## Boat Upsets In Calapooia On Saturday

Waters in the swollen Umpqua and its tributaries receded over the weekend as heavy rains ceased and the temperature dropped. Monday, Douglas County Sheriff Ira C. Byrd said the river had stabilized. He said he had no reports of damage.

The angry waters and the steady downpours did not pass unnoticed. A Sutherland man, Carl Dunn, about 49, narrowly missed drowning Saturday. He was pulled from the Umpqua River by two alert citizens who saw him "bobbing along in the water" near the Umpqua bridge.

And, up the Little River Road, Leon Hughes, 55, Glide, was seriously injured when his car dropped into a cave-in on the Little River flood about 12:30 a.m. Sunday. Hughes was taken to Sacred Heart Hospital, Eugene, where he is reported suffering from a broken right leg, fractured jaw and nose and numerous cuts and bruises.

Umpqua Correspondent Mrs. G. W. Munson learned of the near tragedy in the river involving the Sutherland man from Jess Rippstein and Don Coffey, both of Umpqua. They told her they were putting up boats at Coffey's landing near the bridge when they spied the Sutherland man.

They pushed a boat into the water and Dunn managed to grab hold of an oar. The swift waters carried the boat and the three men far down the river before they were able to put to shore.

Dunn told his rescuers that he and Ralph Anderson, also of Sutherland, had been duck hunting. They put their boat into the Calapooia River. It apparently hit a snag and capsized, throwing both men into the muddy waters. Anderson swam to shore.

Dunn, who cannot swim, was swept into the Umpqua, about 500 feet downstream. He was attired in hip boots and told Rippstein and Coffey that he had gone down at least twice before they got him. The Sutherland men lost their boat and guns.

The highway accident involving the Glide man was also caused by heavy rains. The water has washed away a portion of the Little River Road, judged by a sheriff's deputy to be more than 13 feet wide and 52 feet long. Hughes car dropped into the cave-in.

Correspondent Mrs. Arthur Selby said he was discovered unconscious by another Little River resident, Bill McCue. Mohr's ambulance took him to Douglas County Hospital and later to the Eugene hospital. Hughes has lived for some time in the area.

## Two Girls Killed, 2 Men Drown Over Weekend

By THE ASSOCIATED PRESS  
Two teen-age girls were killed in an automobile crash and two men drowned to make Oregon's weekend accidental death toll four.

Patricia Roberts, 17, Aumsville and Gay Lesley, 19, Stayton, died when a car they were riding in crashed into the rear of a halted truck on a highway eight miles south of Albany.

Another passenger, Larry Freeris, 19, Stayton, was injured critically. The driver, William Weddle, Stayton, and Doris Minden, 15, Sublimity, were taken to an Albany hospital for treatment of lesser injuries. They were returning home from a University of Oregon dance at the time of the crash.

Merritt Garold Davis, 49, of Gold Hill, was presumed drowned Sunday when a boat overturned while he and his 17-year-old son were duck hunting on the Rogue River. The boy swam to shore.

Davis was the 18th fatality of Oregon hunting season. One man drowned. Eight suffered fatal gunshot wounds, and eight died of heart attacks. At least 14 other persons have suffered non-fatal gunshot wounds.

Lawrence Vern Charley, 23, Siletz, drowned in the swollen Siletz River Saturday when his boat overturned. He was with his wife, Nora, returned from his trap line. He was weighted down by heavy clothing and pulled under. His wife swam to safety.

Dragging operations continued Monday. The accident happened about two miles above Siletz.

William Weddle, injured in the automobile accident at Albany, is a nephew of Mrs. Leroy Hiatt, Roseburg. She said he is suffering from fractures to both arms and other injuries. She said he is in "very critical" condition.

## Three Arrested Following Bout With Officers

Three persons were arrested in the aftermath of an apparent drinking bout at the home of one Saturday night, according to Roseburg police. All three have been charged with being drunk and disorderly and with assault and battery.

Police made the assault and battery charges after various officers had been: (1) Struck in the face with a magazine; (2) hit with another officer's flashlight; (3) shoved while they were making arrests.

In addition, a window was broken out of a prowl car and one of its doors sprung so it would barely close.

Police identified the three as: Charlotte Jane Zeisler, 34, of 2404 Stanton St. or 1932 W. Bertha St.; Elizabeth Isabel Hiney, 62, of 724 W. Rainbow St.; James D. Hiney, 37, of 668 Corey St.

One policeman was required to hold back a curious crowd and to unsmile traffic while the brawl was being settled.

It all started when police were summoned to settle a "milly brawl" which got out of hand.

