SKI REPORT

Fair skiing conditions on Taft Mt. trails were predicted for Saturday and early Sunday, according to ski instructor Fred Weber. Ski conditions will improve with the use of the slope. Conditions are poor off the trail.

Three inches of heavy and wet snow have fallen since last weekend, bringing the total to 29 inches at the mountain.

The weather forecast is for occasional rain through Saturday with the freezing level above 6,000 feet. Southerly to southwesterly winds will hit exposed places. The outlook through Sunday is for partly cloudy skies.

Road conditions are clear and if no snow falls they will continue to be open without necessity of chains. Chains are not required in the Willamette Pass and skiing is reported good with snow depth of 60 inches after 10 additional inches this week. Trails are open.

At Santiam Pass skiing is fair with 84 inches total snow and packed snow on the highway. All facilities operating and chains should be carried.

Snow, occasionally mixed with rain, is expected at both Santiam and Willamette through Saturday. Partly cloudy outlook for Sunday.

Ralph W. Whipple, Ex-Drain Man Dies, At Montana Home

Word has been received at Drain of the death of a son of Lloyd and Allie Whipple, early Drain settlers, and former county officer in Montana — Ralph Watrous Whipple, 78.

He died Jan. 11 at Stillwater Community Hospital near his home at Fishtail, Mont. Death followed a long illness due to cancer, reports correspondent Maud Deaver of Drain.

A direct descendant of William Henry Whipple, a signer of the Declaration of Independence, Ralph Whipple was one of 10 children born to Lloyd and Allie Whipple. Five are still alive.

He was born at Nevinville, Iowa, Oct. 21, 1877, and moved to Oregon with his parents at an early age. He went to Montana in 1898, homesteading at Fishtail. He was married there in 1906 to Nellie Flanagan, who died in 1932. They had one daughter, Mrs. James Bates of Los Angeles. Mr. Whipple was married in 1937 to Martha Walker. A daughter, Sharon Kay, was born to that marriage.

Whipple once served as a county commissioner and as a deputy sheriff. He retired from active life in 1946. He was a member of the Methodist Church and of Stillwater Lodge 62, AF & AM.

Besides his wife and two daughters, he is survived by two sisters and three brothers, Mrs. Ned Dixon of Roseburg, Mrs. Charles McElhinny of Salem, Ernest and Hugh Whipple of Drain and Lloyd Whipple of Roseburg; and two grandchildren, Beverly and Jimmy Bates.

Mr. and Mrs. E. G. Whipple, Hugh Whipple, Lloyd Whipple and Mrs. McElhinny attended funeral services, held Jan. 14 at the Congregational Church in Columbus, Mont. The Stillwater Masonic lodge held committal services at Absarokee, Mont.

At 32, Judge Woodrich is second youngest circuit judge in Oregon.

Fuel Truck Drivers Return To Their Jobs

NEW YORK (AP)—Fuel truck drivers were back at work today after a five-day strike that Mayor Robert Wagner said had threatened to become a midwinter "catastrophe."

Fuel deliveries were resumed Friday at 4 p.m. after the drivers, members of the International Brotherhood of Teamsters, voted to accept an increase of 30 cents an hour in wages and other benefits.

Greek Contralto Charms Audience In Concert Here

Greek Contralto Elena Nikolaidi charmed her near capacity audience in Central Junior High School auditorium Friday night, singing a well-rounded program of difficult selections.

The leading contralto of the Metropolitan Opera Co., appearing here under Roseburg Community Concert Assn. sponsorship, left little doubt in the minds of her attentive listeners of the ability for which she has been acclaimed not only in this country but in Europe and Australia as well.

The finely executed program included selections from Handel, Hayden, Schumann and Richard Strauss, as well as Greek folk-songs.

The singer was best in the ever popular aria, "My Heart at Thy Sweet Voice," from Camille Saint-Saens "Samson and Delilah," and then thoroughly entertained her audience with an encore selection, "Habanera," from the opera "Carmen," which offered excellent opportunity for dramatic presentation.

Also, especially commendable was her rendition of the aria, "Bei Ragion Lusinghiera" (A Ray of Light Devine) from Rossini's "Se-miramide." A concluding encore selection was Brahms' "Lullaby."

Miss Nikolaidi was accompanied by Robert K. Evans, who played three piano selections.

Five State Search On For Convicted Murderer

EVANSVILLE, Ind. (AP)—Trails led in many directions Saturday as the FBI and police of five states sought to trace Leslie Irvin, Indiana's cleverest escapee since desperado John Dillinger.

The 31-year-old Evansville pipe-fitter, under sentence to die June 12 for murder and indicted for five others, slipped out of Gibson County Jail at nearby Princeton Wednesday night. Left behind were a fearful cellmate, four unlocked doors and a cardboard key.

The most likely trail led Westward. State police said Irvin mailed three letters early Thursday morning, before his escape had been discovered, at Mount Carmel, Ill.

A cardboard key, reinforced with tin foil, was regarded by police as one of the most ingenious escape devices since the wooden gun carved by angster John Dillinger in 1934. Dillinger used the gun to escape from the Lake County Jail at Crown Point, Ind.

Bombay Rioting Now Threatening To Hit New Areas

BOMBAY, India (AP)—Rioting erupted anew in Bombay State today and threatened to spread to other parts of the country as protests mounted against Prime Minister Nehru's plan to redraw the map of India.

Angry demonstrators battled police and put the torch to big cotton warehouses in the scarred city of Bombay. Reports of fresh violence came from other parts of the state in the sixth straight day of disorder.

Word of disturbances also came from the States of West Bengal, Orissa and Bihar where demonstrators, apparently aroused by the Bombay riots, began staging their own protests against Nehru's reorganization plans.

The Bombay crisis stemmed from the government's intent to split the state into three parts: The Marathi-speaking south, the Gujarati-speaking north and bilingual Bombay City under federal control.

Nehru's ruling Congress party faces a dilemma over Maratha demands for including of Bombay City in the Marathi-speaking state. About half of the city's three million people are Marathas.

Some observers believe the party will lose its long-time stronghold of Bombay unless Nehru yields to the demands.

Red Cross Chapter Aided 39 Families Damaged By Floods

The Douglas County Chapter of the American Red Cross has given assistance to 39 families in the area who suffered effects from the recent floods.

The report was made at the chapter's monthly meeting in Roseburg Friday night by Miss Janice Shepard, special caseworker from San Francisco. She said the assistance cost the Red Cross \$5,500. Some \$1,000 of this was donated for food, clothing and lodging during the emergency period.

The remainder was for repair of flood-damaged homes, medical and nursing care and household furnishings.

The total does not include assistance in the Reedsport area. That was handled out of the Coquille chapter office.

Miss Shepard is leaving Roseburg today to work in the Crescent City, Calif., area. In her report, she complimented the various agencies such as Civil Defense, sheriff's office and Red Cross for their handling of the emergency situation. She also praised the general attitude of independence and self-sufficiency of local citizens.

She also reported that 8,709 families in California, Oregon, Idaho and Nevada have made applications for assistance from the Red Cross. She said \$1,149,233.49 had been committed to date. It is anticipated over \$ million will be spent.
