### MEN'S WEAR

Main Floor

This is the men's department but since we do everything funny for George's birthday, we'll start off with these **BOYS' DAVEY CROCKETT T-SHIRTS**. Davey, please hear our plea and take these things from our sight. Ten only in sizes S-M-L. For the year of George's birthday (Hint, 17-32) we'll give you a whole hundred T-shirts. Or if you only want a few they're going at 18c each. Dealers welcome.

You can be well dressed at a cheap price in this **MAN'S \$85 SUIT** if you hurry. There's only one. (Please no fighting!) It's a size 38 ring in brown tweed that does wonders in hiding gray stains, too. Come, take it before the muffs get it for just 19.99. No sales to dealers.

Long-sleeved special for long armed men. One large group of **LONG-SLEEVED SPORT SHIRTS**. Every color and pattern you can imagine and a few never should have been dreamed-up at all. Whether you're armed or not, you can get a value up to 12.95 for just 1/2 PRICE.

Now what have we here? Oh, we know, they're **MEN'S BOW TIES**. If your wife grumbles at having to tie your tie or you keep getting your fingers tied into your four-in-hand pose, we heartily recommend these bow ties. Lots of nice (?) colors, 12 only, reg. 1.00 but now the price is tied into a compact 9c.

Now here's a tracing subject, they're **MEN'S SUSPENDERS**. It's comfortable to get out of a middle-squeezing belt and let your shoulders do the work. To give you a real stretch for your money, we pulled the price from 1.75 to 2.50 to only 88c a pair.

Washington prayed for warm clothing at Valley Forge. Here's a real Valley Forge special, **MEN'S PART WOOL UNDERSHIRTS**. We're praying to get rid of them. They were 2.95 but now you can get all you want for 88c each. Sizes 36, 44, 46 only.

These **ROSEBURG HIGH BUCKLES** come with a narrow brown leather belt permanently attached. We tried to give these to the help but the help is all too old to be wearing a Roseburg High buckle. Get in the school spirit for only 1.00. Reg. 3.50 values.

Another special for boys . . . famous **BOYS' SKI PANTS**. We've been putting over them long enough trying to get them out of the store. Flannel lined denim in sizes 6-8-10 and originally .65. Now a fade-out special at 1.88 a pair.

Stripes are all the rage this season. This one pair of **STRIPED COVERALLS** won't fit the janitor to here's a terrific buy if you can wear a size 36. Originally 5.95 but now you can look like a real worker for only 1.00.

More real Valley Forge specials. These **SKI SWEATERS** look like they were made at Valley Forge and the boys has us sweating over how to get rid of them. Two only, one 40, one 44 and they were 12.95. You can sweat generously in one for only 2.99.

Front some long some regular length, some long, some little **MEN'S DRESS SOCKS**, values to 25c. All colors, in fact, some of them are a sight to behold. Come in and mess 'em up, pick out all the nights you want for 12c a pair.

This is our cold weather special, **SUMMER WEIGHT SPORT COATS** for men. We're gonna try to get rid of them even if it was only 13 above Tuesday morning. Be a good sport and take these 5 coats that were 22.95 for only 6.22 each.

We need 3 more, 2 size 48 regular and 1 size 38 tall to fit these 3 **MEN'S TOPCOATS**. We can't tell you the tailor's name in public but we'll whisper the information to you tomorrow in private. Take these good looking 1 1/2 topcoats that were up to 18.95 for 5.22.

### FASHIONS

Second Floor

Some of the minkers of these **LADIES' DRESSES** were so original in styling that they went out of this world. Others were so accurate nobody would buy these dresses. Over 100 dresses in some of George's favorite styles. For example, one 69.95 dress for just 2.00. Others ready to cover you for 3.99, 4.99, 5.99 and 7.99.

**MATERNITY WEAR**—With a definite belt appeal, but they don't appeal to us as the in-around here. But, we've got some direct from a collection of styles that we don't want them to collect around here. 48 of these items with the price reduced to 1.99.

