

Local Man Passes Bar Examination

SALEM — The Oregon Supreme Court announced Monday that 104 law school graduates passed the bar examinations given in July, and that only 22 failed.

The percentage, 82.54 per cent, probably is the highest in history.

In addition, four attorneys from other states passed, and three failed.

The University of Oregon Law School graduates fared best, with 16 out of 17 passing. Twenty-six out of 33 Willamette University law graduates passed, as well as 30 of 51 graduates of the Northwestern College of Law, Portland.

The successful applicants will formally be admitted to law practice next Friday at 10 a. m., in ceremonies in the Supreme Court chambers.

The list of successful applicants includes:

Roseburg — George John Woodrich.

OUT ON BAIL

John Matthew Brinkley, 35, Camas Valley Route, Roseburg, has been released from the county jail after posting \$250 bail on a charge of assault and battery. Brinkley was arrested by a deputy sheriff on a warrant issued by Justice of the Peace Ward Watson, Sutherlin.

Brownell Asked To Say If Group Is Communist

WASHINGTON — Senate investigators asked Atty. Gen. Brownell Monday to seek an official determination of whether the Southern Conference Educational Fund Inc. is a Communist front.

The recommendation was made by the Senate Internal Security subcommittee in a report on three days of public hearings it held in New Orleans, the organization's headquarters, in March, 1954.

Aubrey W. Williams of Montgomery, Ala., president of the fund, testified that "it is dedicated to trying to eliminate from American life discriminations based on race, creed, or color."

Williams, director of the National Youth Administration in the Roosevelt administration, denied he had ever knowingly associated with any Communists and swore he had never been a member of the Communist party.

Sen. Jackson Says Q cfo By Him Was Incorrect

SEATTLE — U.S. Sen. Henry Jackson (D-Wash.) said here Sunday that recent reports quoting him as saying there was a gaping hole in the DEW radar network being built across the Arctic were incorrect.

He said in a radio interview that the published report apparently resulted from a misunderstanding.

What he actually tried to emphasize in the earlier statement, he said, was that a gap in the defense network existed in the absence of the distant early warning network across the top of North America. When the radar network is completed in 1956 or 1957, he said, the gap would be filled.

Jackson recently returned from flights to some of the installations.

CASE DISMISSED

District Judge Warren A. Woodruff has signed an order dismissing a complaint against Lois Gibbons, 30, Roseburg, Mrs. Gibbons was arrested about a month ago on a charge of being drunk on a public highway.
