Waldorf Predicts Cal On Way Back

SAN FRANCISCO — There's good news for University of California football fans; the Bears' athletic fortunes are on the way up.

The word came from football coach Lynn (Pappy) Waldorf, who gave it out Monday just before Stanford won the top honors given annually by the Northern California Football Writers' Assn. to area grid stars.

The Indians swept the board with Chuck Taylor named Coach of the Year, tackle Paul Wiggins Lineman of the Year, and fullback Bill Tarr Back of the Year.

Waldorf, who had his worst season in nine years at California, told the writers:

"All sports at our school reached a modern all-time low during the past year.

"But I feel that our low point is past," Waldorf continued. "It's a very steep hill ahead, but I feel that we are on our way up in every sport."

"Actually, I think I have enjoyed my association with this year's football team as much or more than any previous team I've had at California. It was a team on which the spirit always was good and on which every man played up to his potential all season long."

The Bear squad concluded with a 2-7-1 overall record, including its first loss to Stanford under Waldorf.

Virdon, Cards Agree On Contract For 1956

ST. LOUIS — Bill Virdon, a top Rookie of the Year candidate in the National League, is the first member of the St. Louis Cardinals to come to terms for 1956.

Terms were not disclosed, but the West Plains, Mo., outfielder reportedly received about \$10,000 in the contract signed Monday, a sizable increase over his rookie salary.

Virdon hit 281 last year, with 18 doubles, 6 triples, 17 home runs and 69 RBIs. The fleet 24-year-old, a left-handed batter, tallied off a .309 mark at All-Star Game time.

Pitt Wins Bid To Sugar Bowl

NEW ORLEANS — Pittsburgh, shunted from football bowls for 19 years, will flaunt its revitalized power in the 1956 Sugar Bowl Jan. 2.

Pitt, ranked No. 13 in the nation by this week's Associated Press poll, has a 7-3 record. Defeats have been at the hands of top-ranking teams.

Fred Digby, general manager of the Sugar Bowl Committee, announced Pitt's selection today. He said the Panthers' opponents will be either Georgia Tech, Auburn, Vanderbilt or Mississippi.

That will be decided, he said, after the four Southeastern Conference teams play their final games Saturday.

Negro Problem Absent
If Pitt's substitute fullback Bob Grier is sent into the game by Coach Johnny Michelosen, he will be the first Negro to play in the Sugar Bowl.

Digby said the invitation to Pitt was made "without conditions." He said Pitt may play Grier and may sell tickets to Negroes if it wants to.

The Panthers closed their season last Saturday with a convincing 20-0 victory over Penn State. Pitt conquerors include Oklahoma, No. 1 team in the nation, Navy, No. 11, and Miami of Florida, No. 14.

Pitt Victims Listed
Pitt's victims have been California, Syracuse, Nebraska, Duke, Virginia, West Virginia and Penn State. The 26-7 victory over Duke came a week after the Blue Devils upset Ohio State, the Big Ten champions. Pitt's 26-7 victory over West Virginia knocked the team out of the undefeated class and the Sugar Bowl picture.

In its last bowl appearance, Pitt routed Washington 21-0 in the 1937 Rose Bowl.

Until this year it has not been able to build another powerhouse. This year's 7-3 mark is Pitt's best since 1933, when the Panthers won eight and lost two.

Pitt began its resurgence in recent years under Lowell (Red) Dawson, who resigned last season because of illness.

Woody Hayes Gets Ham For Michigan Victory
LOS ANGELES — Coach Woody Hayes of Ohio State has been voted the "Ham of the Week."

This is no joke — Hayes gets a real ham for Ohio State's victory over Michigan last Saturday.

Each week veteran sportsman Gene Doyle, self-named executive director of the Farmers Market Monday Morning Quarterback Club, awards a big ham to an outstanding coach. Hayes was the current choice.

Red Sanders, whose UCLA team won and goes into the Rose Bowl, was not forgotten. He gets a turkey.

