

CIO To Ask 12 1/2 Cent Pay Increase, Criticizes AFL

showed that the IWA (the CIO international Woodworkers of America) and the AFL Lumber and Sawmill Workers had held several meetings this year to coordinate negotiations of both unions with employer groups.

Kenneth Davis, executive secretary of the AFL sawmill workers' Northwest Council, said that he had informed the CIO some time ago that management was considering making an offer to workers prior to the expiration of the present contract and that he had asked CIO officials to meet with him to discuss it.

Davis explained details of the Seattle settlement. He said the plywood association had offered the AFL plywood workers a 5 to 15 cent wage increase effective Dec. 1 and running until April 1, 1957.

The AFL union represents some 100,000 workers in six Pacific Coast states.

Dacey said the CIO union, besides the 12 1/2-cent across the board increase, also will ask more vacations, a pension program, travel time and rest periods.

The present contracts for both unions expire in April, 1956.

The CIO executive board, meeting here Monday, certified the election of A. F. Hartung of Portland as president.

Other officers whose re-election was confirmed: Dacey, first vice president; Claude Ballard, second vice president; William Botkin, secretary-treasurer; and Herb Irving, international trustee.

Suitor Slays Stewardess Aboard Airlines Plane

Air Force Lt. Norman Stout of Portland, Ore., and fired four shots.

Two of the shots struck Miss Shedd.

Stout said: "She was laying almost across me. Then he shot her point blank three or four times. I couldn't tell which. She fit on me, uttered a gasp and then he shot her."

"I couldn't get loose from my safety belt until he had shot her."

When he did free himself, Stout leaped from his seat and grabbed Clendenin. A fifth shot, which plunged harmlessly into the plane's side, was fired as they grappled.

Stout finally tumbled Clendenin through the door of the plane and down the ramp to the concrete field.

Clendenin, the son of Beverly Clendenin of Salt Lake City, ran about 25 yards and fired the one remaining bullet in the gun into his neck.

Blood streamed from the wound but he remained standing. He reloaded, ran another 25 yards and fired a bullet into his head.

Canyonville Seats New Councilman At Meet Monday

A new city councilman was seated in the Canyonville City Council Monday night, according to correspondent Virginia Proctor.

Richard Hussey was appointed and sworn in by Mayor Ed Oaks to fill out the term of Mrs. Gorda Gaubert. Mrs. Gaubert resigned because she is moving outside the city limits. She had one year to serve.

In other action, Mayor Oaks, City Recorder Ralph Goodell and Councilmen Chris Daniels, M. r. s.

Ted Ross and Arthur Custis were seated. They were recently elected. The mayor also made these appointments: Ted Nimmo, marshal; Fred Elliott, water superintendent; I. N. Gray, building inspector; Robert G. Danielson, city attorney; Paul Strahan, library board chairman; Norman Graham, president of the council; Hussey, Arthur Custis and Fred Carpenter, members of street commission; and Norman Graham, Mrs. Ted Ross and Daniels, members of the

water committee. Another member of the library board will be appointed later.

The council also okayed the following liquor licenses: Package store, class B license for J. & J. Market and Superette; retail malt beverage class A license for Pastime and Bridge Taverns; dispenser's license, class B for Foresters Club and Bridge Tavern.

The council also approved the Puckett subdivision owned by Carl Allison.

Mrs. Woodward Undergoes Probe

MINEOLA, N.Y. — Mrs. William Woodward Jr., haggard and tearful, went through a three-hour police quiz last night after leaving a hospital for the first time since Oct. 30, when she shot her millionaire husband to death.

The 39-year-old widow, Ann, broke into uncontrollable sobs three times during the questioning. She stated again that the shooting was a tragic accident.

After the interrogation, authorities unofficially let it be known that it still looks like an accident to them. However, Nassau County Dist. Atty. Frank A. Giulotta and Detective Chief Stuyvesant Finnell said they would make no official comment "in view of the fact that all evidence will be presented to the grand jury."

Mrs. Woodward's lawyer Murray I. Gurfein has asked that the grand jury hear her story, a request which must by law be granted.

The lawyer said Mrs. Woodward wants to testify and will waive immunity, making it possible to use her testimony should any case develop against her.

Doerner Elected At Clerk's Meet

Douglas County Clerk Charles Doerner was elected vice president of the Oregon Assn. of County Clerks and Recorders at a convention of the association at Portland last weekend.

Other officers named were Herman Lanke, Marion County recorder, president; Jessie M. Bell, Umatilla County clerk, secretary; and H. F. Jensen, Columbia County clerk, treasurer.

