Motion Picture Will Be Feature Of Church Rally

The sound motion picture, "A Missionary to Walker's Garage" will be the special feature of a regional young people's rally to be held at the Church of the Nazarene tonight at 7:30.
The rally is one of four which will be held simultaneously over the state under the general theme of "Go With Lamps Aglow." Sponsored by the Evangelistic Committee of the Nazarene Oregon Pacific Young People's organization, the rallies will be built about the theme of "personal soul winning." The motion picture is geared to this emphasis. It will be followed by an interesting interview of one who has been active in this type of work as well as of a person won through this type of evangelism.

Each of the four rallies will be followed by a session on Wednesday morning in which opportunities will be given to do some practical work in as many home missionary areas of the Church. Those in attendance at the Roseburg rally will go to Sutherlin where they will work in the interests of the new Church of the Nazarene being organized there. Each morning session will be followed by a testimonial luncheon where reports will be given.
Rallies are being held in Portland, Salem and Medford. The Rev. Robert Hempel, local minister of the church, is the president of the District Youth Organization which is sponsoring the endeavor.
Cortisone, the chemical widely used for treatment of arthritis, has been found in rare Mexican yams by field workers of the United States Department of Agriculture.
