

### Local Residents Plan To Attend Health Conference

The 11th national conference on rural health starts Thursday in Portland. Several Douglas County residents are slated to attend the three day event.

Theme of the conference is "Your Doctor and You," according to county Coordinator Helen Chandler. Along with Miss Chandler, representatives from the county health office, sanitarians department, county tuberculosis and health association office and others will sit in on the sessions.

A Sutherland man, the Rev. Robert N. Peters, pastor of the Methodist church in Sutherland and Wilbur, will take an active part in the conference. He'll be a member of the panel which discusses mental health. It will be presented Friday morning at 9:05.

Purpose of the rural health sessions centers around desire to improve health practices and standards in communities, county, state and nation. The conference is expected to provide ideas and information "valuable in planning rural health improvement programs."

All persons interested in rural health are invited to attend the event which will attract a host of notables. Among them: Dr. George F. Lull, general manager of the American Medical Assn.; Dr. E. G. Chumard, president of the Oregon State Medical Society; Dr. Dwight Murray, president-elect of the AMA; Louie Hizon, president of the California Farm Bureau and medical and dental representative.

Those from Douglas, who will attend "weather permitting," include Mrs. Bernice Smith, Mrs. Neva Silver, Miss Nettie Ulmer and Mrs. Lavinia Miller, all of the county health department; Irv Reiersen and Joe Gates, county sanitarians; Mrs. Edward Tauscher, DCTB & HA; Miss Chandler, and the Rev. Peters.

### Brothers Win \$32,000 On TV

NEW YORK — The brother braintrust from Hartford, Conn.—James L. and William E. Egan—have won \$32,000 by answering questions in any and all categories on a television quiz show.

The hefty lawyers reached the half-way mark on the CBS "The \$64,000 Question" program Tuesday night by identifying the works and authors after being given the names of nine characters in English literature.

It was the 10th question for William E. Egan, 43 and weighing 360 pounds, and James L. Egan, 40, and 260 pounds.

The Egans will return to the program next Tuesday night to tell whether they will try for the \$64,000 grand prize. The question will be in the popular music category. At that level they will have the option of bringing along an expert of their own choosing to advise them.

### Negroes Have Cordial Meeting With Eastland

WASHINGTON — Two Negroes, reporting on what they termed a "very cordial" meeting yesterday with Sen. Eastland (D-Miss.), said he spoke out against racial violence in the South but expressed uncertainty about how to curb it.

Gus Courts of Belzoni, Miss., and C. R. Darden of Meridian, Miss., gave their report at a Civil Rights Assembly of the National Assn. for the Advancement of Colored People.

They called on Eastland, an outspoken foe of racial integration, as part of a "lobbying" drive by assembly delegates who sought support for civil rights legislation.

WINTER has the buyers YOU have the property Call OR 3-7043 DO IT NOW!

### Grade Crossings In City Are Now Being Improved

The Southern Pacific Co. has embarked on a program of improvements of most grade crossings inside Roseburg.

William Peebles, assistant district freight and passenger agent, said this morning that work already has started on Lane Avenue.

Later, the Mosher, Oak and Washington avenue crossings will be improved, as will the Jackson Street crossing. Grade crossings on the SP spur in East Roseburg also are to be fixed.

The Douglas Avenue crossing is in good shape, Peebles said, and it "won't be touched."

The improvements, he said, will be permanent. It will take several days of "concentrated work" to fix all crossings. But the work may be spread out because of uncertain weather conditions and availability of materials and manpower.

Tracks on the main line will be raised so grade improvements can be made, Peebles said.

### Interim Highway Committee Sets Hearing Mar. 19

The Legislative Interim Highway Committee will hold a hearing in Roseburg March 19 at 1:30 p.m. It was announced in Salem today.

The committee will hear evidence on farm plate registration problems, proposed transfer of weighmasters from the State Highway Dept. to the state police, procedures on acquiring rights-of-way and establishment of a separate state parks department.

Similar hearings will be heard during that week in Medford, Lakeview, Burns, Ontario, John Day and Bend, according to The Associated Press.

Place of the hearing hasn't been selected. State Sen. Warren A. McMinnico, Tillamook, is chairman of the seven-man committee.

### Eisenhower Says He'll Not Drop Running Mate

(Continued From Page One)

standing aside this year, Eisenhower said emphatically he would not presume to tell the vice president what he should do.