When they arrived, officers said, they found Hiney and the elder (Continued On Page 2 Col. 1)

## Eagles Toy Drive Starts; Boy Scouts Working On Pickup

It isn't even Thanksgiving yet, but the Roseburg Eagles Lodge has decided it's best to start early on the annual toy collection drive so more county youngsters will have presents at Christmas.

Chairman James Fogel reports that the lodge is now making efforts to gather all the toys possible so members and other helpers can get to work on the annual repair and packaging project.

This Saturday, the Boy Scouts of the Roseburg area will pick up toys that can be used in the annual distribution to children who otherwise would not receive them.

To report toys available for the drive, residents of central Douglas County may call the following people: Cecil A. Munson at OR 3-7467, Fogel at OR 3-6285, Tom Hobbs at OR 2-1184 or W. G. Hunter at OR 2-1984. Calls should be made to these numbers telling of the availability of the toys at residences, and then the Boy Scouts will pick up those toys Saturday.

Chairman Fogel reports the Eagles hall will be open from now until Christmas while repairs and contributions of toys are being carried on. He asked anyone interested in helping with the toy repairs to come to the hall.

He said work has already begun on the project.

After repairs and packaging, the toys are distributed to needy children, whose names have been given the lodge by such organizations as the Salvation Army and Douglas County Welfare Dept. Pickups and distributions will also cover the outlying areas of central Douglas County, Fogel said.

Three boys, aged 13, 14 and 15, were charged by Roseburg police with obtaining money under false pretenses Saturday.

Police said they apparently had been making newspaper collections for a delivery boy, Melvin Langfield, 137 SE Jackson St. Langfield hadn't given them permission.

**MARIE DIONNE**  
... ill with anemia

## Marie Dionne Seriously Ill With Anemia

MONTREAL — Quintuplet Marie Dionne was reported Monday seriously ill with pernicious anemia.

The 21-year-old girl, who has been studying for religious orders, was brought here by a nurse last week to Notre Dame L'Esperance Hospital from Quebec City's convent of the Servants of the Blessed Sacrament.

Two other of the four surviving quintuplets, Cecile and Yvonne, are training as nurses at the hospital.

Reporting the diagnosis of Marie's illness, The Montreal Gazette said Marie's parents had left their home in Calander, Ont., for Montreal.

Hospital officials refused to give out any information. The only member of the family who could be reached immediately, the quintuplet's sister, Mrs. Maurice Girouard of Niagara Falls, Ont., said she knew nothing of Marie's illness.

This was the ninth annual contest and was sponsored by the Roseburg Junior Chamber of Commerce. The contest was open to pupils at Roseburg, Myrtle Creek, Douglas and Glide high schools.

Other winners listed by project Chairman Ambrose Roy were: Malcolm Madensald, 15, Myrtle Creek, second; David Ereson, 18, Myrtle Creek, third; and Gail Currier, 17, of 1428 SE South Ave., Roseburg, fourth.

A tape recording of Miss Felker's speech will be sent to the state Jaycee VOD chairman for entry in the state contest. For her victory here, Miss Felker will receive a \$25 savings bond, cash prizes of \$10 and \$5 will go to second and third, and an honorable mention certificate to fourth.

Chief Manning said the altercation followed an argument in which Stephens claimed Zitek had not paid him \$5 owed to him. The weapon used apparently was a pocket knife, Manning said.

Stephens was to appear in court again Tuesday.

Another Roseburg resident, George Lefley, 43, 418 SE Rose St., was in Community for treatment to his injured knee. Lefley told attendants he was unloading a steel bar from a truck when it slipped and fell across his knee. He is employed by Howard Cooper.

Richard A. Connolly, 23, pleaded guilty to a charge of being drunk on a public highway and was fined \$30 by District Judge Warren A. Woodruff Monday.

The judge noted that it was the fifth time the young man had been in his court on drinking charges and that there have been numerous other charges brought against Connolly in recent years.

## Bandit Killed By Police Deputy In Gun Battle

RICKREALL, Ore. — A service station operator, deputized moments before by a state policeman, shot and killed a holdup man in a gun battle at a tavern here Sunday evening.

The police officer, John Mekker, suffered non-critical wounds in the shoulder and arm in the shooting affray.

Police said that Herschel Greenwood, 24, fatally wounded Wallace Cunningham, 35, of Portland, in the chest after Cunningham had shot Mekker.

Robert Scott Kenyon, 31, of Salem, who police said had aided Cunningham in the \$100 holdup, surrendered and was held at the Polk County jail.