The association said time and place of the Malin-Siletz game for the class B title probably would be set later Monday.

Novice Lightweight Gets Chance At Old Pro
HOLLYWOOD — Young Keny Davis of Los Angeles faces the best chance he's had in the ring Tuesday night but the odds are against him to whip nationally ranked Cisco Andrade of neighboring Compton in a 10-round fight at the Hollywood Legion Stadium.

The 24-year-old 1951-52 Golden Gloves champion is a decided underdog to whip the Cisco Kid, 25, rated No. 4 among the nation's lightweights.

Morgan Back From Political Meet In Chicago

PORTLAND — State Democratic Chairman Howard Morgan, who returned Sunday from a national committee meeting at Chicago, said that Adlai Stevenson may enter the Democratic presidential primaries in Oregon.

The state is under "active consideration" by Stevenson's staff, Morgan reported.

Stevenson's name could be placed in nomination here without his consent, Morgan said, however, that he was hopeful that no Democratic candidates would be nominated without their approval.

Mrs. Thomas Seales of Sandy, vice chairman of the party who attended the Chicago meeting with Morgan, said she was impressed with the "economic outlook, the unity and the organization of the party."

Morgan said he had conferred with the three leading Democrats mentioned for the nomination — Stevenson, Sen. Kefauver (D-Tenn.) and Gov. Averell Harriman of New York.

Morgan announced his candidacy last week. Kefauver is expected to announce his decision next month, and Harriman has stated he is not "actively" seeking the nomination.

Morgan said he had assured the three that Democratic party officials in Oregon would be neutral in the event more than one of them was entered in the May 18 Oregon primary.

Speaking as an individual, and not as a party official, Morgan last month criticized Harriman for his close association with Carmine DeSapio, head of New York's Tammany Hall.

Asked if this criticism had been discussed at the Chicago meeting, Morgan replied only that this had been one of the "most pleasant, fruitful and constructive trips" he had ever made in behalf of the Democratic Party.

Harriman Denies He's A Candidate

SEATTLE — Gov. Averell Harriman of New York said Monday "I am not a formal candidate for President at this time."

The New York state chief executive, who will address a Democratic fund-raising dinner here Monday night, declined to elaborate on the statement made at a news conference. He arrived here from Chicago Sunday night.

He was asked what he would do in the event of the formation of Harriman-for-President clubs and replied that that situation has not developed yet.

The former ambassador to Russia also told the interviewers he does not believe it will matter who the Democratic standard-bearer is next year but rather that the issues will be decisive, and that the Democratic Party "will win."

He said he could not "underwrite every word" that Adlai Stevenson made in his Chicago address Saturday night but Stevenson made a "very fine speech," Stevenson said, and other party leaders, including Harriman, denounced the Republican campaign of "Peace-Prosperity-Progress" and assailed what they called "special interest government in Washington."

Harriman also told the interviewers that the "Spirit of Geneva" has become the "Hoax of Geneva" and said that if Secretary of State Dulles and the American delegation were hopeful when they went to the recent Big Four foreign ministers session they were "very naive."

Court Will Rule On Challenging Of Security Program

WASHINGTON — The Supreme Court Monday agreed to rule on an appeal which challenges extension of the government's security program to nonsensitive jobs.

The appeal was filed on behalf of Kendrick M. Cole, a former inspector in the New York district of the Federal Food and Drug Administration. He was fired on security grounds in January, 1954.

Cole's lawyers contend the security program exceeds statutory authority when applied to nonsensitive positions. Cole said that as an inspector he had no access to government secrets or classified material, and was not in a position to influence policy against interests of the United States.

The appeal was filed with the Supreme Court after the U. S. Court of Appeals for the District of Columbia upheld the dismissal. In its only other major action Monday the high tribunal reversed a previous tie vote ruling and decided 5-4 that the federal government may be sued for damages to a barge's cargo resulting from asserted negligence by the Coast Guard in the operation of a warning light.