Eisenhower then said he has told Nixon that he should be one of the comers in the Republican Party—that he is young, vigorous, healthy and deeply dedicated.

It was at this point Eisenhower said he has told Nixon to chart out his own course with respect to his future, and tell the President what he wants to do. Eisenhower repeated that he never would tell Nixon what he should do.

Questions regarding Nixon were prompted in part by Eisenhower's statement at his news conference last week that he would have nothing to say about his choice of a running mate until the Republican national convention meets in San Francisco next August. He coupled with that a remark that it is traditional for the convention to pick its presidential nominee before there is any talk of a running mate.

### Japanese Pilots Fly In Sub-Hunting Neptunes

TOKYO — Fourteen veteran Japanese combat pilots of the Pacific War landed Wednesday in two sparkling new P-57 Neptunes flown from the United States for sub-hunting patrols.

The Soviet Union is reported operating 100 submarines in the North Pacific out of Vladivostok. The twin-engine Neptunes—which carry a vast amount of electronic sub-detection equipment—are the first of 32 promised to Japan in the next two years on loan. They have a range of 4,000 miles. Lt. (jg) Leonard Aucoin of Presque Isle, Maine, one of five U.S. naval flight instructors who accompanied the Japanese, said the planes are so new that only two Navy instructors on the U.S. West Coast have them.

### Mrs. Floyd Stobie Succumbs Tuesday

Mrs. Floyd (Lena) Stobie, 67, resident of Umpqua, died at a local hospital March 6, following a brief illness.

She was born at Scio, Ore., July 2, 1888, and came to Douglas County as a small child, and resided at Roseburg and Camas Valley.

She was married at Roseburg to Floyd A. Stobie Dec. 24, 1923, and made her home at Camas Valley until 1945 when she moved to Glendale where she resided for nine years before moving to Umpqua.

Surviving is her husband, Floyd Stobie of Umpqua.

Funeral services will be held at the chapel of Long and Orr Mortuary Saturday at 11 a.m. with the Rev. Karl Faulkner of the Glendale Baptist Church officiating. Concluding services, and interment will follow in the Roseburg Memorial Gardens.

### Funeral Services Set For A. E. Hodges

Albert Edward Hodges, 83, resident of Brockway died March 6 at a local hospital. He was born Aug. 17, 1872 in Kootenai, Idaho, and came to this community 20 years ago. He was a retired farmer.

Surviving are his wife, Mary E. Brockway; a son, Earl Hodges, Brockway; a daughter, Mrs. Samuel (Inez) Carson, Seal Beach, Calif.; two brothers; John Hodges, Springfield, Tex., and Newton Hodges, Van Nuys, Calif.; two half-brothers; George L. A. Vander, Springfield, Tex., and Frank Lavender, Electra, Tex.; a sister, Mrs. Ida Jenkins, Springfield, Tex.; three grandchildren and five great-grandchildren.

Funeral services will be held Friday at 2 p.m. in the Southern Baptist Church of Roseburg. The Rev. Edger Jacks will officiate. The Chapel of the Roses is in charge of the arrangements. Vault interment will follow in the Roseburg Memorial Gardens.

### John H. Powell Dies Wednesday

John Henry Powell, 68, resident of Brockway, died March 7 at a local hospital. He was born October 25, 1887 in Marion, Ky., and came to this community 40 years ago to make his home. He was preceded in death by his wife, Sallie, in 1933.

Surviving are three sons; Ray Powell, Chiloquin; Eugene Powell, Winston and Ernest Powell, Roseburg; five daughters; Mrs. Oscar (Nellie) Hunnicutt, Roseburg; Mrs. James (Bonnie) Miles, Glendale; Mrs. Irene Corbin, Portland; Mrs. Eldon (Evangeline) Baker and Mrs. Duane (Beverly) Boling, both of Roseburg; his mother, Mrs. Sarah French, Oregon City; two brothers; Smith Powell, Roseburg and Joe Powell, Bakersfield, Calif.; six sisters including, Mrs. Raymond Lawrence Baker and Mrs. Duane (Beverly) Boling, both of Roseburg; and 11 great-grandchildren.

Funeral services will be held in The Chapel of the Roses Saturday at 11 a.m. The Rev. Vernon Klemm of the Assembly of God Church will officiate. Vault interment will follow in the Civil Bend Cemetery.

