

We Proudly Salute The ... UNITED STATES MARINES 180th BIRTHDAY

"The Marines' Hymn"

From the halls of Montezuma,
To the shores of Tripoli,
We fight our country's battles
In the air, on land and sea;
First to fight for right and freedom
And to keep our honor clean;
We are proud to claim the title of
UNITED STATES MARINE

Our flag's unfurled to every breeze
From dawn to setting sun;
We have fought in every clime and place
Where we could take a gun;
In the snow of far off northern lands
And in sunny tropical scenes,
You will find us always on the job—
THE UNITED STATES MARINES

Here's health to you and to our Corps
Which we are proud to serve;
In many a strife we've fought for life
And never lost our nerve;
If the Army and the Navy
Ever look on heaven's scenes,
They will find the streets are guarded by
UNITED STATES MARINES

HERE'S WHY YOU SHOULD JOIN THE MARINES

SUPERIOR LEADERSHIP — The Marine Corps emphasizes leadership and teamwork. Every Marine is both a leader and a member of the team. It is no accident that 87.5% of the officers in the Corps today started out as enlisted men.

BE READY — BE TRAINED — Every Marine is trained to a fine edge — as an individual! He's ready to meet any foe. He's healthy, stands straight, looks neat, and has unwavering confidence in himself, his buddies and his officers.

A MARINE IS AN EXPERT — Every Marine is a recognized expert in the use of the weapons he uses to defend himself and his country. That's a Marine tradition!

IT'S A LAND-SEA-AIR TEAM — A complete, all-around fighting force — Marines are well-grounded in land tactics, serve aboard the Navy's powerful warships and operate their own tactical aviation squadrons. This is the triple-threat team you should join — this is the team that has earned the respect and admiration of the whole world.