### YARDAGE

Main Floor

We handled the first information and he asked "Only one item?" Believe it or not, we can get rid of just these **NOVELTY COTTONS**, we'll be grateful. We find every price, regular 98c, 89c, 69c, 49c. Please, love your class, resistance just 48c tomorrow and take them for 29c a yard. Going, going, gone, we hope.

### LINGERIE-- FOUNDATIONS

Second Floor of Fashions

The man who ordered these crazy looking **BLACK TAFFETA FORMAL SLIPS** naturally is no longer with us. He ordered 12 back around 1932 and we've still got 12 to sell. Of course, and we drop this in only as a suggestion you could always be "sensational" wearing one as an evening gown. In case you're interested there are sizes 32 to 42 and the price now is just 99c.

The only thing wrong with our **SNUGGIES** pants and vests is that only one person at a time can wear them. They're 20% wool, real Valley Forge specials, and only mildly scratchy. Here's your chance to get even with your Mother-in-Law for only 99c and 69c. (Buy her 2)

According to Webster, **FOUNDATION** means "the supporting member of a wall or structure." We're not going to deny it either. The foundations we have look like the nightmare of a bridge-building architect . . . more dem support than would ever be necessary. The support price was 12.50 but you can wiggle in for just 5.99.

Give up your membership in the beef trust. You probably didn't know this but Marilyn Monroe weighs in at 280 but she's managed to work her way into one of our **NYLON GIRDLES**. She paid 12.50, you can do it for a lousy 5 bucks.

Ladies, we next present that gravity defying star of the feminine fashion world, the **STRAPLESS BRA**. Performs it's splitting feat without benefit or safety of net, straps or wires. 13 only of these splitting stars, some famous, some waist length, in broken sizes 36B to 42D. It did cost 3.98 to 5.00 to get into one of these. Now the admission is only a slipping 99c.

3 Old-fashioned **BRAS WITH STRAPS**, only slightly handled. One 40B, one 32A. Value to 4.00 now 99c.

One **NURSING BRA**—The youngster's dinner napkin. (Nurt) sold, 99c.

One **GARTER BELT**—Another "gravity defier." Size 28 waist and it was reg. 2.00. Now will go to work for 99c.

Only worth a brief pause . . . famous make, size 3, regular 89c **BRIEF PANTIES** . . . cuddly cool cotton . . . briefly 29c.

**BRUNCH DRESSES** (whatever that means), sizes 10 to 20. The ones with the extra big brunch, sold for 7.98 and 8.98. Get 'em now for 4.89. There's a whole brunch with just medium sized brunches we'll give you for 2.89 and 2.99. You'll find them all in one big brunch (seee gads!)

**JUMP SUITS** used by the 101st Airborne Division in World War II until some wise guy General made 'em stop. They gave us their sizes 12-14-16. Regular 3.98. Some still left with the paratrooper at hand . . . only 2.99. (The line forms to the right, girls.)

### ACCESSORIES

Main Floor

**LADIES' HANKERCHIEFS**, slightly soiled. The help has used these only once, then we bought some Kleenex. Furnish your own washing machine and you can have these for 10c each.

Been around so long the rubber weaver has been worn off **LADIES' SHANTUNG HANDBAGS**. Reg. 1.49 sold for 4.95. If you can hang onto them, you can have one for 99c.

One only **BARGE STOLE**. This one got soiled in the get-down. Reg. 10.95. Steal a stole for only 4.95.

**BLACK VELVET STOLE**—in the dark it may even look like fur. Reg. 8.95. Somebody stole it . . . for only 3.99.

You wouldn't be seen dead in the daytime with one of these black, satin **EVENING BAGS**. Reg. 2.98. Wait until it gets dark, then slip out with one of these for 49c.

The salesman told these **COLE BAGS** would really roll. It was just him here, no, we would use the "guide" to hang him with. Reg. 8.95. Strong along with us for only 3.99.