### Iraq Proposes Talks On Israeli Aggression

(Continued From Page One)

measures also was the aim of the Iraqis, who took part with other Arabs in the 1948 Palestine War.

The Iraqi note to Syria renewed Iraq's offer to extend immediate military aid to any Arab country "exposed to Israeli aggression," the informants said.

In London, Prime Minister Eden's government told the House of Commons it is standing "firm and square" by the Baghdad Pact as the cornerstone of Britain's Middle East policies. British moves were reported under way to bring the United States into that alliance, which links Iraq, Turkey, Iran, Pakistan and Britain.

Tension continued on Israel's borders with the Arab states. An army spokesman in Jerusalem said an Egyptian position in the Gaza strip opened fire on an Israeli outpost near Beerli village Wednesday. The Israelis returned the fire, he said, but suffered no casualties. Exchanges of gunfire have been almost daily occurrences in this area for weeks.

Israel's Premier David Ben-Gurion declared Tuesday the danger of a second Arab-Israeli war had increased. At the same time Israeli advocates of a preventive war were rebuffed.

### Sutherlin High School To Present Four Plays

The speech department of the Sutherlin High School, under the direction of H. Troy Thompson, will present to the public, four one-act plays Thursday evening. Curtain time is 8 p.m.

The plays are: "Submerged," a drama with a setting in a sunken submarine; "Butch" and "Greener Grass," two comedies and "The Lost Kiss," a fantasy.

The staging of one-act plays by the speech department has become an annual event in the Sutherlin High School. The plays are produced as a part of class work, with all members of the class participating. One of the above plays will be used in contest work at the Pacific University meeting in April.

### Two Burglaries Being Probed By Sheriff's Office

Two more burglaries are being probed by sheriff's deputies, Sheriff Ira C. Byrd said Tuesday.

In one, at a warehouse building for the Bargain House near Garden Valley Road and Highway 99 Business Route, a stock of clothing was taken.

Entry was gained by jimmying a window. Proprietor J. E. Sifers of Oakland listed the following loss: 12 shirts at \$12.95 each, 20 boxes of ladies hose at 98 cents a pair, 6 boxes of men's sweat-shirts at \$1.98 per garment, 4 boxes of ladies slugs at \$2.98 each item and 6 boxes of ladies anklets at 49 cents a pair. Sifers said the burglary could have occurred anytime in the past week.

In another case, \$184 in currency was taken from the Nyal H. Boyd residence at Dillard, probably the latter part of February.

The Boyds told officers the money was taken from a china pitcher after someone unlocked the back door with a key which had been left hanging in the garage. Also taken was an ignition key to a Jeep.

### Weekend Wages May Be Biggest Issue Of Labor

CHICAGO — Premium pay for weekends, it appeared today, may be at least as big an issue as lay-off pay in upcoming negotiations in the basic steel industry.

That was the tenor of discussion yesterday during the first session of a two-day "Operation Sound Off" meeting of the 170-man Policy Committee of the United Steelworkers of America.

The meeting was called by Union President David J. McDonald so the committee could, as he put it, "express your opinions, ideas and ideals, and to guide us in our work, during the coming negotiations."

McDonald expressed confidence the steel negotiations would go smoothly and that there probably would be no strike.

"We're out to negotiate a contract," he said. "We're not strike-happy."

He indicated the negotiations, which probably will begin in May, will list the most expensive package of steelworkers ever have presented, one that will include a layoff pay plan, premium pay for weekends, demands for a pay raise and fringe benefits. The present contract expires at midnight June 30.

### Four On Trial For Secrets Leak

PARIS — Four men went on trial before a Paris military tribunal Wednesday on charges of leaking defense secrets while French troops were being battered by Communist forces in Indochina.

Five former French premiers are expected to be called to testify in the present written evidence during the trial, which may run for several weeks. They include Rene Pleven, Jules Moch, Paul Ramadier, Georges Bidault and Pierre Mendes-France.

Marshal Alphonse Juin, France's No. 1 soldier, is also on the list of witnesses.

Defendants—three former high civil servants and a newspaperman—are accused of slipping military secrets to unidentified "non-qualified persons."

The four defendants are Jean Mons, 50, former secretary general of the top National Defense Committee; chief aide, Rene Turpin, 44; Roger Labrousse, 42, a longtime friend of Turpin who also worked in the Defense Committee secretariat, and Andre Baranes, 40, who worked for the Communist newspaper Liberation.

