Roseburg Coach Completes Lineup Changes For Game

Roseburg went through the usual routines of preparing for a weekend opponent in practices Wednesday afternoon, even though everyone present was well aware that the next Indian foe was the state's top-rated team —Marshfield.

There were the usual dummy drills, signal drills and a light scrimmage. Offense and defense were being polished.

Coach Bob George was apparently ready to stick by his early-week lineup switches that involved another overhaul of the Indian lineup. Possibly this was a way of preparing for the defending state champs. George wouldn't say.

Players In New Roles

This would put Dick Woolstenhulme, Jerry Droscher and Bill Johnston at ends, Jim Coen and Allen Lindbloom (who have been playing end) in the middle of the line, Mel Thomas (who has been in the middle of the line) in the backfield along with Gordon Jefferson, Jim Hicks and Marvin Fray. Johnson has been a back up until now.

Bill Oerding is slated for defensive secondary duties, Hod Turner will probably see action on both offense and defense in the backfield. In the middle of the line, 168-pound Chuck Ridenour appeared to be set at center, Don Horton, 158-pound junior, was working out at guard and Fred Skeels, 173-pound junior, was ready at tackle.

Experience Lacking

If Coen, Lindbloom, Droscher and Woolstenhulme start, along with Ridenour, Skeels and Horton, this would give the Indians a line that has no letterman experience in line play, in their respective positions, on previous Roseburg teams.

It will give the locals about a 172-pound per man average from tackle to tackle. Marshfield has an all-veteran all-letterman offensive line that averages 205 pounds from tackle to tackle anchored by 190-pound senior center Bob Peterson.

In all, Marshfield has 18 lettermen from last year's ball club which beat the Indians 13-0 on Finlay Field. There were either six or seven around the Indian campus at last word.

Beavers, Ducks Seen As Losers

By CHRIS EDMONDS

SAN FRANCISCO (AP) — Business was good behind this football counter last week—16 right in 22 games—so with high hopes that sales continue brisk here are the top values for another weekend in the gridiron market:

UCLA over Oregon State by 20: The unscored-on Beavers had an open date in which to build dams, but it's doubtful if even Tommy Prothro has the engineering skill to stem the Bruin touchdown flood. UCLA, 27-7.

Stanford over Michigan State by 6: Two cranked-up teams are due for a letdown, but the victorious Indians are apt to stay higher than the beaten Spartans and could use another Big Ten scalp. Stanford, 13-7.

Southern Cal over Washington by 12: Both teams are unbeaten and the Huskies are hungry, but the Trojans have too many horses and will still own a perfect record when it's over. USC, 19-7.

California over Washington State by 19: The Bears have tasted victory and found it sweet, which spells a bad day for the winless Cougars who have scored only twice all year and could be shut out again. Cal, 19-0.

Colorado over Oregon by 14: The Ducks don't have it and the Buffaloes do, meaning a sad Saturday at Eugene as home fans get their first look at Len Casanova's flock. Colorado, 21-7.

College of the Pacific over Idaho by 7: The Vandals have been going backward and the Tigers have started to show their claws. COP, 21-14.

Douglas High Plays Coquille

Troy In 'Big-Time'; Pirates, Viks Slated

Three Class A games and one B game highlight the weekend football program for Douglas County grid teams at midseason.

Starting with the A schools, probably the most interesting clashes will take place at Douglas and at Myrtle Creek.

Douglas' Trojans, holding a 2-1-1 record for the season, take their first big step toward "big-time" football when they host Coquille Friday afternoon. Coquille upset North Bend 20-13 last week and is generally rated seven to 12 points better than the Trojans for this season anyway.

At Myrtle Creek, the pre-season favorite Vikings take on the up and coming Glendale Pirates. Myrtle Creek, 1-1-1 for the season, is a slight favorite on the pre-season dope. But the Pirates, who have shut out two straight opponents for a season's mark of 2-2, are in their best position for posting an upset this time out.

Indians At Coos Bay

In Friday night's only A-1 game, Roseburg plays at Coos Bay against defending state co-champion Marshfield in a district 5-A-1 tilt. The top-rated Pirates, winners by three touchdowns over every opponent this season, figure to keep their record intact against the Indians.

In a six-man game at Riddle Friday afternoon, the Irish and Elkton will possibly determine which one stands the slightest chance against Glide's onrushing Wildcats for the county six-man title. There is little to choose on paper between the two with Riddle holding the edge in the air and the Elks owning a sharp running game.

In other A games, St. Francis of Eugene, unbeaten in three district 5 A-2 games, is a two-touchdown favorite over Drain which stands 1-2 in the district. That game is at Drain Friday night. Reedsport plays at Taft in a non-league game Friday night.

