

U. N. Postpones Resolution Vote

UNITED NATIONS, N.Y. (AP) — Faced by a certain Russian veto, the U.N. Security Council Wednesday postponed indefinitely a vote on a British resolution favoring Japan's admission to the U.N. This apparently ended all attempts to act on Japan this year.

Sir Pierson Dixon, British chief delegate, put off a vote after an acrimonious session at which the council failed to approve a Russian proposal linking Japan's admission with Outer Mongolia.

The vote on the Russian demand showed the Soviet Union alone in favor, none opposed and the other ten members abstained.

Last week Russia changed signals and let 16 new members pass. Japan was barred by veto three times.

The General Assembly adjourned Tuesday and there will be no opportunity to deal with more new members until the next assembly meets in 1956.

No Duplicate Bridge.

Stevenson's Son Injured, 2 Others Killed In Crash

ELKHART, Ind. (AP) — A head-on collision Wednesday of a truck and a car carrying four home-bound Harvard University students injured Adlai Stevenson's 19-year-old son, John Fell, and killed two of the collegians.

Young Stevenson, a sophomore at Harvard and driver of the car, was hospitalized at nearby Goshen with a broken right kneecap and severe face cuts. His condition was reported not serious.

In Chicago, Adlai Stevenson, 1952 Democratic presidential nominee, chartered a private plane to fly to his son's bedside.

The crash killed William Stanley North III, 19, Lake Forest, Ill., and William C. Boyden Jr., 19, Chicago, both Harvard freshmen.

A fourth occupant of the car, James Gilligan, 19, Nebraska City, Neb., also a Harvard student, suffered minor injuries, as did the driver of the truck, Fred Gill, 29, Detroit.

The four Harvard boys were en route home for the Christmas holidays. Police said their car came over the brow of a railroad overpass 15 miles east of here just as Gill was passing a slower truck on the opposite approach.

The two students who were killed were riding in the front seat of the car with Stevenson. Gilligan was in the back seat, loaded down with skis and ice skates.

North was a son of William S. North II, president of Union Special Machine Co., of Chicago. Boyden's father is a prominent Chicago lawyer.

Gilligan is a son of Dr. J. P. Gilligan of Nebraska City.