### Slide Closes Highway At Wolf Creek Summit

GRANTS PASS — Smith Hill collapsed across highway 99 Tuesday afternoon, closing that main north-south highway at Wolf Creek Summit for the fourth time since Jan. 7.

Highway crews, working through the night, got the slide cleared off and traffic started at 8 a. m. Wednesday.

J. G. Bromley, state highway maintenance engineer, said that previous slides at the same spot at the top of Wolf Creek summit some 20 miles north of here, had occurred Jan. 7, Jan. 15 and March 5.

### BIRTHS

Forest Glen Hospital  
RUCKEL — To Mr. and Mrs. Francis Ruckel, Riddle, Feb. 28, a girl, Karen Elaine; weight 7 pounds 6 ounces.  
BROWN — To Mr. and Mrs. William Brown, Myrtle Creek, Feb. 28, a girl, Patricia Lynn; weight 8 pounds 2 ounces.  
SINCOMB — To Mr. and Mrs. Russell Sincomb, Day, Feb. 28, March 2, a boy; Mark Russell; weight 5 pounds 2 ounces.  
STANDFORD — To Mr. and Mrs. Robert Standford, Myrtle Creek, March 4, a girl, Cheryl Diane; weight 7 pounds 6 ounces.

### School Dist. 4 Budget Vote Scheduled Friday

(Continued on Page 2 Col. 4)

inside the 6 per cent limitation. Likewise, school officials must allow for taxes that will not be collected. They estimate roughly 10 per cent. That stacks another \$145,000 onto the sum. When the figures are completed, the sum voters consider is \$1,069,631.35.

This estimated budget, which totals \$2,137,103.34 will reach voters earlier than usual. It was believed necessary to place it before them at this time by budget and school board members in order to notify instructors in the district of contract renewal by the March 15 deadline. That date was set up last year by the board.

The assessed valuation of the district is not yet definite. Present millage rate is 58.1 mills. On the basis of the present valuation Clerk V. Micelli estimates that close to 54 mills will cover the budget. The bond issue would increase it slightly, depending on the interest rate on the bond which is an unknown factor. Micelli explained Tuesday that if it were under \$23,000 it would be less than a mill, and he thinks it might run around one half mill.

Voting on the two matters will take place between the hours of 2 and 8 p.m. in the regular school polling spots (see other story). The remaining and renumbering of streets in the district will not affect the polling places, Micelli said.

What makes up the total budget and accounts for the expenditures? As outlined by the budget and school boards, the amount is subdivided as follows:

General costs: Placed at \$51,126, it is up \$1,156 over the 1955-56 figure of \$49,970. The increase will pay for a part time secretary in the accounting department. Other items covered include salaries for superintendent, clerk, clerical assistants and half of the assistant superintendent's salary. Also in the category is cost of supplies, elections, legal service and other expenses.

Instruction: The district will need 14 additional teachers, it is estimated. The sum cares, too, for natural teacher salary increment and a revision of the salary schedule on the lower level of \$10,105. Budget figure is \$1,318,420.19. Last year's was \$1,221,536.80. The increase is \$96,883.39.

Operation of plant: This covers heat, light, water and custodial service. Included in the budget are those services for the new Hucres School and the Joseph Lane addition. Budget figure is \$215,325. The item for 1955-56 was \$207,380. The increase is \$7,945.

Maintenance and repairs: The item includes personal services, repair, maintenance and replacement of furniture, equipment and buildings and upkeep of grounds. Budgeted at \$96,628.79 it is increased by \$10,729.03 over this year's figure of \$85,899.76. As explained, it covers such major matters as desk replacement (\$5,415), painting in school buildings and equipment repair.

Auxiliary agencies: These are health services, transportation and school lunches. This year's figure is \$205,046.50 and the budgeted amount is \$208,762.30 for an increase of \$3,716. Increased cost of transportation for the added pupil load in the district accounts for the slight boost, according to Supt. M. C. Deller.

Fixed charges: An increase in the base and rate of retirement as changed by law, an insurance hike of \$3,000 and a reappraisal of the school property requested by the board (\$4,000) is included in the budget figure of \$123,572.08. This year's total was \$95,215.17. The boost is \$28,356.91.