In other B action, Glide goes after its third 11-man football win when it hosts a faltering Oakland ball club in a test which should determine how the Wildcats could stack up in 11-man football in regular league play. Canyonville hosts Days Creek in the South Douglas League Friday afternoon also.

Dual Main Event On Armory Slate

A promising pair of double main event matches will feature the return of Dick Torio to the Armory wrestling program this Saturday night.

Torio, who has been in the Army for the past year as a lieutenant, will see action in the bottom half of the main against the Hoosier from Indiana, Buck Weaver.

Weaver is well remembered here for his many showings and he is a tricky veteran who formerly held the Coast light heavyweight title.

The acrobatic youngster from Toledo is expected to have his hands full against Weaver. He is rated almost as good as Pepper Gomez and favors drop kicks and rolling leg split. Weaver is a master of the neckbreaker.

Henning, Savage Matched

The top half of the card matches John Paul Henning against the burly bull from Chicago, Bull Savage. Both matches are best of three falls or 45 minutes.

Savage accidentally clipped his partner, Killer Kameroff, last week and led to his defeat. He asked for this match against Henning in an effort to get even. Henning and Scotty Williams walked off with verdict in last week's tag team match.

Henning is a polished wrestler who has a lot of fire and come back. He favors the inside spinning toe hold. Savage is a real brute who was formerly a Navy champ. He grew up in a rough end of Chicago and loves a good fight.

Meeting in a one-fall or 20-minute special event are Scotty Williams and Thor Hagen. While Hagen hasn't been a consistent winner in Roseburg, he figures to give Williams plenty of trouble in this one.

'NOTRE DAME' RIVAL

C of I To Play Canadian Rules

CALDWELL, Idaho (AP) — The College of Idaho Coyotes will be up against a different brand of football Friday night when they play Notre Dame - Notre Dame College of Wilcox, Sask., that is.

During the first half at Wilcox the teams will play under Canadian football rules. The second half will be played in the American style.

There's considerable difference in the two styles of play.

For example, the Canadians use 12 men. The extra player is a "flying wing" stationed in the backfield.

Also, the Canadians score only five points for a touchdown. However, a team can pick up an extra point by "roughing" — by tackling an opposing player behind the "dead ball line" near the goal post.

The rules are a little different for punting and on interference.

Idaho fans will be able to see what it's like when Notre Dame travels to Caldwell to meet the Coyotes at home next year.

Sooner Back, Badger End Players Of Week

By THE ASSOCIATED PRESS

One of the principal reasons why Oklahoma was able to whip Pittsburgh and keep football's longest winning streak going through its 21st game last Saturday was halfback Tommy McDonald.

Tommy scored two touchdowns on runs of 43 and nine yards, raced 23 yards on a key play in another Sooner scoring drive and racked up an inpressive 124 yards by rushing as Oklahoma turned back the big Eastern team 26-14. In addition he hit two of five passes for 39 yards.

In recognition of this fine all-around performance, the nation's sports writers and broadcasters participating in the weekly Associated Press poll Thursday picked McDonald as the season's first Back of the Week.

The experts had named Wisconsin's pass-catching end, Dave Howard, as Lineman of the Week by a big margin for his feats against Iowa.

Marshfield Tops AP Poll

Gresham, Pendleton Advance In Rankings

By THE ASSOCIATED PRESS

Gresham High knocked off Corvallis, last week's No. 1 team in the Associated Press high school football poll, and Marshfield of Coos Bay vaulted into the top spot in this week's voting.

Marshfield, with four straight wins, pulled 14 first place ballots from sports writers and broadcasters throughout the state. They gave the Pirates a point total of 184.

Gresham's tight win pushed it into third place—three first place votes, 147 points—just behind second-place South Salem, which pulled only two first place votes but had strong support for second on the list.

Pendleton Advances

Pendleton pulled up a notch from fifth to fourth in the race for the state honors. Following in numerical order were Jefferson of Portland, Cottage Grove, Hillsboro, Central Catholic of Portland and Vale on the far eastern edge of the state.

Astoria dropped from the top 10 by taking a 20-0 licking from Central Catholic.

It was first show among the leaders for Central Catholic and the Vale team. The only A-2 rated team among the leaders, Vale, got there by consistent play. It has won 13 straight and its victories include one over A-1 Baker.

North Bend Drops

Also relegated to the ranks of the trailers was North Bend which dropped a 20-13 game to Coquille, another 2-A team.

The top 10 with the season record and point totals:

Douglas JVs Lose To 11 Glide Men

The Glide 11-man football team added the Douglas' junior varsity to its list of victims with a 24-0 trouncing of the losers at Douglas early this week.

Glide scored six points in the first half and 18 in the second while shutting out the Douglas freshmen and sophomores. Four passes for conversions failed.

A blocked punt recovered in the end zone by tackle Dave Evans resulted in the first touchdown after Douglas had been backed down to the 10.

