur, Mrs. Peter Loewen, Mrs. Reynolds Kosmicki, Roseburg; Mrs. Jack Culver, Sutherlin.

**Discharged**

James Leamon, Goose Point, Mich.; Mrs. Richard Fray and son, Richard Henry; Otto Cedarvall, Mrs. Mack Pyle, Roseburg; Leonard McCoy, Sutherlin; Mrs. Charles Rector and son, Philip Robert; Mrs. Elton Gates, Winston.

## Third Man Is Arrested On Bank Robbery Charge

HOOD RIVER (AP) — A man arrested Thursday here on a bank robbery charge was to be moved to Portland Friday for a preliminary hearing.

Joseph Santoiana, chief FBI agent at Portland, said Earl Palm Stanford was picked up by Sheriff R. L. Gillmouthe and jailed on a warrant charging statutory bank robbery.

He is the third suspect arrested in connection with the attempted robbery of the Farmers and Merchants Bank of Deer Park, Wash., last June 15. The holdup try failed when the bandits fled without money.

The two others arrested are Charles Edward Hodges, 23, Crescent City, Calif., and Katie Castellano, 19, also of Crescent City.

Both were picked up Aug. 28—Hodges at Asheville, N. C., and Miss Castellano at Crescent City. They are in custody at Spokane.

## Two U. S. Senators Leave By Air For Moscow

LONDON (AP) —Two U.S. senators left by air Friday for Moscow and the Iron Curtain countries to study agricultural and industrial affairs for three weeks.

The senators, Henry Dworshak (Idaho) and Milton Young (R - ND), are members of the Appropriations Committee.

Dworshak said before taking off for Warsaw and Moscow "the United States has surplus food and there is a shortage where we are going. Maybe we can work out something."

Dworshak and Young plan to tour Romania, Hungary, Poland, Czechoslovakia and Russia.

## Library Board At Canyonville Making Plans

Canyonville's recently - appointed city library board is making plans for building improvement and discussing the purchase of new books, reports News-Review Correspondent Virginia Proctor.

Chairman Paul Strahan told the correspondent that one vacancy exists on the board. He hopes to fill it before the next board meeting. Other members are the Rev. Ernestine Hitchcock, Mrs. Bruce Ferguson and Fred Searle.

The board has been allotted $800 for new books. Of that total, members have budgeted $450 for new books.

Rev. Hitchcock was appointed to select books for children to the sixth grade; Fred Searle, who is grade school principal at the Canyonville school, was appointed to select books for the junior high and high school age group; and Mrs. Ferguson and the soon-to-be named new member will order books for adults. Titles of the new books will be published, and jackets will be posted on the library's bulletin board, Strahan said.

The board, which will manage both the library stock and building for the city from Sept. 1, 1955, heard a report from Mrs. John Bingham Sr. She represented the former Women's Civic club of Canville, the organization which built and organized the library in 1948. Mrs. Bingham explained the organization and building plans and turned over $310 to be used on the building. The board plans to paint the interior of the building and improve the heating system. Other plans include installation of the Dewey Decimal System of card filed.

In future meetings the board will decide the question of appointment of a librarian and the hours the library will be open. The VFW Auxiliary of Canyonville has had the maintenance of the library for the past three years. It requested the city take over management of the enterprise at its last budget election. At that time, the city budgeted $500, and made plans to set up a library board before September.

## Luellen Funeral Services To Be Held On Sunday

Funeral services for William Albert Luellen, 61, who died Thursday, Sept. 1, will be held in The Chapel of the Roses, Roseburg Funeral Home, Sunday, Sept. 4, at 2 p.m. The Rev. Newell Morgan of the First Christian Church will officiate.

Luellen died at his home in Winchester on his 61st birthday. He is survived by his wife, Altha, Winchester; three sons, Alvin, Winchester; Cecil, Roseburg; Marvin, Phoenix, Ariz.; two daughters, Mrs. Henry Hodges, Salem; Mrs. Dale Ellis, Roseburg; four sisters, Mrs. Maude Saunders, Roseburg; Mrs. Cleo Pesterfield, Pauls Valley, Okla.; Mrs. Enard Smith, Albuquerque, N.M.; Mrs. Gracie Dailey, Las Vegas, N.M.; a brother, Ottie Luellen, Roseburg, and six grandchildren.

