**ROYAL FAMILY FUN**—The Duke of Edinburgh provides the push for Prince Charles and Princess Anne as they play on a swing on the grounds of Balmoral Castle during the royal family's summer holiday in August. Queen Elizabeth II looks on with the Duke's dog, Candy.

**GO DOWN THE LINE FOR SAFETY**—Wild horses won't get these irate mothers off U.S. Highway 54, just east of Wichita, Kan., but a traffic light or patrolman will. Because that's what they're demanding as a safeguard to their children, who must cross the busy highway on their way to school. The women say they'll continue their "citizens' patrol" until authorities provide the needed protection.
