Cars Slightly Damaged In Sideswipe Accident

Moderate damage was caused Sunday shortly after noon when two cars sideswiped near Winston Bridge just north of Winston on alternate Highway 99, according to state police.

Police said a car registered to Howard W. and Jean E. Schauer, 140 SE Mill St., started to pass one driven by Dr. A. K. Fowler, Myrtle Creek. Police were unable to learn the name of the driver of the Schauer car.

Officers said the Fowler car drifted over the center line, hitting the Schauer car, which was sent backwards over an embankment. There were no injuries or citations.

One traffic accident was reported in Roseburg Saturday night. Cars driven by William Daniel Beamer, 240 NW Sweetbrier St., and Haroldine Irene Baldwin, 314 NW Sweetbrier St., collided at the intersection of Rose Street and Washington Avenue.

Roseburg police said a passenger in the Baldwin car, Leona Hink, was taken to Mercy Hospital for examination. Beamer was cited for failure to yield right-of-way.

Neal Children's Aid Fund Drive Comes To End

Children were offered discounts on most items purchased.

The fund drive stood at \$3,229. McKay, Garrison and the Rev. Mr. Baker Saturday learned at Riddle that the fund drive had reached its goal.

Raymond D. Shelton, general manager for Santa Fe's coast line, said, "Engineer Frank Harris and I think this fund drive was a real success. It was a real success."

Parrish, 61, of San Bernardino, Calif., who has been with the railroad 37 years, said he had helped the fund drive by passing a 35 m.p.h. marker and apparently blacked out. The next thing he remembered, the engineer said, was the train beginning to tip over.

Many bodies were crushed and dismembered. Emergency workers went out for doctors, nurses, clergy and blood. Scores of ambulances lined up at the scene. Clergymen of all faiths circulated among the dead and injured, administering final rites or giving comfort.

Scene Like Nightmare

The first ambulance attendant to reach the scene, Daniel J. Cesarotti said:

"We gave them morphine until we didn't have any more—and still there were people screaming out in pain. It was like a nightmare."

"When we got there we found the two cars tipped over. We climbed on top of them and broke windows so we could climb inside."

"There were screams and moans all about us. It was horrible."

Bodies and parts of bodies were everywhere. Many of the passengers had been crushed in their seats.

Others had been thrown through the windows of the railroad cars and crushed under them.

"We saw the bodies of two children."

"This is the worst we've ever seen."

Firemen used axes and sledges to smash into the cars for victims still inside. Heavy cranes later righted the cars.

When it brought up one, the assembled crowd gasped. A body hung out a jagged window. At the rear door were parts of two or three other bodies.

Other victims were strewn along the right of way in the wake of the sliding cars. More than 40 physicians were there. Others were dispatched to hospitals. The Red Cross made 1,500 pints of whole blood available.

A detachment of soldiers joined hands forming a human chain to keep back the throngs of morbidly curious who jammed the area near Washington Boulevard and Soto Street in the southeastern part of the city.

The worst previous California railroad disaster, in 1907, was a Shimmers Special at the town of Honda. It claimed 37 lives.

Man Run Over By Own Automobile, Killed

LEWISTON, Idaho — A man who was run over by his own car after it was hit from behind by a truck died in a hospital here early Monday.

William H. Berlin, 50, an employee of the Lewiston Orchards irrigation district, was placing some flares on Thain Road near here Saturday night.

Deputy Sheriff Abe Frye said Berlin was standing in front of his car when a truck driven by Lawrence Neilson, 30, hit it from behind. Berlin was struck by the hood of his car, then run over. Neilson was hospitalized with cuts. The flares were to warn motorists of new ditches along the road.

TAIPEI, Formosa, (U. S. — In a broadcast beamed to Red China, Nationalist China's Premier O. K. Yui said Monday that Nationalist preparations for a counterattack against the mainland are nearing completion. He called upon the people of the mainland to join the counterattack.

U. S., Canada Pay Tribute To YMCA On Anniversary

Throughout the United States and Canada this week tributes are being paid to the Young Men's Christian Assn., founded 104 years ago in London "for the improvement and mental condition of young men engaged in houses of business."

In 104 years, the "Y" has served a great many more purposes, beginning primarily in 1851 when it broadened its aims to improve the minds, bodies, spirit and social outlook of youth on all levels.

This occurred shortly after it was transplanted in America, taking root first in Montreal and Boston.

Many "Firsts"

Since then its history has been dotted with "firsts." For example, the YMCA during the Civil War created the U.S. Christian Commission, first volunteer wartime armed forces agency and forerunner of the USO and Red Cross; junior ball and volleyball and some other sports; invented under the YMCA's aegis; the Camp Fire Girls organization was founded by one of its staff members; the Boy Scouts were organized in this country through the guidance of Y men; new gym techniques introduced; resolutions worked on physical education; through its World Services program, it carried American sports and other democratic ways of life to the far corners of the earth; Father's Day also was first sponsored by the YMCA.

Office On Spruce Street

In Roseburg, the YMCA office is in the old Grange supply building on Spruce Street, from where a wide variety of services are rendered to youth and adults. The office was in the Army for several years.

In the past year, 102 different Y groups held 1,011 sessions with total attendance of 25,204 men, women and children. There are 412 YMCA members, with 87 volunteer leaders. Fifty youths used camping facilities at Diamond Lake.

The local organization sponsors clubs, classes, social and recreational activities, physical education programs, swimming instruction, educational courses, trips, camping and day camping for youth and extensive programs of leadership training.