Interment will follow in Roseburg Memorial Gardens.

## Sutherlin Folks Submit Boundary Change Plan

(Continued from Page One)

own valuation has decreased each year since 1953-54 (from $4,409,971 to $4,236,963). Contrarywise, one woman added, Glide's has skyrocketed from $13,750,928 to $17,066,760.

The area the Sutherlin group hopes to chop from the Glide sector contains no children or schools. It does, however, include several California Oregon Power Co. installations. Thursday evening they noted that the valuation would be even higher when installations at Lemolo No. 2 and Lemolo No. 1 were completed.

The visitors filled a good portion of the first floor Court House hallway. Citizens of all ages were present, from mothers with babes in arms to older gray-haired folk.

In accepting the petitions, Supt. Barneburg said his office would examine their validity. If all is correct, he continued, the boundary board (County Court members) would set a time and place for a hearing. He is secretary of the boundary board.

Following the superintendents remarks, the Sutherlin group went home. They have named themselves the "Citizens Committee for a Sutherlin School District Boundary change." Spearheading the drive is John Buchanan.

## Actress Claims Barker Fathered Expected Child

LOS ANGELES (AP)—A 25-year-old actress charges that actor Jess Barker, 41, estranged husband of Susan Hayward, is the father of the child she expects in December.

Miss Yvonne Doughty asks the court to order Barker to pay $1,000 immediately for her hospitalization and support later for the child.

The complaint, filed yesterday, asserts that Barker fathered the child last February or March. Miss Doughty appeared with Marlon Brando in the film "The Wild One."

Through his attorney, Barker denied the paternity charges as "absolutely false."

Miss Hayward obtained an interlocutory decree against him a year ago but the actor has appealed.

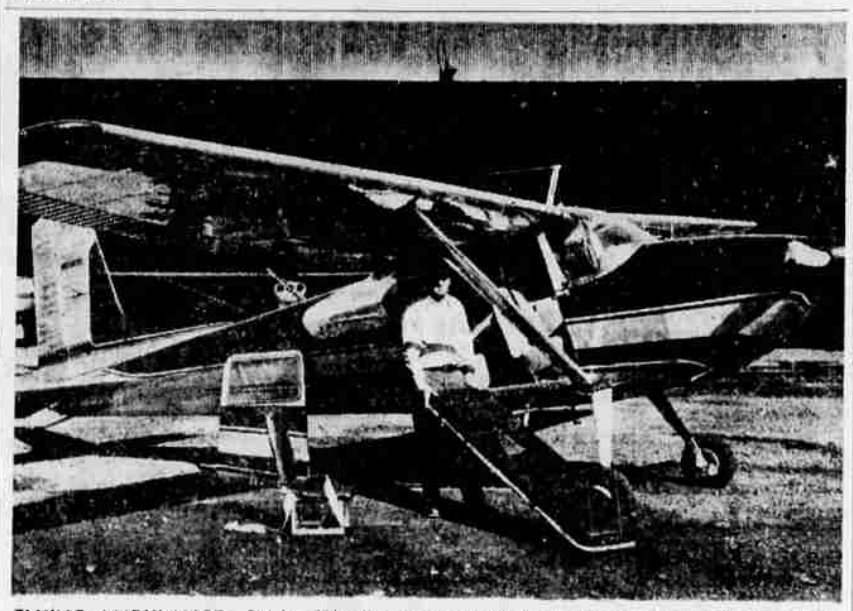
## Wilson To Be Installed As Local Business Agent

A Sutherlin man, Roy Wilson, 47, will be installed as new business agent of the Plywood and Veneer Workers Local 9-436, IWA - CIO, Tuesday evening.

Wilson was recently elected by the 415 members of the local who work for Umpqua Plywood Corporation, Roseburg, and Evans Products, Roseburg. He is a patch cutter at Evans Products.