Members of the County Court attended conventions in Portland last week. Commissioner Frank Ashley returned on the weekend from the conventions of the Assn. of Oregon Counties and the Assn. of OAC Counties. Judge Carl C. Hill, who returned to Roseburg earlier, was re-elected president of the OAC association. Commissioner Elmer Metzger was still in Portland Monday to testify before the Congressional Joint Committee on Timber.

Members of the County Court attended conventions in Portland last week. Commissioner Frank Ashley returned on the weekend from the conventions of the Assn. of Oregon Counties and the Assn. of OAC Counties. Judge Carl C. Hill, who returned to Roseburg earlier, was re-elected president of the OAC association. Commissioner Elmer Metzger was still in Portland Monday to testify before the Congressional Joint Committee on Timber.

Argentines Move To Halt Strikes

BUENOS AIRES — The 10-day-old Argentine provisional government of Maj. Gen. Pedro Aramburu moved swiftly today to meet a second threat by Peronista labor leaders. Troops moved out of their barracks to guarantee the "freedom to work," the government said.

The government warned both labor and management to keep the peace or be punished for "grave sabotage" against the liberating revolution that toppled Juan D. Peron from 10 years of dictatorship.

Unofficial reports said the old Peronista labor leadership, which appeared to have been discredited thoroughly last week when the government faced down an unsuccessful general strike, had furiously ordered another general walkout "in principle."

Other reports said railroad, metal and textile workers were threatening to strike.

Quadruplegic Is Killed When Car Crashes Tree

RICHMOND, Va. — Sammy Gregorio's determination to live normally despite paralysis cost the brave Marine veteran his life last night.

The car he had laboriously learned to drive crashed into a tree in scenic Byrd Park with Sammy at the wheel. He was instantly killed.

Sammy, 28, from Philadelphia, suffered paralysis of both legs and both arms in a landing craft accident off Hawaii while serving in the 4th Marine Division.

At McGuire Veterans Hospital here, he never gave up. Not only did he learn to drive his specially equipped car—he learned to fly. Two years ago, he became the first quadruplegic ever known to fly solo. He piloted a single-engine plane for half an hour at a Richmond airport.

He Didn't Take Part In Holdup, Says Other Man

DALLAS, Ore. — Robert Scott Kenna of Salem said Monday he had nothing to do with the holdup of a Rieckreath tavern Sunday in which a hand was killed and a state police officer wounded.

The 31-year-old Salem man waived preliminary hearing and grand jury indictment on two charges, one accusing him of armed assault and robbery, the other accusing him of assault with intent to kill. Bond of \$20,000 was set.

Kenna said that his companion, Wallace Cunningham, 35, Portland, had talked about holding up the tavern. Kenna said he argued against the plan and thought that Cunningham had changed his mind.

He said they entered the tavern together but that Cunningham had committed the crime.

State policeman John Mekker was shot twice as he tried to arrest Cunningham. Herschel Greenwood, 24, a service station operator who had been deputized minutes before by Mekker, shot and killed Cunningham.

Rabbi Assails McCarren Act

WASHINGTON — Rabbi Abraham J. Feldman described the McCarren-Walter immigration act today as "immense in racist feeling" and said its "racist formula" for fixing immigration quotas was compounded of bigotry and ignorance.

He told a Senate Judiciary subcommittee, in his prepared testimony, that he was appearing for organizations that "represent virtually every phase of organized Jewish life in the United States."

Lehman, long an outspoken critic of the act, said that it "adopted most of the worst features of pre-existing law and added scores of new evils."

"The drastic revision of the law can be correctly described as a public mandate, long overdue in being carried out," said Lehman, called as the first witness for the subcommittee's second day of hearings.

The act was passed in 1952 over former President Truman's veto. President Eisenhower has called some of its provisions unjust and discriminatory and has asked Congress to reconsider it.

Woman Points Finger At Abbott

OAKLAND, Calif. — A heavy-set Oakland housewife pointed a pudgy finger at Burton W. Abbott and said flatly he was the man she saw beating a young girl in a car the day Stephanie Bryan disappeared last April 28.

Mrs. Hesse Leidecker was a surprise witness who volunteered information to the Berkeley police since Abbott's trial started Nov. 1.

She was the first witness to identify Abbott without qualification. Several witnesses have testified they saw a man strike a girl in a car on April 28.

The incident took place on Highway 24 a few miles east of Berkeley about 15 minutes after Stephanie Bryan disappeared. Abbott, 27-year-old accounting student at the University of California, is accused of kidnapping her, murdering her and burying her body near his family's fishing cabin 27 1/2 miles north in Trinity County.