Capital outlays: Includes sites, new buildings, additions and alterations, library books, furniture, fixtures and equipment and assessment for betterments. The budget figure is \$38,268.88. This year it was \$38,476.44. Part of the \$39,792.44 increase came when school and budget board members felt that equipment to facilitate care of the pupil increase should go into the current budget rather than be charged to the bond issue. Also in the sum is the start of a long-term instrumental music program in the district. \$10,000 has been allotted for the purchase of instruments in the schools.

Emergency fund: Remains at \$25,000.

Debt service: Principal and interest on outstanding bonds for building construction. This budget figure is \$270,660.73. This year's was \$283,422.50.

### Possible Revocation Of Probate Order Seen; Hearing Set

Circuit Judge Carl E. Wimberly has issued an order to show cause why a probate order of Feb. 24 should not be revoked. The Feb. 24 order appointed C. L. Spaulding and Gus L. Peret administrators of the estate of Bertram G. Cutlack of Yoncalla.

Cutlack died Feb. 23 at Cottage Grove leaving personal property with a probable value of \$25,000. He was 81 years old and had no close relatives. No will has been found.

However, a second cousin, Alfred Lester Cane of Central Point, has now petitioned the court for appointment as administrator of the estate. He lists three other heirs, all second cousins of the deceased: Percy Cane of Yamhill, John Henry Cane of Pullman, Wash., and Florence Noble of Newberg.

The original probate order appointing Spaulding and Peret, friends of the deceased, came on petition of Robert G. Mills of Mills Funeral Home in Drain. It provided appointment of Leo P. Regan, Avery Lasswell and Ed Kelso as appraisers. Cane wants James L. Cellars, Ernest A. Seaton and Regan appointed appraisers.

A hearing on the matter will be held Friday at 10 a.m.

### March Tornadoes Skip Across East, Midwest Sections

By THE ASSOCIATED PRESS  
March tornadoes skipped across the Midwest and East Tuesday night and early Wednesday, and floods plagued parts of New York State.

Violent storms swept across three Midwest states Tuesday night, killing one person, injuring 20 others and causing property damage estimated between one and two million dollars.

Three homes were reported destroyed by a "small tornado" Wednesday at the village of Camden in central West Virginia but there were no reports of injuries. Telephone lines were blown down.

A three minute "pocket tornado" swept through LaSalle, a community near Windsor, Ont., Tuesday night, smashing barns, sheds and some homes.

The New York floods were caused by heavy rains and melting snow. Roads and schools were closed and some families were marooned.

Lightning accompanying the storms caused several fires.

The flooding was caused principally by swollen creeks. The areas affected extended from the lowlands in southeastern New York north through the Albany area and west to Buffalo.

The storm that swept across the Midwest moved into the Ohio Valley Wednesday.

### Welcome Sunshine Melts Off Snows

Douglas County's snow, except for that on the higher elevations around the Umpqua valley, melted off in welcome sunshine Tuesday afternoon.

All but one school district in the county re-opened their doors today after most had taken the day off Tuesday because of icy road conditions. Glendale, which still has a considerable amount of snow on the ground, kept schools closed today. But they will be open Thursday.

The U. S. Weather Bureau at the Roseburg airport is holding out hope for scattered sunshine among the scattered rain. A storm moving in from the ocean will bring occasional rain tonight and showers Thursday. But there will be clearing periods on Thursday in which the sun will shine.

The cold snap was broken by a cloud cover over the valley last night. The temperature at Roseburg was 31 degrees early this morning, compared to 19 degrees Tuesday morning, a record for March 5.

### Southern Pacific Lines Reopened After Derailment

Repair crews from Ashland and Eugene spent 12 hours Tuesday afternoon and last night clearing the Southern Pacific tracks at a tunnel at Peck, east of Glendale.

The tracks were blocked Tuesday morning when three diesel locomotive units and four cars of a 43-car northbound train left the tracks at the tunnel.

William Peebles, assistant district freight and passenger agent at Roseburg, said this morning the diesel units and cars finally were re-railed about 3:30 a.m. today. The line was cleared at 7 a.m.

First train over the tracks was a freight southbound from Roseburg. It left at 7:45 a.m., nearly four hours after its normal schedule.

Peebles said cause of the derailment isn't known. Two of the diesel units went off the rails inside the tunnel. The other unit and the cars left just outside the tunnel. All units remained upright.

There were no injuries in the accident.