The installation will be held at the Roseburg Woman's Club. Wilson replaces Pab Talbott, who returns to his former position as head electrician at UPC.

**WINSTON-DILLARD** Ground Observer Corps members were honored recently for their long hours of vigil. Awards were presented at the Winston Community Hall by Sgt. Charles Stovall, sector sergeant for Douglas, Coos and Curry counties. Back row, from left: Mrs. E. L. Teater, Roseburg post supervisor; Mrs. Dolly Wright, new assistant county coordinator; Sgt. Stovall; Mrs. Billy Brown, Winchester post supervisor; Mrs. Nora Sweeley, Winston-Dillard chief observer; and Frank Addison, W-D post supervisor. Front row, from left: Floyd Johnstone, 250 hour award; Louie Sweeley, 250 hour award; Mrs. Louise Bennet, assistant chief observer; Mrs. Ethel Metcalf, 50-hour wings; Mrs. Mary LaCava, 50-hour wings; Fred Clough, 50-hour wings; Chuck Marlow, 50-hour wings. (Winston Studio)



**FLYING AMBULANCE**—Shirley Wardle, owner of Shirley's Air Service, is shown above with some of the equipment used in his new emergency flying ambulance. The airplane will carry a pilot and three passengers or a stretcher patient, passenger and pilot. It is now ready for use for speedy delivery of patients from to out-of-town hospitals. (Paul Jenkins picture)

## Bend Contractor Wins Line Job

Murray Bros. Construction Co. of Bend has been awarded a $128,030 contract for right-of-way clearing and access road construction on two sections of the Bonneville Power Administration's Reston-Fairview transmission line.

District Manager L. A. Moore reports the work on the sections of the 230,000-volt transmission line will start in the next 10 days. The contractor will have 250 days to complete the job.

Clearing operations include about 2.6 miles of right-of-way west of Reston in Douglas County and about 10.9 miles west to the vicinity of McKinley in Coos County.

Completion of the line and initial energization at 115,000 volts is scheduled in late 1956. The 230,000 volt level will be reached by 1957.

Warren Ausland of Eugene will be project engineer.

## Albert Henry Olson Funeral Services Set

Funeral services for Albert Henry Olson, 65, who died Thursday, Sept. 1, will be held in The Chapel of the Roses, Roseburg Funeral Home, Tuesday, Sept. 6, at 2 p.m. The Rev. Vernon Klemin of the Assembly of God Church will officiate.

Olson was born Jan. 10, 1890, in Independence, Iowa, and came to this community eight years ago to make his home. He engaged in farming in Little Valley.

Surviving are his wife, Mayme M., Roseburg; two sisters, Mrs. Clara Willadson, Parker, S.D.; Mrs. Laura Walkup, Marshalltown, Iowa, and one grandchild.

Interment will be in Roseburg Memorial Gardens.

## Body Of Boy Recovered From Willamette River

PORTLAND (AP) — The body of Jesse L. Jones, 12, Portland, was recovered Friday from the Willamette River, where he fell while playing on a wharf Tuesday.

A companion, Hewey Thompson, 12, was too frightened at first to tell the truth. He was afraid his mother would find out he had been playing on the forbidden waterfront. So he made up a story of a man kidnaping young Jones. After he changed his story this morning, police recovered the body quickly.

### OUTLOOK GOOD

The five-day outlook shows continuing temperatures averaging above normal, according to the Roseburg office of the U. S. Weather Bureau. Maximums will range in the 90's. Minimums will average 45 to 55 degrees.

## Numerous Permit Fires Darken Douglas Skies

(Continued from Page One)

day afternoon, but only one caused damage.

An old crummy body being used as a portable tool shed caught fire at the old Roseburg Lumber Co. mill on Second Avenue South and $10 damage was caused. The fire alarm was answered at 12:50 p.m.

At 2:25 p.m., firemen were called to put down a grass fire at Oak and Spruce streets. At 3:50, grass and brush near the railroad tracks at the head of Micelli Street caught fire but was controlled and extinguished by firemen.

## Sheriff's Office Checks Leads On $70 Burglary

Sheriff's officers continued to check leads today in connection with the burglary of Stearns Hardware in which about $70 was taken.

