Windshield Saves Man From Bullets Of Rival

GEORGETOWN, Ky. — There, but for the grace of his windshield, went William D. Clark.

Police Chief Donald Vanarsdall said Clark, 34, was shot at twice, but that the .25-caliber bullets spent their force going through the windshield.

On bullet hit Clark in the forehead, the other in the hip, but they only made dents.

Ernest Lee Estepp, 24, was charged with shooting and wounding, and carrying a concealed deadly weapon. Vanarsdall said Estepp apparently shot at Clark after a dispute over Clark's ex-wife.