In the third period, Gary Wagner scored on an eight yard sweep to finish a 50-yard drive and Bill Starnes returned an interception 20 yards for another touchdown.

Glide recovered a Douglas fumble on the Trojan 40 and Allen Hatfield scored later on an eight yard end run.

Douglas' deepest penetration was to the Glide 15 in the second period, but the losers fumbled.

Glide	6	0	12	6	—24
Douglas	0	0	0	0	— 0

Glide scoring: Touchdowns, Evans, Wagner, Starnes, Hatfield.

Excellent Deer-Hunt Prospects Assured In Second Weekend Of General Season

By THE ASSOCIATED PRESS

The second weekend of the general buck deer season in Oregon should continue hunters' good success, the State Game Commission said in its weekly bulletin assessing the outlook.

In the opening week, the deer bagged were in fine condition.

So far as speaking of prospects in general terms, the commission said hunting has been slow in Central Oregon but fair to excellent elsewhere. Improvement is expected.

In the first two days of shooting, at least 10 hunters were wounded, about half of them by their own guns. A fall over a cliff and a heart attack claimed two lives in the opening week.

Hunters Get Bear

Among reports from various parts of the state it appeared that humans and deer were not the sole targets. At Grants Pass three bears were checked in by Monday afternoon.

The first two deer killed in Josephine County were shot by women named Jackie—Jackie Allen, junior high physical education instructor, bagged a four-pointer near her home on Jones Creek and Jackie Wulk shot a three point buck near North Pacific Grange Hall a few miles from her home.

Youngest successful hunter at Baker was Gary Squires, 12. Three hours after the season opened he brought down a five-point buck.

Hunters "Loot" Briefly

There were a few brief flurries when hunters failed to show up at designated places and the Clackamas County sheriff's office reported putting a search party together for one man, before he turned up. No periods of long concern for missing hunters were reported, though.

A mystery report of a vanishing hunter believed wounded enlivened things in Central Oregon. And near Lakeview a hunter who took cover from one shot was wounded when he decided the coast was clear and stood up again.

Deer brought in have been big. At Roseburg, James W. Vaughn, regional administrator for the Game Commission, estimated the weight of the average buck at 190 pounds before being dressed. In that area most deer are blacktail, but there are a few whitetail just northeast of the city.

This is the weekend outlook by districts:

Northwest

Darker nights, with the moon waning, should improve success which already has been fair. In the Tillamook Burn the best prospects are in areas with good cover, heads of bushy draws and rugged, rocky slopes. Cover areas harbor numerous bucks. A better turnout of archers would improve success.

Southwest

Monday's rain brightened prospects in Coos County where success has been fair to good. In Jackson County's high Cascade country there is rapid drying but prospects remain good for hunters willing to leave their cars. Douglas County was excellent on the opening weekend and the prospects are that the whole season will be very excellent.

Central

While hunting has been slow, some snow in the mountains and in the lower country should improve conditions.

Northeast

General rain has greatly improved the outlook. There is a light covering of snow on higher elevations and some high roads will be muddy. The storms caused a movement of deer from the higher elevations. Best prospects are in Grant, Wheeler and Morrow counties. On the main John Day River deer still are plentiful near alfalfa fields between Picture Gorge and Kimberly. There has been good success in the Wickiup forest camp, Dry Soda, Lookout and Starr Ridge areas also on Morgan Creek, Frenchy Butte, and Jackson Ranch in Izee. Darkening of the moon and the dampening of the woods should make hunting better in Umatilla County where the opening success was only fair. In Baker, Union and Wallowa counties success was fair but storms have moved deer to lower elevations and hunter success this weekend should be greatly improved.

Southeast

There have been fewer hunters than usual in this area. Many appear to be waiting for the last of the buck season and the beginning of the either-sex season. The woods have been dry but no campfire permits are required although ax, bucket and shovel must be available. Success has been good in Lake, Harney, and Malheur counties. Mahogany Mountain area has had the heaviest hunting in Malheur County, with Ironside next. Few hunters have been in the south end of the county.

Trout Angling Prospects Good For End Of Season

PORTLAND (AP) — Some excellent angling may greet fishermen who go out this weekend for the close of the summer trout season.

The State Game Commission's weekly report pointed out that winter regulations go into effect Oct. 10, and said this is the outlook for the weekend, by districts:

Northwest

Salmon and jack salmon angling slow along the north coast but continuing rain would improve it. Tillamook, Nestucca and Salmon River area salmon angling has been fair and fresh runs may be brought in by rain. Trout fishing has been poor on the Clackamas. Fishing continues fair to good on the McKenzie and Willamette rivers. Lookout Point and Dexter reservoirs have been good on troll while Dorena has been fair. Fish have been plentiful and biting well in Clear Lake.