Officers said investigation Thursday showed about $50 was taken from a file and $19 for a cash register in the office of the business at 1843 Highland St., just off Garden Valley Road.

Owner Ray H. Collett of Roseburg said the burglary apparently occurred sometime Wednesday night. Entry was gained when a shop door on the west side of the building was jimmied. Then another door was forced for entry into the part of the building where the office is located.

## Alford Fine Accepts Logging Job In Florida

PETALUMA, Calif. (AP) — Alford Fine, 22, the "other man" in the strange marital tangle in which Airman Daniel Schmidt and his wife, Una, were involved, reportedly was en route to Florida Friday.

Fine left by automobile Thursday night after telling friends that a man, whom he would not identify, wired him $500 and the offer of a logging job in the Miami area.

Fine was working as a logger when, he said, he and 21-year-old Una Schmidt married in the belief that Schmidt was dead.

"I still love Una," Fine said here a few days ago. "That's the tough part—loving her and losing her. But I don't want anyone to feel sorry for me."

## Myrtle Creek Man Gets Tiller Road Contract

PORTLAND (AP) — The Bureau of Public Roads Friday announced award of a $97,088 contract to G. T. Walker, Myrtle Creek, for grading 2.4 miles of road and building two bridges on the Boulder Creek forest road, 14 miles northeast of Tiller in Douglas County.

The bridges will be 130 feet long over Boulder Creek and 78 feet long over Slick Creek.

## Operation Said Cause Of Death

PHILADELPHIA (AP) — Medical examiner Melville J. Aston begins an inquest today in an effort to fix the cause of death of Mrs. Doris Jean Silver Oestreicher, 22-year-old socialite.

The red-haired food chain heiress died nine days ago in the south Philadelphia apartment of Mr. and Mrs. Milton Schwartz, whom Mrs. Oestreicher's father said were not acquaintances of his family.

Dist. Atty. Samuel Dash said her death occurred some time after she had undergone an illegal operation. He said she was expecting a child and that an abortion had occurred. But, he added, "we are unable to tell at this time whether it was a criminal abortion."

He said that the medical tests have not yet shown whether the operation might have been performed by the girl herself or by someone else.

## Policemen Comb Woods For Missing Girl, 14

NEW YORK (AP) — Scores of policemen Friday combed dense woods in Staten Island for a 14-year-old girl who screamed "help me!" to her mother over the telephone before the line went dead.

The girl, Rita Mae Hann, left her home in the Charleston section of the island Thursday afternoon to shop in nearby Tottenville.

About four hours later her mother, Mrs. Lillian Hann, said the telephone rang. The voice screaming for help over the phone, the mother said, was that of her daughter.

The Mann's phone exchange does not have the dial system, and efforts were being made to find the operator who took the frantic call. Indications were, a police official said, that the call "was local or nearly local."

A small boy near the Hann home said he heard a scream coming from a nearby baseball field but that he saw nothing.

Police used floodlights to search wooded areas around the missing girl's home Thursday night.

## Salvation Army Aiding In Flood Relief Effort

Salvation Army workers have established emergency relief centers in the hard-pressed areas in the northeastern United States recently ravaged by flood waters.

Major Fred A. Dorin, Roseburg executive, said Thursday that contributions toward disaster relief received at the SA office, 1005 Winchester St., Roseburg, would be immediately forwarded to the national office in New York City.

He said several hundred trucks from SA Social Service centers, many canteen units and countless workers were in the stricken areas.

## Former Yoncallan Dies In California

John Adolph Haugelberg, member of an old Yoncalla family, died Aug. 31 at Redwood City, Calif.

A retired carpenter, he was never married. He was a veteran of World War I. He had been a member of the Macabees of Eugene, the Odd Fellows at Redwood City, the Sons of Norway and the Veterans of Foreign Wars at Redwood City.

He is survived by three sisters, Mrs. Josephine Brannan of San Francisco, Mrs. Mabel Yager of Dallas and Miss Anna Haugelberg of Dallas.