Sen. Geddes Returns From Washington Trip

State Senator Paul E. Geddes has returned from a two-day stint in Washington, D.C., where he was one of several persons discussing the proposed Columbia River Compact. He was one of three westerners at the session which also dealt with the national water policy now being formulated.

Administration representatives present included Presidential Advisor Sherman Adams and former Idaho Governor Len Jordan who is now directing the international joint commission which concerns water rights between the U.S. and Canada. Senator Geddes is chairman of the natural resources committee for the Oregon State Legislature.

The Washington meeting ended Friday.

Man In Dazed Condition Held By Sheriff's Office

Officers were still trying today to establish the identity of a man who walked into a Canyonville hotel Sunday in a dazed condition, reports Sheriff Ira C. Byrd.

The man, booked in the county jail on a vagrancy charge while identification is being attempted, claims he can't remember his name.

The sheriff said the man, booked as John Doe, thinks his name may be Clinton Earl or Earl Clinton and that he is 31 years old.

A check is being made with the FBI, Byrd said, in an effort to match his fingerprints.

Laterals Bids Received By Sutherland For Sewer

Two bids were received on installation of lateral lines from Sutherland sewer mains to individual property lines Monday by the city, but no contract has been let.

The bidders were: Jeske Bros., Eugene, \$47,000; and Fred Stuber, Springfield, \$32,228.25. The bids have been sent to the city's consulting engineer in Portland for his recommendation, according to City Manager Hugh McKinley. The work includes installation of about 650 laterals. The engineer's rough estimate was about \$30,000.

FREED BY JUDGE

Richard John Chytka, 23, Roseburg, was ordered released from jail Tuesday by District Judge Warren A. Woodruff. Chytka has been in jail under \$1,000 bail since his arrest 20 days ago on an Okanogan County, Wash., warrant charging family desertion and non-support. The judge ordered the father of three freed, noting that Washington authorities have had 20 days in which to act, but have not contacted local authorities in regard to the charge.

HUBCAP STOLEN

Gary Wheelchick, 2906 W. Foothill Dr., complained to Roseburg police Monday evening that a hubcap was stolen from his car, which was parked at the City Drive in Market.

California Man Gets Sentence For Larceny

(Continued from Page One)

resented by Gordon Carlson, attorney appointed by the court. Dist. Atty. Robert M. Stults and Dep. Dist. Atty. Don H. Sanders prosecuted the case for the state. On the sentence, Holder was given credit for about five months spent in jail here.

In his instructions to the jury, Judge Woodruff outlined three possible verdicts: (1) guilty, (2) not guilty and (3) guilty of petty larceny, if the value of the loot was less than \$75.

The judge pointed out that the defendant could be convicted on circumstantial evidence but that the burden was on the state to prove guilt beyond a reasonable doubt.

Another criminal trial docketed for Monday morning did not take place because the defendant did not show up. William A. Hand, 45, formerly of Drain, is charged with obtaining money under false pretenses.

He forfeited \$500 bail when he did not appear for trial. Dist. Atty. Stults said he had been told Hand is in jail in Colorado on another charge.

The indictment against Hand alleges he passed a worthless \$20 check to Esther Jay on March 21 this year.

Roseburg Has Possible Chance For Federal Aid

(Continued from Page One)

school buildings, additions to already completed or in-progress buildings or for alleviating a dire overcrowding in classrooms.

Judd further pointed up the district's case for the federal aid under the program with the report unofficial census records for this year indicates an increase of approximately 400 pupils between 4 and 19.

Judd relates that approximately 10 other districts in western Oregon (including Canyonville and Riddle) are applying for funds under the program.

Judd reports that letters were sent home with each of the elementary and junior high pupils Monday. The letters request a report on occupation and place of employment of each of parents. He said if the parents or guardians have been employed on government lands at any time during the past two years and have now changed to other jobs, this information should also be included.

The district can receive aid on the basis of the previous year's enrollment and employment, he said. The 1955-56 count will be the basis for the financial assistance next year.

The occupation forms were to be back at the district office this morning.

Judd said other letters were sent directly to employers, asking for verification of employment from that level.

Maritime Stated For Eugene Talk; Hurls Brickbats

(Continued from Page One)

EUGENE — Gov. Averell Harriman of New York was to speak Wednesday at a special assembly of University of Oregon students here Tuesday.

At noon the governor was to meet local Democrats for a luncheon.

Another political speech is scheduled for Tuesday night at Milwaukie.