Especially significant, says Secretary Don Naden, is its "four-front program" for youth: Indian Guide Tribes for 6-8-year-old boys and their dads, Gra-Y clubs for grade school boys and girls, Junior Hi-Y for junior high youth and Senior Hi-Y for boys and Tri-Hi-Y for girls. Emphasis is placed on family programs, citizenship training, world understanding and Christian values.

The World Service program of the YMCA for many years has been giving Point Four assistance to help train native leadership to carry on the type of Y services most needed around the world.

Funeral arrangements are being handled by Ganz Mortuary of Myrtle Creek.

Mrs. Nora McCurry Dies At 51 Years

Mrs. Nora Pearl Lee McCurry, 51, Riddle, died Saturday.

She was born at Rogers, Ark., May 6, 1904, and moved to Riddle six years ago from California, where she had lived for a year.

She was married to Franklin D. McCurry, Sept. 22, 1922, in Arkansas. She was a member of the Baptist Church.

Survivors include her husband and two daughters, Beatrice and Dorothy, and two sons, Charles and Billy, all of Riddle; two sisters, Mrs. Ethel Netherton of Sullana, Calif., and Mrs. Annabelle Zipp of St. Louis, Mo.; and 10 grandchildren.

Arrest Of Gang Clears Wave Of Various Crimes

(Continued From Page One)

The arrests will clear up other recent crimes in the area.

Tip Follow-Up Praised

The string of arrests were made and all day Sunday. Sheriff Ira C. Byrd joined with a city officer in making some arrests outside the city.

Olson had special praise for the work of Officer Gail Carmine, who followed up the initial tip which broke up the gang. Carmine was contacted at his home by the parents of one of the girls. The mother told Carmine she was worried about the company her boy was keeping.

From there the trail led to the other seven. The Tiller man was arrested with Redifer. All have made statements to officers. In the statements, it is brought out that four cases of beer were taken when a distributing company truck was entered Friday night.

As of Monday morning, it had not been determined whether the gang was involved in a crime against the city, "Fire-O-Meter" boxes were broken into and money taken. An undetermined amount of cash was taken. Chief Olson said the amount was small, since the boxes were emptied about 6 p.m. and the crime occurred about 11 p.m.

Train Wreck's Death Toll 29, Injured 150

Coos Jobs Tackled

A cut slide closed Highway 42, near Remote, for about three hours Sunday. It has been repaired. The department has a crew of nearly 75 men working to repair washouts on the road to Coos Bay.

Highway 99 was termed in "preliminary good shape" though by Edwards, except for minor repairs. He said slides were bulging pavement near Comstock and on Rice Hill.

Edwards had some good news. He said the Oregon Coast Highway was in better condition than normal this year "in spite of the bad weather." He said the highway department had "exceptionally good luck on new construction south of Port Orford."

Elsewhere, Highway 235 was reported under water at milepost 187 near Deady Sunday night. The water reportedly did not stop traffic.

About the same time the County Road Dept. crew was called to see about damage to the North Umpqua Road, just east of Dry Creek. It was said to be impassable Sunday night.

Chene Racks Up Wrestling Win

Leapin' Larry Chene, newcomer from Texas, continued to fascinate the customers and won his second straight match as he turned back Henry (Golden Boy) Lenz at Saturday night's wrestling action at the Armory.

The leaping one used favorite holds in disposing of Lenz, having to come back with second and third fall verdicts to overcome his opponent. Lenz had taken the initial fall after twelve minutes and 25 seconds with his dreaded full Nelson.

It appeared for awhile that Chene might be disabled or at least weakened for the remaining action by this turn of events. But the popular grappler came back with dropkicks and a press at 7:17 to tie things up and then put Lenz away for good with a flying scissor and a press at 8:45 of the third fall.

Mean Bull Montana was the winner in the semi-final. His victim was old-timer Buck Weaver who failed to return for the third fall after one of Montana's piledrivers had driven him madward.

This gave Montana the second fall at 5:45 and the match as things turned out. Weaver had taken a one-fall lead when he forced Montana to concede the first fall at 10:55 with a neckbreaker.

In the evening's special event, Jack O'Neil used knee slams and a crossbody turn to back stubborn George Drake after 17 minutes and five seconds of action.

OSC To Face Huskies Friday

With pace-setting UCLA on the sidelines, the Washington Huskies will try to tighten their grip on second place in the Pacific Coast Conference basketball tussle this weekend in games with Oregon State.

The Huskies, picked by many to go all the way in the PCC race this season, moved into a tie with Southern California in second place by taking a pair from Washington State Friday and Saturday.

The Huskies will be facing the defending PCC champion when they square off against Oregon State at Corvallis this weekend.

The Beavers have been having their troubles, however, and after splitting games with Stanford Friday and Saturday, have a 2-4 conference mark.

The schedule for this week also sends Southern California to Idaho, Oregon to Stanford, UCLA against Arizona State at Tempe for a non-conference match, and California against the San Francisco Dons, the nation's No. 1 team, in another non-league affair.

Washington made it two in as many nights over Washington State at Seattle Saturday, 80-57. The Huskies put down a second half challenge sparked by Cougar Bruce Olson, a junior substitute center who rolled in 11 points in eight minutes as a comfortable Washington margin was shaved to a single point.

Stanford's Indians walloped the Beavers of Oregon State, 75-50, averaging a 69-39 upset by State the night before. In one eight-minute display of speed and sharp shooting in the first half the Indians tallied 22 points to OSC's 2. They led 42-20 at halftime.

Idaho nipped Oregon, 61-59, in the last second when Jim Brannon, reserve center, hit a field goal. Coach Harlan Hodges' reserves got major credit for the Vandals' first conference win in six years.