**BLACK MESH EVENING BAGS** with lace weave and something like "chic" work. Buy this one for 99c, then try to keep your change in it after-wards. Reg. 4.95.

**BROWN and BEIGE HANDBAGS**—some of these have been well handled and some not. In fact, you might even say they have been powder. For 2.85, size in a hand and take it home for 49c.

**STRAW HANDBAGS** in red or blue color that don't roll in fact, an unrespecting horse would eat them for 2.88 and we won't either. Yours for 49c.

SORRY PLEASE  
NO PHONE  
OR MAIL  
ORDERS

For the gal who likes to choke herself in style, **BLACK VELVET TIES**. Real 1.00 class for only 10c.

**SET OF CUFFS**—We cuffed these around so long they're getting cauliflower ears. They come out fighting at the sound of the bell, each register, that'll set you only 3c a pair.

Wanted, 8 Eskimos to buy these 8 pair of **MUX-LUKS**. These were 3.95 but you can mush around the house with a pair for 99c. Sizes S-L only in pastel colors including black. For the shifty type, one pair only of **SKULKUMS** for 99c.

Whoops! We slipped up on our **SLIPPERS**. 2 pair velvet, reg. 1.95 with price slipped back to 99c. 4 pair **TABI SLIPPERS**, one brown, reg. 3.95, 1 pair felt, clean, for 39c. These were 2.00. We'll let you guess at the sizes.

We hope the wife of every Tom, Dick and Harry will be here to get these **DICKIES**. White for the discriminating eater, black and navy for the more careless type. Were up to 3.95 but we're not dickering on the price at 59c.

Get your **RODEO TIES** and **SCARFS** early! In fact, get 'em now. Pure silk from Japanese silk-worm looms. Outlandish bright colors left over from last year's stampede. Were 79c but we rode the price down to a bulldozed 10c.

What next? **POODLE CLOTH ANKLETS** for French Poodles. You can have anklets like the finest French Poodle for 33c. They're in technicolor pastels, too. 40 pair only, sizes 9 to 11.

Webster defines the ankle as the "tarsus." You can cover your tarsus with these **JANTZEN NYLON ANKLETS**. We saw 'em for the reg. 1.00, but a fantastic 29c. Popular in colors like purple, green and pink in sizes 9 to 11.

### GIFTS

Downstairs Store

Does anyone need any absurd **CARD TABLES**? These have been moved around plenty and one has the corners all knocked off. You guessed it, it's oval and a nice (?) bright chartruse. Price was 17.95 but now it's reduced off to 11.95. Then there are 3 **STANDARD TABLES** for standard card players. One green, 1 tan and 1 grey and if you play your cards right now, you get these 7.95 values for 3.95. Famous makes, too.

To go with your new TV set, we've dug up these 4 **BLACK TV LAMES**. They're electric so you can get a job for your money. The price was 2.95, but now it's been jolted down to an electrifying 1.49.

Here's a do-it-yourself special. After it's all done you wonder just what went wrong. **BLACK METAL TOLECRRAFT TRAY KIT** that you do up with paint yourself. It allegedly turns out to be a pretty floral pattern. Try your hand at the 3.25 but a barged up 99c.

### SHOES

Main Floor

467 pair men's, women's and children's **SHOES** in about every style you could imagine. In fact some you wouldn't even want to imagine! They gotta go so take 'em away for just 1/2 **REGULAR PRICE**. Some cute (?) little numbers (ugh!) even reduced to less than 1/2 price. Just can't stand to look at them any more. You will find them all piled hither-yether in one big table, to come in and see around. Who knows, you might even find a pair that fits. We did drop the prices on the piles which might help some. Don't forget, just one day only at these prices, so show early for best selection.

### COSMETICS

Main Floor

Isn't it surprising what you'll find when cleaning house? We uncovered the divided starch that must go, go, go—obscure, until one, you can smell and for a price. **DUSTING POWDERS, COLOGNE, PERFUMES**, sets and atomizers that did have the respectful price from 1.25 to 6.00 but you can be satisfied for a cheap 62c to a substantial 2.99. This is our annual Washington's Birthday Woods Kitty Special.

