Symphony Society Told Orchestra Greatly Improved

A young Douglas County society received a heartfelt "thank you" Tuesday.

Onward for God and my country.

This week it is our privilege to salute the Boy Scouts of America on their 46th Anniversary. From the nucleus of one small troupe in 1910, the high standards of Scouting have spread to six mil-

lion boys in sixty countries. These ideals of respect for God, love of Country, and fair play for all mankind will help to build a better America, mould a better world! Hearty congratulations—

The annual meeting of the Roseburg Symphony Orchestra Society was occasion for the comments by Wendell Johnson, director of the Roseburg Symphony Orchestra. Johnson told the small group present that he thought the orchestra "sounds better than ever before." Its members, he continued, "were playing better, enjoying it and working with enthusiasm."

Earlier, a financial report from the society Secretary - Treasurer Charles C. Cring showed a bank balance of \$850. Director Johnson noted that the RSOS support had been outstanding, and he cited the balance as one indication. The money will be used to defray orchestra expenses.

Reason for the annual meeting was election of officers, reading of the report and discussion of future plans.

All society officers were re-elected for a one-year term. They are: Avery Thompson, president; Mrs. Jack Myers, vice president; and Cring, secretary-treasurer. New board members were named and others re-elected. They are: Mrs. H. Schmidt, Myrtle Creek; Mrs. Cynthia McGill, Sutherlin; and Miss Laura Olson, Roseburg, as new members; and Mrs. W. Carlson, Drain, and Fred Sohn, Roseburg, re-named to the board.

Future plans for the society and the orchestra include a concert in Myrtle Creek Sunday by the symphony. It will be held at 3:30 p.m. in the Myrtle Creek High School gymnasium. Society members will be admitted free of charge.

Next regular concert in Roseburg will be held Feb. 26 at 3:30 p.m. at Central Junior High School.