Harriman said last night in Seattle "our alliances are creaking" because of what he called Republican "incompetence and shortsightedness" in the field of foreign relations.

Speaking at a \$7.70-a-plate Democratic fund-raising dinner, the New York governor described the summit conference at Geneva last July as a "great Communist victory." He said the victory resulted from "confusion and contradiction in Washington."

He said while he favored holding the conference, he later found it "inexcusable" for the President and his advisers to give the impression that they believed in the sincerity of the Kremlin words in advance of the meeting.

World tensions relaxed, he said, when the President, upon returning from Geneva, "spoke though with some reservations, of 'the most shining opportunity' and 'a spark ignited at Geneva'."

"But unfortunately so did our defeatist Secretaries Humphrey and Wilson began to talk about cutting our defenses still more."

Morse Would Support Pay-As-Go Highway Plan

(Continued from Page One)

SALEM — U. S. Sen. Wayne Morse, addressing an over-capacity crowd at the Salem Chamber of Commerce Monday, said he would support a pay-as-you-go highway program in Congress.

He said he would oppose borrowing money for highways because, he said, the bankers would get more money than would be spent for roads.

Morse said he opposed selling government synthetic rubber plants to the four largest rubber companies.

He also told the audience, which overflowed into an adjoining room, not to worry about the federal debt, which is "not the threat the reactionaries would have you think. Uncle Sam is perfectly solvent."

CHARGE DROPPED

A complaint against C. Fenton Ford, 56, Eugene, has been dismissed from district court on motion of the district attorney. Ford was charged Nov. 15 with driving while under the influence of liquor following his arrest by a reserve deputy sheriff. Dist. Atty. Robert M. Stults stated there is insufficient evidence with which to prosecute the case.

Funeral Wednesday For Mrs. Williams

(Continued from Page One)

Funeral services for Mrs. Stanford G. (Marie) Williams, 32, are scheduled Wednesday at 3 p.m. in the chapel of Long & Orr Mortuary. She died at a Eugene hospital Sunday.

Officiating will be the Rev. G. C. Henderson of the Roseburg Church of the Open Bible. Concluding services and interment will follow in the Roseburg Memorial Gardens.

Mrs. Williams was born in Ardmore, Okla., May 27, 1923, and was married there Dec. 24, 1943. The couple came to Roseburg from California in 1947 and moved to Eugene in July of 1955 where they both entered the Bible Standard Institute, preparatory to entering the ministry.

Mrs. Williams was a member of the Roseburg Church of the Open Bible and a member of Mu Lambda Phi, a married women's scholarship organization.

She is survived by her husband and a son, Danny, both of Eugene; her grandmother, Mrs. Mary Pool of Roseburg; and aunts and uncles, Mr. and Mrs. A. D. Pool of Coquille, R. F. Hope of Roseburg, Mr. and Mrs. J. R. Hope and Mr. and Mrs. B. B. Pool, both of Avenal, Calif.

Retailers Assn. Future At Stake

The future of the Roseburg Retailers & Trades Assn. will be decided Wednesday.

A special meeting has been called for 9:30 a.m. in the Hotel Umpqua's Civic Room to consider the desirability of dissolving the association as an independent merchants group. Members present will consider the "desirability of reorganizing as a part of the Roseburg Chamber of Commerce," according to committee members Ed Nolte, Roland West and Bruce Elliott.

The committee members said a final decision on the association's future would be made at the legally called meeting. They urged all members to attend.

Other items of business to be brought up include joint merchandising plans for the Christmas season.

Mother Withdraws Charges Of Kidnaping

WASHINGTON, Pa. — Mrs. Joseph McGuane yesterday withdrew charges that 22-year-old Gary Pounds had kidnaped her recently married daughter and held her for four days.

The mother had identified Pounds as a former suitor of her 19-year-old daughter Maureen, who married Albert Maga Jr., 28, a soldier, last week.

Police Chief Enoch Matthews of nearby McDonald, where Mrs. McGuane lives, previously had advised the mother not to file the charges. Matthews said he had heard several conflicting stories and advised Mrs. McGuane to await further investigation before taking any action.

Longtime Resident Of Canyonville Passes

(Continued from Page One)

A longtime resident of Canyonville, Walter Gregory, 71, died Monday afternoon. Funeral services will be announced later by Ganz Mortuary, Myrtle Creek.

GARDENERS TO MEET

A meeting of the Roseburg Men's Garden Club is scheduled tonight at 7:30 at the Chamber of Commerce offices on SE Main Street. Members and any other men interested in gardening are invited.