Funeral services will be held Tuesday at 10 a.m. at the Yoncalla Methodist Church with the Rev. R. W. Knight officiating. Interment will follow in the family burial plot at Yoncalla Cemetery. Stearns & Little Mortuary, Oakland, is in charge of arrangements.

## Stassen Claims Peace Assured If Rules Followed

BOSTON (AP) — Harold E. Stassen said today "a continuing journey on the path of peace" will be assured if the world follows 11 principles, including a "secure method, assured by inspection" to end the arms race.

Stassen, President Eisenhower's special assistant on disarmament and deputy U. S. representative in current U. N. disarmament talks, placed an end to the arms race at the top of his peace program in a speech prepared for the national encampment of the Veterans of Foreign Wars.

He also included in his 11 principles: opportunities for all peoples to advance their standards of living through peaceful uses of atomic energy; and substitution of direct negotiation and mediation for ultimatums, threats of war, and war itself in settling international disputes.

Declaring the "fearful realities of modern war are becoming more widely recognized," he said:

"I believe that firm adherence to these principles can effectively reduce bitter tensions and ultimately remove the resultant arms burden that retards worldwide efforts to make maximum use of the reservoir of peaceful progress contained in the atom."

"The path before us is clear," he said. "America must stand united, strong and alert, yet patient and perservering, as we proceed with the highest human task of forging a future in which men and nations can live in peace. I have faith, with God's help, this can be done."

## Housewife Settles Beef Over Strike

CHICAGO (AP) — A housewife who locked her husband out of their house because of a strike has made peace with all concerned, including the president of the local union involved.

Mrs. Esther Quigley, 35, appeared in Woman's court with Nicholas Prete, president of Local 1214, CIO United Auto Workers, on charges of disorderly conduct.

She and Prete were arrested last Friday in front of the Harrison Sheet Steel Co. after a disturbance in which she allegedly pushed a carton of milk at Prete and ripped off his shirt.

Earlier this week she had allowed her husband Andrew, a local union steward, back into their home after a won-week lockout for his participation in the strike. She declared the strike, now settled, was illegal because the contract had not expired.

In court, Mrs. Quigley's attorney said all had been forgiven. He asked that the charges be dropped.

## Executed Murderer Gives Own Funeral Message

MESA, Ariz. (AP)—An executed murderer delivered his own funeral message yesterday—by tape recording.

About 450 persons at the First Baptist Church heard Lester Bartholomew's voice ask "all of you who are my friends, and those near to me" to "get right with God."

In the message recorded in death row, he said:

"Having faith will get you right with God.

"Adopt him as your Savior now. Don't wait.

"I hope to see all of you in Heaven.

"Bye-bye, now. Bye-bye."

Bartholomew died in the gas chamber Wednesday for shooting his wife and two children at their Phoenix home May 28.

## Non-Alcoholic Drink Labeling Now Changed

New labeling requirements under the 1955 changes in the Oregon non-alcoholic beverage act are bringing a number of inquiries, says J. D. Patterson, chief chemist with the state department of agriculture division of foods and dairies.

As a first step to meeting new requirements, bottlers of soda pops and similar drinks should register their brand or trade mark with either the Oregon secretary of state or the U.S. government—not with the department. This trade mark or brand may be used on the label instead of the name and principal place of business of the bottler or distributor if a declaration is filed with the department of agriculture affirming the name, trade mark or brand for each beverage, describing in full the area in which it will be distributed and giving name and address of the person responsible for its distribution.

Also, the law now requires an ingredient statement on the label or, in lieu of this, an ingredient statement for each beverage may be filed with the department.

Other labeling requirements remain unchanged. They cover: name of the beverage, net fluid contents and the words imitation, artificially colored and artificially flavored when they apply.

## Traffic Hold Up Blamed For Two Auto Accidents

Two accidents Thursday were caused when highway construction held up traffic at two points along Highway 99 in Douglas County.

One person was injured when the automobile in which he was riding struck a bridge curbing and turned on its side as the driver tried to stop behind a line of traffic.

State police identified the man as Robert Bennett, Dillard, who received a broken wrist. The traffic had been stopped by highway construction near Kelly's Korner, south of Roseburg.

