

**BIRD-FEEDING HOBBY PAYS OFF**—C. R. Likins, almost 75 years old, retired in 1950 as an aircraft inspector and has since parlayed his hobby into a new business—building "scientific" bird feeders. He's shown above inspecting some of his colorful "residents" in his Cleveland, Ohio, workshop. In action now from Canada to Texas, Likins' feeders consist of citrus, tomato juice, pickle and lard cans for containers and cut-up coat hangers for "working parts." Metal "cone" awnings protect birds from the rain. His feeders hold from a pint to as much as 50 pounds of food. He says birds he feeds eat up to 40 pounds of food a week.

### South Deer Creek District Hard Hit

By JEAN RADCLIFFE

The South Deer Creek Road was among the hard hit areas in the weekend storm. A great number of tall trees were uprooted and topped over on the county road all the way from the Bob Findlay ranch to the Dale Owen place at the end of Deer Creek Road.

Al Radcliffe met with a narrow escape Friday evening when he was assisting a neighbor, Mr. Warren cut a tree that was obstructing his way and a huge tree toppled over just a few feet behind him, leaving him only seconds to jump out of its path.

#### Food Sale Planned

Mrs. Jean Radcliffe, community chairman for the March of Dimes, states that there will be another fund raising project this year. A home-cooked food sale is being planned for the latter part of the month. All ladies in the community will be contacted for their donations.

Mr. and Mrs. Ed Harris traveled to Gold Hill recently where they visited Harris's brother-in-law and sister, Mr. and Mrs. C. O. Schmidt. Mrs. George Baldwin recently heard from friends in Muskegon, Mich., and they reported seeing in their home newspapers that Roseburg was under three feet of water in the recent floods. She also stated that the Michigan friends sent blankets and bedding for "their home relief."

### Riversdale Club Plans Joint Meet

By BEVERLY CHRISTIAN

The Riversdale Community Club met Monday evening. Plans were completed for the club to sponsor a joint meeting with the residents of Garden Valley to learn the facts of forming a fire protection district in the Garden Valley-Riversdale area. Qualified speakers will be present to give all the facts at a meeting at 7:30 p.m. Monday, Feb. 6. Everyone in the area is urged to be present.

The snow of last weekend caused many disadvantages to Riversdale residents with the electricity being off from 17 to 48 hours in different sections and phone service being out from one to three days.

Many trees in the areas had large branches broken, especially oak trees. One tree fell across the road at the Darwin Lee home which blocked the Quail Lane road for a while. Trees fell across the road on Fisher Road in the "grove." One of these hit a pickup driven by Max Montgomery, but caused little damage.

A tree fell onto a chicken house of R. L. Harmon's but caused little damage as it fell so slowly. Some Riversdale residents were unable to return to their homes from work in town Friday night as the roads were so slick and jammed with traffic.

The Riversdale school bus got stalled on the hill on Fisher road after the load of children was home and it was there until late Friday night until chains were put on.

**Leaves For California**  
Miss Patsy Shelley who has been residing with Mr. and Mrs. Don Myers, left Sunday for Huntington Park, Calif., where she has enrolled in a special three-month Bible course.

Mrs. Lura Pauley spent a few days last week visiting her brother-in-law and sister, Mr. and Mrs. R. L. Harmon, from her home in Creswell.

The Riversdale Kindergarten began Monday at the home of Mrs. Elsie Hall. Anyone interested should call her.

Mr. and Mrs. Yale Stevenson and family of Creswell spent Sunday visiting Mr. and Mrs. L. W. Cottrill and Gordie. Miss Donna Stevenson appeared with two other girls in a trio which sang on KVAL-TV on Beverly Brunton's show last Wednesday.

Mr. and Mrs. Don Harmon and daughters, Sherrill and Julia, went to Creswell Monday on business. Mr. and Mrs. Ernest Trussell entertained the latter's son and daughter-in-law, Mr. and Mrs. Floyd Epperly and three children, with a dinner Saturday. The occasion marked the wedding anniversary of the Epperlys.
