## Why your family will love Plymouth... the only really new low-price car

You get the newest driving ease: Only Plymouth offers you magic Push-Button Driving. It's the safest (children can't reach it), easiest (like ringing a doorbell), surest (works through a positive mechanical connection) driving control ever.

You get the newest styling: Just compare Plymouth's bold jet-age lines with the same-as-last-year appearance of the other two low-price cars. Plymouth is really new—and Plymouth is biggest of the low-price 3, inside and outside.

You get the newest safety features: No other low-price car gives you so many safety features as standard equipment—like 2-cylinder front brakes, SafeGuard door latches, electric windshield wipers, Safety-Rim wheels, independent parking brakes. So much more for your money!

And you get the biggest deal: Record sales enable Plymouth dealers to give you a bigger, better, money-saving deal. See your Plymouth dealer now and learn how easily your family can own the one really new car of the low-price 3.

**PLYMOUTH costs less**  
From the day you buy it... through all the years you own it... you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.