Indian Towing Co., Inc., of New Orleans, sought \$60,000 damages for the wetting of a cargo of phosphate on a barge towed by the tug Navajo. The tug grounded in Mississippi Sound Oct. 1, 1951. The firm contended the light on the island failed because of Coast Guard negligence. Lower federal courts had dismissed the suit.

The vote Monday was the first 5-4 split for the new term which began Oct. 3.

Segregation Said On Way Out In Maryland Guard

BALTIMORE — Segregation was on its way out in the Maryland National Guard here after an abolition order by Gov. Theodore R. McKeldin.

Maj. Gen. Milton A. Reckord, adjutant general of the state unit, said he would "issue the proper directives" today to carry out the governor's order.

McKeldin instructed Reckord to "initiate without delay all such steps as are necessary to bring an end to racial segregation in the organization of the Maryland National Guard."

Guard officials said Maryland is the first Southern state to drop racial barriers in its military service.

A group of 15 Negro officers who formerly served in the Maryland Guard recently announced plans to ask a Federal District Court ruling against Guard segregation.

The Negroes said they were integrated with regular Army units while serving in Korea but pre-empted to remain on inactive duty upon returning home rather than rejoin segregated Guard outfits.

McKeldin's directive said, "The awaiting of court action would result only in an unnecessary delay."

About 150 Negroes in two all-Negro transportation units in Baltimore would be affected immediately by the order. The units are the only Negro components of the state Guard's 38 units.

Reckord looked for "a smattering of enlistments" but added, "I don't think it's going to make too much difference. I feel sure everybody will take it in stride."

West Oregon Logging Ends In High Elevations

CORVALLIS — Western Oregon logging, halted by snow last week, likely is finished for the winter at higher elevations. Crews got back to winter shows at low elevations late in the week when the thaw came.

The Oregon State College extension service, reporting this in connection with its weekly survey of farm forest products, said Long No. 2 second growth Douglas fir sawlogs had a range of \$30 to \$60 a thousand at Willamette Valley mills but were mostly \$30 to \$35. Select peaches sold up to \$65.

In Douglas County log camp run logs were mostly over \$50 to a ton of \$34. Eight foot logs were \$16 to \$18.50 a cord.

Alder and maple brought \$42 a thousand for 12 inch diameters at Portland. At Eugene 10-inch alder was \$35 to \$40 and maple was \$40.

Uniforms For Band By Christmas Goal At Douglas High

The campaign to get uniforms for Douglas High School band members by Christmas time moved into high gear this week.

Younger students in the school district (116), which encompasses Winston, Dillard, Tennille, Lookingglass and the surrounding area, are vying for a handsome gold trophy. It will go to the student group selling the most community birthday calendars.

The contest is sponsored by the Douglas Band Aides, a paternal group which hopes to see the Douglas band marching in uniform by Dec. 25. Band members currently wear white shirts and blue jeans.

The birthday calendar may also be purchased from a Band Aide member. As explained by Bob Peters, the calendar is for all folks in the district. He said it is possible for each resident to have his name printed on the calendar "on the date on which birthday falls." Peters pointed out that the listing only tells the date.

It will also show the anniversary of married couples in the community, meeting dates of local clubs and organizations, coming dates of church, school and community events.

To win, the Dillard youngsters must sell twice the amount of calendars sold by the other team. The trophy, donated by Roseburg Jewellers, is a permanent award and will go into the winner's trophy case. It will be presented the night of the Douglas High carnival, Dec. 9, to the winning school's principal.

A minimum charge of 25 cents is asked for each personal listing. Each family may buy a calendar for 50 cents. Extra birthday calendars may be purchased. Proceeds from the sales will go toward purchase of the uniforms.

The Band Aides request that all listings be made as soon as possible. The deadline is Dec. 10. Persons not contacted may make insertion or secure more information by calling Peters at OR 3-5969 or David Hutson at OR 3-4879.