### LINENS

Downstairs Store

No self-respecting table should be without a cover to hide the scratches and bruises. 1 **TABLECLOTH SET** with 8 napkins and cloth size 60 x 90. Was 13.50, the price is now shock down to 7.99. And a **LINEN LUNCHEON SET** with 4 napkins and cloth size a square 58x52. This was 11.95, price now squared off to 6.99.

Still in the linen department, we find these **PURE LINEN GUEST TOWELS**. We always did want to see a pure linen guest. These are easily hidden when your mother-in-law comes. 12 only that were 1.15, now going for 59c. 7 only that were 1.39, gone we're now at 79c.

These 6 **LINEN NAPKINS** and 8 **RAYON NAPKINS** have been napping around here too long. How did those rayons sneak in the linen dept.? Anyway, they're in assorted colors and if you aren't napping late tomorrow morning, you can have the linens for 30c and the rayons for 20c.

Betsy Ross made the first American flag. Not too much later, someone hand embroidered these 3 pair of **PILLOWCASES**. These have been here so long we're not betting on who will sell them. 2 pair, reg. 8.50, and 1 pair, reg. 7.50 but now they'll be handed out for 4.99 and 4.49.

### SPORTSWEAR

Second Floor of Fashions

As George's Indian Scout said, "They shouldn't have been napping around here too long. How did those rayons sneak in the linen dept.?" Anyway, they're in assorted colors and if you aren't napping late tomorrow morning, you can have the linens for 30c and the rayons for 20c.

**TERRY-KNIT BOAT-NECK BLOUSES**, bow or stern. We don't know but you can look like a raft if you desire in one of these orange or rose colored blouses. Were 3.95 each but are unlocked at 1.49. This is a case of "Paddle your own canoe, we can't."

Five solid colors, they must be solid, they're still here and some plaids that's a polite way of saying pattern interference are in these **COTTON SPORT SHIRTS** for fighters of size 32 to 38. Washable, we have colorfast, it won't in the dark of the moon, and shrink resistant. If you don't send 'em to the laundry and only a "CARTWHEEL" 151.

Our face is red but not as red as someone else. When we bought these **SUN TOPS** we had just as many bottoms and now all we have left are tops. If you are not too red faced, come in and buy a 4.95 sun top for just 1.99.

We don't dare write what we're thinking about **LADIES' SHORTS** so you can read this any way you want. Novelty prints and stripes. 1.49 and 1.99.

Assorted prints and solid colors. The next time this department's buyer goes on a buying trip we hope he comes back with an original idea. In the meantime **LADIES' COTTON SKIRTS**, values to 7.95, go out at this advertised department at an unadvertised 3.99.

As soon as the collars and cuffs are white on these **GREY WAITRESS COAT UNIFORMS**. Must have been caught in a spin storm with a bar of soap. Ten only, sizes 18 to 20 and priced at a baffled 77c.

Long sleeved, white, middie-type **GYM BLOUSES**. Don't think Jim would like these size 10, 12, 18 and 20 Gym-Blouses so these have been priced for you girls at a playful 49c each.

### HOUSEWARES

Downstairs Store

We've seen cotton fields but after seeing these **DOUBLE BED COTTON BEDSPREADS** we doubt if we'll ever see a double cotton again. Given an 80 square percale in the state of washable, fast color, ruffled, but wouldn't be after being cooled. Regular 2.98 but you can see double for only 3.99.

Plain color and prints of **COTTON DRAPERY** material. We have had to plan the prices at this 99c to 2.29 per yard price to a printed price at only 49c. Sold 45" width. Yes, you too can have colorful drapers for a price. We've been draped enough!

A point par special! **COTTON PLAID SPREADS** of green, brown, red that the Indian gave to us. They planted the cotton in double and single strands and then harvested these spreads descriptively and washable during the non-lining time of the year. The Indian size is 2.98 to long hair but for holding people it's only a skinned 4.98.