### Student Demands Housecleaning At Alabama U.

BIRMINGHAM, Ala. — A 20-year-old sophomore at the University of Alabama last night called the school an administrator of "Negro coed Autherine Lucy from the campus was a "witch hunt" and an "inquisition."

The tall, slender student quoted an Associated Press dispatch saying that Dr. Oliver C. Carmichael, president of the university, had said qualified Negro students might be admitted to the university if the Board of Trustees approved.

"He didn't have the courage to tell that to Alabama newspapers," Wilson declared.

### Crashed Fliers, Paratroopers Come Out Safely

MT. FUJI, Japan — Two U.S. pilots who crashed high on Mt. Fuji two days ago finally got down safely late Wednesday with the U.S. medical paratrooper and two Japanese climbers who went to their rescue.

An Air Force spokesman said five reached the base of the 12,397-foot mountain after an all-day descent made hazardous by huge drifts, windswept icy ledges and foul weather.

Both pilots—Maj. John Allen Fowler of Lake Wales, Fla., and Capt. Earl Preston Kelley of Clear Spring, Md.—walked away virtually unhurt when their C47 cargo plane crashed Monday into 20-foot-deep snow at the 11,000 foot level. One lost a tooth and the other cut his leg. Both men made their way to a nearby Japanese weather observatory.

### Defense Sec. Wilson Says He Wants More B52s

WASHINGTON — Secretary of Defense Wilson, says he is thinking of ordering a stepup in the production rate of the B52, an all jet bomber with a continent-to-continent striking range.

But, he told his news conference yesterday, any such move would not involve an increase in planned defense spending. The rates of military plane production are secret.

Several Democratic senators have kept up running criticism of administration defense policies, contending the Pentagon is allowing this country to lag behind Russia in development of modern weapons such as long-range missiles.

### Voting Precincts Listed For School Election On Friday

The location of the election precincts in the Friday budget and bond issue elections in Roseburg's School District 4, have been announced by district Clerk V. J. Micelli.

Micelli noted that street name changes and house renumbering will have no effect on where voters ballot according to the precincts as they are now set up. Voting on the \$1,069,631.35 sum outside the 6 per cent limitation for the budget and the \$345,000 bond issue will take place between the hours of 2 and 8 p.m.

Votes will be canvassed by district school board members Friday at 8:30 p.m.

Precinct and the polling place in each are as follows:

Precinct 1 — Central Junior High School. For all legal voters from Umpqua, Benson, Lane, Deer Creek, East Mill and West Mill election precincts.

Precinct 2 — Roseburg High School. Voters from Brown, North Brown, Fairhaven, Laurelwood, West Roseburg, Wharton, Park and Orchard election precincts.

Precinct 3 — Riverside School. Voters from Edgewater East No. 1, Edgewater East No. 2, Edgewater East No. 3, Edgewater West No. 1, Edgewater West No. 2, Hucres and Newton Creek election precincts.

Precinct 4 — Rose School. Voters from Hamilton, Woodward, Caro, Herman, Roseburg, Miller and that part of Parrott lying north of the junction of old Highway 99 and the present Highway 99 election precincts.

Precinct 5 — Melrose School. For voters from the Melrose election precinct.

Precinct 6 — Green School. For voters from Green, West Green and that part of Parrott lying south of the junction of old Highway 99 and the present Highway 99 election precincts.

Precinct 7 — Winchester School. For all voters from Wilbur and Winchester election precincts.

Precinct 8 — Riversdale School. Voters from Gardner Valley and Edgewater West No. 3 election precincts.

### KRXL Broadcasts Slated On Controversial Topics

A 45-minute airing of Monday night's Roseburg City Council hearing on the airport flying service controversy will be made Tuesday night starting at 9:15 on radio station KRXL.

News Director Robert Grant said the controversy was taped Monday night and edited for tonight's program.

Grant also said the word exchange in circuit court last week between Judge Carl E. Wimberly and attorney Spencer W. Yates also has been taped and will be broadcast during Grant's regular 6:30 news show tonight. The exchange resulted in the judge citing Yates for contempt of court and jailing the attorney Monday.

TO MEET WEDNESDAY  
Xi Omicron Chapter, Beta Sigma Phi, will meet Wednesday at 8 p.m. at the home of Mrs. Frank Wickham, 127 W. Killedeer St. Mrs. Don O'Neill will be co-hostess.
