# Independent Archie Puffs To Ring Win

SAN FRANCISCO (AP) — Archie Moore, a pleasantly plump 197-pounder, said Tuesday he'd train down and defend his light-heavyweight boxing title in London next summer but in the meantime planned to do as he pleased.

His comment was occasioned by a cablegram from English promoter Jack Solomon. It arrived shortly after he puffed to a 10-round decision Monday night over young Howard King of Reno before a crowd which paid \$8,523 to watch the workout.

The cable directed Moore to get permission from Solomon before doing any further fighting before the June 5 title defense against Yolande Pompey of Trinidad.

"Huh," grunted ancient Archie, still holding to his assertion that he's only 39 but looking older with the extra weight, "so now that Solomon is my manager, too."

"Well, I've got a fight scheduled with Bob Dunlap down at my home town, San Diego, next week and I figure on going through with it."

Moore had more punch than punch Monday night. But he decked the 21-year-old King twice in earning the decision in his first ring showing since Rocky Marciano knocked him out last September. The Reno youngster was down for eight counts in both the first and ninth rounds, but managed to stay out of trouble otherwise.

Soriano said pitcher Jose Bracho and outfielders Angel Scull and Suarez Alvarez, optioned to Seattle by Cincinnati, had refused to report and would continue to play with Havana of the International League.

# Arizin Closes Margin In NBA Scoring Race

NEW YORK (AP) — Philadelphia's Paul Arizin, who four years ago collared the National Basketball Assn. scoring title with a smashing closing drive, currently is following the same script in his duel with St. Louis' Bob Pettit.

In his last 27 games, Arizin has pumped in 714 points for a 27.5 average and a season total of 1,396 points. That gives him a 34-point spread over Pettit, who has 1,362 after counting 28 Monday night as the Hawks edged Fort Wayne 84-82 in the only scheduled game.

Arizin can't afford to let up in the scoring race, for the schedule favors Pettit, who has played only 55 games to Arizin's 58.

Pettit holds the top game average with 24.8 to Arizin's 24.1.

Arizin and teammate Neil Johnston have the field goal accuracy lead all to themselves. Arizin has a .455 mark, Johnston .451.

# Low Water Temperatures Hold Back Steelhead Run

Only sporadic movement of fish were recorded at the Winchester Dam counting station during the first two weeks of February. Cold weather held water temperatures below the optimum for steelhead migrations.

Two hundred sixty-nine steelhead, or nearly one-half of the period total, were counted on Feb. 13 when the water temperature reached 42 degrees. The average of daily maximum temperatures was 39.3 for the period.

Figures released by the Oregon State Game Commission's Southwestern regional office in Roseburg reveal that a total of 596 winter steelhead migrated between Feb. 1-13, bringing the year's total run to 3,762.

# NCAA, NIT Tournery Berths Filling East; Eleven Remain

By THE ASSOCIATED PRESS

Only 11 berths remained open Tuesday in the annual cold-war basketball attractions—the NCAA's national championship tournament and the National Invitation Tournament.

While officials of both tournerys insist there is no actual competition between them, there's no denying that both will have an eye on Philadelphia Wednesday when St. Joseph's tangles with Temple.

The NIT would like the winner of one of its four remaining openings—particularly since Temple is 20-1 for the season and ranked No. 10 in this week's Associated Press poll and St. Joseph's stands as the only club to defeat St. Francis of Brooklyn, already an NIT entry.

**Seattle Contender**

Temple, St. Joseph's (16-4), Oklahoma City (17-5), Canisius (13-6) and Seattle (15-7) appear to be the leading contenders for the available tournament berths. Oklahoma City let it be known Monday night it is not interested in the NIT, but hopes to get in the NCAA.

**Portland State Draws Southern Oregon College**

PORTLAND (AP) — Paul Poetsch, Portland State guard, Thursday was ruled eligible for National Assn. of Intercollegiate Athletics (NAIA) basketball tournament play.

His status was doubtful because he had played a few minutes for the University of Oregon varsity in a game against Oregon State in 1952.

The NAIA, which ruled earlier that Poetsch was not eligible, decided to permit Poetsch to play if the conference agreed, as it did.

Poetsch, now a junior, is captain-elect of the PSC team.

# Talent Show Scheduled By Days Creek PTA

The Days Creek PTA sponsored talent show to be held March 9 in the school gymnasium, according to Mrs. Marlen Yoder, chairman.

