Tito Launches New Policy On Living Standards

BELGRADE (AP) — Yugoslavia's Communist government is launching a new economic policy designed to boost living standards. President Tito announced his regime would emphasize production of consumer goods and food and de-emphasize heavy industry.

The policy shift was in marked contrast to the situation in the Soviet bloc. There the replacement of Soviet Premier Georgi Malenkov by Nikolai Bulganin last February and the move to the front of Communist party chief Nikita Khrushchev was accompanied by abandonment of Malenkov's policy of more consumer goods.

The rest of the Soviet bloc countries were quick to follow the Kremlin's lead in renewing the predominance of heavy industry, including arms production.

"It is now important," Tito said, "to give priority to those enterprises which will yield the quickest results in improving the living standard and in balancing the Yugoslav foreign payments account."

Tito outlined the program in a speech to the Federal Committee of Communist Alliance of the Working People of Yugoslavia, a Communist-led group claiming a membership of more than eight million.

Tito said the development of heavy industry has reached such a level "that we have something upon which we can continue building at a slower pace and more easily."

REALISTIC!

VARINA, Va. (AP) — The staged accident in front of the American Legion hall here was pretty realistic to George Elmore Whitman. Two automobiles were placed in position. A dummy figure was splashed with catsup to simulate blood. Gasoline was poured into a hub cap and set afire. A man banged a fence with a shovel to indicate a crash. The Henrico Volunteer Rescue Squad and Varina Volunteer Fire Department trucks dashed up from their arranged positions several hundred yards away.

At this point Whitman, a construction superintendent (also a member of the fire department) came in. Thinking the accident the real thing he kicked the flaming hub to prevent the cars from burning. His kick splashed burning gasoline over his leg. He ran screaming but the fire department grabbed him and smothered the flames.

FELLOWSHIP TO MEET

The All-Women's Fellowship of the First Christian Church will have a Christmas meeting tonight at 7:45 in the fellowship hall of the church. A special program is planned. A shower of new or used toys for the 2 to 4-year-old nursery will be held in place of a gift exchange. All members are urged to attend.