The driver, Otto Ruediger, Rt. 1, Roseburg, was unable to stop in time. The car hit the bridge, and rolled over, coming to rest against a car driven by Walter Waggle, Crescent City, Calif. Waggle and a passenger, Jack Gibson, Dillard, were uninjured. Ruediger's car was demolished; Waggle's heavily damaged in the rear.

A mail truck driven by John Finn, 30, Portland, was struck from the rear by a car driven by Ernest Lane, 59, Portland, Thursday evening when Finn stopped the truck for highway construction on Rice Hill, police said. Little damage resulted to the truck, but the car was badly damaged. Lane was cited by state police for following too closely in traffic.

Two cars collided at Jackson and Roberts streets in Roseburg late Thursday afternoon. One driver, Kieth G. Mitchell, Sutherlin, was cited for failure to yield right-of-way. Driver of the other car was Julius Lloyd Benham, Roseburg. City police estimated damage to the cars at $125.

## Three Greenlease Bills Are Located

CHICAGO (AP) — Three bills from the missing $303,720 portion of the Greenlease ransom money have been found in Chicago.

Donald Hostetter, FBI chief in Chicago, in announcing this Friday, said the search is continuing and asked the general public to join in the hunt.

It was the largest one-day recovery of currency put up to ransom Bobby Greenlease, who was kidnaped and killed.

Hostetter said the bills have been identified positively.

A woman clerk in the federal reserve bank of Chicago spotted one $20 bill that was part of the ransom bundle. That started a thorough-going check of $10 and $20 bills. Federal reserve bank employes and FBI agents teamed up in the task of checking over the thousands of bills in the bank.

The result was the recovery of two more bills, all of $20 denomination.

All were retrieved on the same day—Wednesday.

The Chicago recovery was the largest at one time thus far. One $20 bill was found Aug. 4 in Minot, N. D. Two bills were found this week in the federal reserve bank of St. Louis. Tracing the money has led to a theory that the cash may have been put in circulation by carnival workers.

## Transport Union Postpones Strike

NEW YORK (AP) —The CIO Transport Workers Union Friday ordered postponement of a strike of 35,000 nonoperating employes of the Pennsylvania Railroad. The strike had been scheduled for midnight Friday.

Michael J. Quill, TWU president, declared, however, that the employes might be "reluctant to postpone their decision to strike."

He said the union was notifying the national mediation board that it was directing its locals to postpone the walkout that would have hit 12 states and the District of Columbia.

The postponement directive came after President Eisenhower stepped into the situation by creating an emergency fact - finding board to look into the dispute. Under the Railway Labor Act, this usually postpones strikes for 60 days.

## Key-Operated Pinballs Not Illegal, Rules Judge

PORTLAND (AP) — City Atty. Alexander Brown said Thursday he will appeal Municipal Judge John J. Murchison's ruling that key-operated pinball machines are not illegal under Portland's 1951 anti-pinball ordinance.

Murchison in a test case held: "If the law had meant all kinds of pinball machines, then I see no reason for including the phrase 'coin-in-the-slot or any other type of operating machine.' The court cannot read intent into the law."

Pinball machine owners recently have operated the devices by removing coin slots and using keys for play. They contend this is legal. The city said it wasn't and the disagreement resulted in the case before Judge Murchison.

Meanwhile pinball operators have collected enough signatures to suspend a sweeping new anti-pinball ordinance until a referendum at the May, 1956, primary election.

## Woman Is Recovering From Severe Burns

The brave Douglas County grandmother who was severely burned July 15 when she pulled one grandson from a flaming house about 15 miles east of Sutherlin is reported recovering satisfactorily at Mercy Hospital in Roseburg.

Hospital personnel said Mrs. Charles B. Williams, about 45, was in good condition. They said she would be hospitalized for some time.

Mrs. Williams suffered burns over more than 80 per cent of her body. She rushed into the flames about 7 a.m. July 15 to save her two young grandsons. One of the boys, Benton Wilkerson, 1, was found on a bed after a second search of the structure. Another boy, Preston Wilkerson, died after he had been rescued.