Vern Murdock, of Roseburg and previously Hollywood make-up man for 30 years, will be the master of ceremonies for the evening.

Contestants will be divided into two groups, according to Mrs. Yoder, grade school children, and high school students and adults. Cash prizes will be awarded for first, second and third place winners and to the grand prize winner.

The show will follow the pattern of the previous two years, with admission by donation. The school band will perform, from 7:45 until 8:15 p.m., when the program will begin. The Tiller school and community has been invited to participate in the show.

Mrs. Yoder stressed the need for adult competitors, since most of the acts will come from the Tiller and Days Creek grade schools.

# Glide Kiwanis Club Has Ladies Night Program

The Kiwanis Club of Glide held "ladies night" Tuesday evening with a potluck dinner in the multipurpose room at the High School.

Forty members and wives listened to guest speaker, Sheriff Ira C. Byrd's talk on juvenile delinquency. Byrd stated that the churches and schools were doing a good job but the trouble seemed to stem from homes with careless and neglectful parents and that more youth activities were needed to reach the boys and girls that come from delinquent homes.

President Harry Bakken expressed the appreciation of the community to Sheriff Byrd for his understanding of the needs of this area, and especially to resident Deputy Sheriff O. J. Shanafelt for the great improvement in controlling speeding in the vicinity of the schools.

# Chamber Of Commerce Sees Film On Planning, Hears Explanation Of Program

A color movie, "Now for Tomorrow," was shown at the regular Monday noon forum of the Roseburg Chamber of Commerce at the Hotel Umpqua.

The film on planning, produced by the Atlanta, Ga., Chamber of Commerce, was presented by O. J. Felt Jr., chairman of the Douglas County Planning Commission.

Before showing the film, Felt made a few remarks about the work of the commission, in an effort to clear up some misconceptions.

For example, he reminded that the "commission is not dictatorial," that it is acting only for the benefit of the citizens, and "all covenants we write are subject to remonstrance."

Because of misunderstanding, he suggested the word "zoning" be struck and substituted by the term "protective covenants."

In an obvious allusion to a proposed zoning district in the Keasbey-Calkins area west of Roseburg, Felt said some of the fantastic statements being made include those that sub-standard buildings would be torn down and that parking of log trucks would be prohibited in the residential area, if zoning is adopted.

# Diphtheria Counts 3rd Oregon Victim

JUNCTION CITY (AP) — A 4-year-old boy visiting here from Toledo, Ore., died of diphtheria Sunday, the third victim of the disease in Oregon within a week.

Dr. Harold Osterud, Lane County health officer, said that the death of the boy, Daniel Lomax, had been definitely confirmed Monday noon as due to diphtheria.

The first death of the disease in Oregon in more than a year occurred last week at Salem and was followed there by the second death.

There have been two other cases in the state since then, one being reported at Eugene and one at Vernonia.

# Elephant Stroll On N. Y. Street Draws Citation

NEW YORK (AP) — An animal trainer from the wide open spaces of Texas was tagged with a ticket when he took his two-ton pet elephant for a stroll on a crowded Manhattan street.

"Would you walk this elephant on the sidewalk of your home town?" asked Patrolman Samuel Sapan.

"Sure," said Mack Macdonald of Saratoga, Tex.

"Well," said Sapan, "this is the big league. Elephants and pedestrians don't mix in this town."

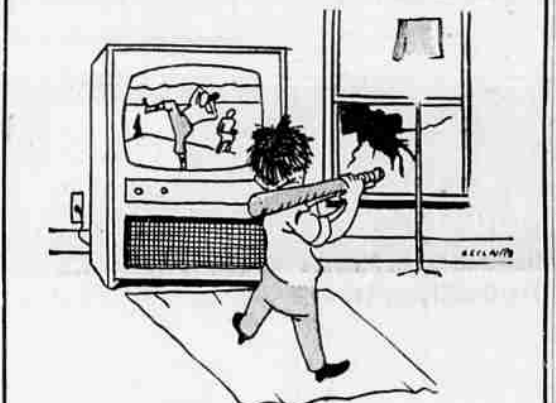

Macdonald, 55, and his 6-year-old elephant Opal were taking a turn on 53rd street between Broadway and 8th Avenue.

Here for a TV show, Macdonald faces an appearance in Lower Manhattan Magistrate's Court next Friday on a charge of obstructing a public sidewalk.
