Glide Folk Hunt In Klamath Area

By MRS. ARTHUR SELBY

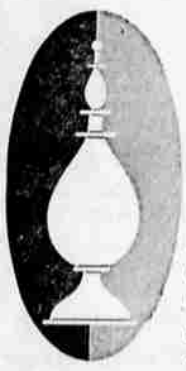
Mr. and Mrs. Guy Metcalf left Glide Friday for Klamath Falls on a hunting trip for geese.

Mrs. Margery Cudmore and Bob and Patty of Vancouver, Wash., spent two days visiting Mrs. Cudmore's brother-in-law and sister, Mr. and Mrs. Keith Ireland and Mrs. Cudmore's two sons, Bud and Chuck who are staying with the Irelands while attending Glide School this year.

The students of the primary through the sixth grade of the Glide Elementary School, visited the Rock Creek Hatchery in groups during the past week. The personnel of the hatchery showed them around and explained the different operations of the project. School buses took the students on the trip.

Ed Humphreys, manager of the Rocky Point Lodge at Polson, Mont., arrived by plane Thursday to drive his employer, Mrs. Mildred Young back to the resort. Mrs. Young has been inspecting her Circle H ranch on the North Umpqua.

On the cost of medical care



Many of the current prolonged discussions on the high cost of medical care are without foundation. Although it is true that drugs and medical services cost more now than they did ten years ago, the rise in cost has not been out of proportion to the increase in the prices of other commodities and services. The cost of a physician's call is no greater than that of a plumber or an electrician. The cost of the medicine he prescribes is no higher than the cost of a valve, a faucet, or an electrical outlet. Moreover, it must be remembered that money cannot buy good health. It is priceless. No finer, no more economical, no more efficient system of medical care has ever been devised than that which this nation now enjoys.