Mrs. Charlene James, the barmaid, said that the two men had entered the tavern at about 5:30 p.m., and ordered beer. Suddenly they produced revolvers and herded all the customers into a restroom at the rear of the tavern.

Snow, cold give winter touch around country

By THE ASSOCIATED PRESS  
Snow and cold gave a touch of winter to scattered sections of the North Monday.

Heavy snow ranging from 2 to 8 inches fell in the northern half of New York State. The snow reported in seven deaths in traffic accidents.

Another storm center was over Idaho Monday. Grangeville, Idaho, reported 10 inches of fresh snow in a 24-hour period.

Cold Canadian air dropped temperatures as much as 22 degrees in parts of the Dakotas and North-east Minnesota.

Heavy frost was reported during the night at Vicksburg, Miss., and Savannah, Ga.

## Five Killed, 225 Wounded In Pitched Fight In Bombay

BOMBAY, India. — Bombay seethed in the grip of a pitched battle between armed police and stone-throwing demonstrators Monday. Five persons were reported killed, at least 225 wounded and over 1,000 rioters arrested.

It was the second successive day of Communist-inspired violence touched off by Marathi-speaking Indians protesting Prime Minister Nehru's decision to create a separate Bombay city state out of the big west coast port.

More than 100 persons were injured in rioting Sunday.

Gangs milled through the streets, stoning buses and trains, setting buses afire and barricading main streets with huge boulders.

The violence exceeded that in last August's anti-Portuguese riots in Bombay.

Police and home guard forces first willed under a barrage of stones, then raised their rifles and fired at the Communist-led demonstrators trying to reach the State Legislature building.

The crowds set fire to three buses and showered passing traffic with rocks. They attacked firemen called to fight the fires.

Ambulances made their way through the littered streets picking up persons injured by stones and flying glass.

In the big industrial area of Parel and Lal Baug, Communists moved in and gained virtual control of a two-mile stretch of main road. Red leaders moved briskly up and down the road on motorcycles flying hammer and sickle flags, calling on the mob to converge on Bombay's downtown area to "capture" the Legislature, meeting Monday afternoon to discuss the city's future.

SEATTLE — A plywood official announced Saturday that the AFL lumber workers and plywood, lumber and logging industries in five Western states have agreed on a new two-year contract.

The official, Alfred J. Schweppe of Seattle, said the pact covers industry workers in Washington, Oregon, California, Idaho and Montana.

He forecast quick certification of the new pact, which calls for a 5 to 15 cents an hour raise effective from this Dec. 1 to April 1, 1957. The present pay scale starts from a \$1.93 base.

Employers said that although the current contract does not expire until next April they agreed to the earlier effective date in order to establish labor peace and to avoid another strike like the three-month layoff in the summer of 1954.

The AFL groups whose officials initiated the agreement Saturday represented 100,000 lumber workers in the five states.

Schweppe is chairman of the Plywood and Door Manufacturers Industrial Committee. Among those representing unions were: Earl Hartley, Seattle, president of the Puget Sound district council; Kenneth Davis, executive secretary of the northwestern council, and Ted Prusia, Eugene, Ore., executive secretary of the Willamette Valley district council.

## Soviet Chiefs Open Tirade Against The Western World Before Indian Parliament

By HAROLD K. MILKS  
NEW DELHI, India — Soviet chiefs Bulganin and Khrushchev opened a double-barreled attack on the West in the Indian Parliament Monday.

They told the more than 700 members, in the presence of Prime Minister Nehru, that Russia was united with India in an "unending battle for peace."

Both criticized the West on grounds it was "attempting to foil low policies based on a position of strength."

A spokesman for the Natural Resources Ministry told questioners in Parliament Monday, however, that nine Soviet mining experts are due to arrive soon to help prospect for oil and other minerals.

A spokesman for the Iron and Steel Ministry said 300 Soviet technicians are expected in about a year to work on a million ton steel mill India is buying from the Soviet Union.

Nehru, in his banquet speech Sunday night said the only camp "we should like to be in is the camp of peace and good will."

Mrs. Clonon said Crough, also divorced, had been staying with her and her children. She added that they planned to marry in January.

Police said a note was found near the child's body in the shed back of her home. They said it told that the child was hurt in an accident on a swing and that Crough had left since nobody would believe him because of his police record.

The note added, police said, that Crough tried to revive the child but gave up when he realized she was dead.

State police found the child's body during a search after Mrs. Clonon reported her missing on her return home Friday from her job as a waitress. She said Crough and Deborah were left behind at home when she went to work.