Southwest

Coquille River salmon angling has been fair to good. When weather permits, salmon angling at Coos Bay has been fair. Striped bass angling in Isthmus Slough has been only fair. In the Galice to Grants Pass section of the Rogue River steelhead catches have improved. Starting Monday only trout (steelhead) over 12 inches in length will be legal in the main stem of the Rogue below Shady Cove and in the Illinois River below Kerby. All other tributaries and lakes will be closed for the season and the bag limit changes to 3 per day, 6 in any 7 consecutive days or in possession. Silver salmon angling is fair from the forks to the Umpqua area. More rain is needed to bring in salmon the central coastal lakes.

Central

Throughout the region angling has been good.

Northeast

Rainbow catches have been excellent on the Upper Wallowa, Lower Grande Ronde and Imnaha rivers above the town of Imnaha. A few steelhead are being taken on the Lower Grande Ronde near Troy. In the high lakes angling is good but snow and freezing is to be expected.

Southeast

Delintment Lake and Moon Reservoir are two bodies of water open to year-around angling. Delintment Lake is good at this time of year.

Fishing Rules Due For Change

If you're going fishing, you'd better take another look at the angling regulations for this year. On Sunday, the summer angling season ends in all zones of the state and the winter regulations then apply.

If you want to go fishing next Monday, it will be necessary to check the winter regulations in the back of the angling synopsis. Winter regulations begin on page 33, and instead of listing the closed areas as in the summer regulations, the booklet lists only the open waters of the state.

In zone 1, or the coastal zone, the winter season extends from Oct. 10 through Feb. 28, 1956.

In zones 2, 5, 6 and 8 the season extends until April 29.

In zones 7 and 9 in northeast Oregon, the season begins on Oct. 10, but the ending dates vary depending upon the area streams. Anglers are urged to consult the synopsis for information on the stream they intend to fish.

Zones 3 and 4 cover the Rogue and Umpqua basins and are listed in a separate place in the synopsis and should be consulted for winter regulations in these areas.

Bag limit for most zones for trout, salmon, and steelhead is two fish per day, four such fish in possession or in seven consecutive days. Punch cards must be used for salmon and steelhead 20 inches or over.

Hutchinson Contract With Cards Predicted

SEATTLE (AP) — Signing of Freddie Hutchinson as manager of the St. Louis Cardinals of the National Baseball League was predicted Thursday by the Post-Intelligencer.

The newspaper said Hutchinson will take the job within the next few days, leaving pilotless the Seattle Rainiers which he led to the Pacific Coast League pennant this year.

Hutchinson has been in the east recently and has been talking with various baseball club officials, making no secret of his continuing interest in managing a major league team again.

He was manager of the Detroit Tigers from midseason 1952 until a year ago when he left because he could not get a two year contract.

The Post-Intelligencer said Hutchinson's signing will follow that of Frank Lane, slated to be general manager at St. Louis.

ST LOUIS (AP) — Frank Lane, the trading wizard of baseball, presumably will be named the new general manager of the St. Louis Cardinals today and given strong authority to rebuild a club now in its lowest position in 36 years.

More 49ers Benched Because Of Injuries

SAN FRANCISCO (AP) — Beset with three more injuries, San Francisco's victory-hungry 49ers were to leave by plane Thursday for Chicago and Sunday's National Football League contest with the Chicago Bears.

Coach Red Strader said rookie backs Carroll Hardy and Bud Laughlin and veteran defensive end Charley Powell definitely are out of Sunday's game.

And veteran halfbacks John Henry Johnson and Hugh McElhenny are doubtful.

McElhenny scoffed at reports he is through with pro football but added grimly:

"I suppose you could say if my foot doesn't ever heal, I'm through." The former Washington All-America has been nursing an ailing foot.

Indian Club To Show Roseburg-Eugene Film

The Roseburg Indian Club will present movies of the Roseburg-Eugene football game at its regular session Thursday evening at the new high school gym. All Roseburg football boosters are welcome. Coach Bob George of the Roseburg varsity will give a running commentary of the motion pictures which will be seen at 8 p.m.

MACK 'SATISFACTORY'

PHILADELPHIA (AP) — Connie Mack rested comfortably in Presbyterian Hospital today after an operation on his fractured right hip. The hospital said his condition was "very satisfactory." The 92-year-old former owner and manager of the Philadelphia Athletics baseball team hurt his hip in a fall from bed at home last Saturday.

BUSHY TAILS, BEWARE!—When the squirrel season recently opened in Lawrence County, Ohio, Mr. and Mrs. David Walker, of Ironton, were early birds with their shotguns, being in the woods long before dawn. He is 91 and she is 70. They have hunted side by side for seven years. He has a new 16-gauge shotgun and hers is a .410, both single shots.