100 **CRUSHED COLORED CHICKEN FEATHER PILLOWS**. We don't know what the chickens looked like but you should see these 20 x 26 pillows. Look real close . . . you might find a chicken inside the crushed pillow. The plump price was 1.98 . . . the crushed price a flat 1.39.

ALL SALES  
FINAL  
NO LAYAWAYS  
OR REFUNDS

We have tried to sell these oval **RAYON** and **NYLON FRINGED RUGS** for 2.95 and we still have some of them. Are you a Moslem? Then secure one of these non-skid backed rugs for your daily devotions for a hair-jerking price of 1.95. We don't want to leave earth rich . . . just happy.

### NOTIONS

Main Floor

Washington crossed the Delaware in a snow storm after seeing this **COTTON CORD PIPING** . . . the result of a psychotic Boston suffering from color synthesis. The "head shinker" didn't believe it was possible to pipe in light blue, copan brown, green or aqua but this "wob jockey" showed 'em. Was a minimal 6c a yard but you can "blow" it out of our store for a "picking" 2 yds. 3c.

We have always been told that mitts were to keep one's finger warm but just to prove you can't believe everything you hear is this weighty **PRESSING MITT**. Press your favorite blossoms, mosquito or your pants if you desire but you can apply the pressure like a watchman at only 39c. One only . . . who wants more? We don't.

Whipped, spanked, knocked-out or belted . . . you don't feel the difference with a **BELT MAKING SET**. Only black and were 79c a set but set your belt for a tight-fisted 25c.

Stretching the truth will be a lot simpler with this **LATEST YARN BUTTON THREAD**. 36 cords and originally selling for 15c but the price has knapped back to a tightened 1c a cord.

Be in the hair style parade . . . let the mop grow and grow and then be too cheap to have your hair cut. At the price of these **HAIR PINS** you'd be crazy not to. Were 10c a box and now you can pin your hair up for 1c a box.

**NYLON RUFFLING**, slightly soiled. What wouldn't be soiled after being ruffled. 1 1/2 inches wide and was selling at a clean 39c a yard. Be dirty and buy this "RUFFLED NYLON" for 17c a yard.

### CHILDREN'S WEAR

Downstairs Store

**CHILDREN'S LEGGING SETS**—If we don't sell these before warm weather we'll be "legging" for the back door with the boys' right behind us. Sizes 3 to 6 and they were 4.95. Please help us now and help yourself to savings at 1.00.

We're through trying to pull the wool over your eyes with these 3 **GIRLS' WOOL JACKETS**. We tried to fleece you for 7.95. Now the price has been sheared to only 2.88. Bring in your size 7, 10 or 12 girl and take 'em away.

For the little girls who like slacks, we have these **GIRLS' DRESSES**. Maybe after seeing the dresses, she will insist on cousin Sue's hand-me-downs. Sizes 1 to 12, reg. 2.95 to 4.95. Now she can dress like no other girls for 1.49.

**CHILDREN'S COAT AND LEGGING SETS** in size 0. Everyone knows that 0 means nothing, even Webster says so. For these little notions we wasted 10.95. Now you can get these size notions for 1.00. 2 Only.

Our buyer fell for these **GIRLS' FALL HATS**. He's confused, this is winter. We hope you'll fall all over yourselves getting in here and taking these hats for only 1.00. Values to 4.95.

**BOYS' CORDUROY VESTS** for overweight boys who like to feel their ribs. Sizes 2 to 4 and they were 1.59. Now the price has been "ribbed" down considerably to 1.00.

### SEWING MACHINES

Downstairs Store

If Betsy Ross had had a **TREADLE SEWING MACHINE** like some of these we found in the back room, there's no telling what our flag would look like today. You'll like the George Washington style and with a pair of good strong ankles and plenty of patience you can sew your own anything. Treadle your way to a new wardrobe for as little as 7.50.
