Both Steelhead, Chinook Salmon Making Early Showings In River

The period of March 16 to 31 at the Winchester Dam counting station on the North Umpqua River showed the biggest migration of winter steelhead than in any year during the period since 1948. The count shows 1,675 fish came through the counting device. This raised the year's total through March 31 to 7,641. This was the greatest number which has come through by this date since 1949. Adult spring chinook began coming through in noticeable numbers in that same period, also. Forty-four of the year's count of 49 had passed the counter. Both figures were bigger than in any previous year.

Following are the counts by year since 1946 and the percentages which have come through the counting device by March 31 through these years. The report was given by the Southwest Regional Office of the Oregon State Game Commission in Roseburg.

Herb Score Wins Second Shutout For Tribe

By THE ASSOCIATED PRESS

Young Herb Score apparently has put blinkers on his fast ball, and this could provide just the impetus needed to carry Cleveland to the American League pennant.

If the rival New York Yankees, Chicago White Sox and Boston Red Sox have been looking hopefully for signs that the 22-year-old southpaw fireballer may be stricken by the "sophomore jinx," they can find no comfort in spring developments to date.

Score, the American League's "rookie of the year" and leading strikeout specialist in 1955, continues to live up to his appellation as the "new Lefty Grove."

The towering young left-hander from Lake Worth, Fla., pitched five scoreless innings against the New York Giants yesterday at Corpus Christi, Tex., in helping the Indians to their second straight 2-0 shutout. His steaming fast ball under full control, he gave up only two hits and fanned seven.

Two Shutouts Thrown
This marked the second shutout of the spring season for the Cleveland sophomore, who was credited with a 10-0 decision over the Giants March 17, and his fourth victory against no defeats.

But Score's value to the Indians goes deeper than his scoreboard victories.

His sparkling work apparently has built a fire under Cleveland's veterans, Mike Garcia, Early Wynn, Bob Lemon and Bob Feller, and the "Old Barber" from the Giants, Sal Maglie.

They have shown a lot of zip in the Indians' 16 spring victories against 10 defeats.

Cleveland's pitching staff, the key to the team's pennant hopes, seems to be reaching peak form more quickly than most of the Hitters Ahead Of Pitchers.

Except in this game and the night contest at Houston in which the Pittsburgh Pirates whipped the Kansas City Athletics 6-1, the exhibitions yesterday showed the hitters — as is quite normal at this stage — well ahead of the pitchers.

A total of 21 home runs were hit in the six games, with the biggest explosion at Albany, Ga., where the Chicago White Sox beat St. Louis 10-7, with each team getting four homers. The White Sox home runs were by George Kell, Luis Aparicio, Schemm Lollar and Minnie Minoso, snapping a four-game losing streak. Joe Frazier, Solly Hemus, Bill Sarni and Red Schoendienst homered for St. Louis.

The Chicago Cubs collected five home runs two each by Ernie Banks and Clyde McCullough and another by Don Hoak — in blasting Baltimore 16-4, at Alpine, Tex. Milwaukee socked Brooklyn's world champions 8-6 at New Orleans. Hank Aaron and Bobby Thomson homered for the Braves. Charlie Neal and Roy Campanella did it for the Dodgers.

Redlegs Down Washington

EARL AVERILL may be a battery mate to Cleveland's Herb Score this year. The former University of Oregon star hit .298 in 62 games for Nashville in 1955. He's the son of Earl Averill, slugging star for Cleveland 15 years ago.

back victory over the Senators at Camp Gordon, Ga. Harry Simpson hit a fifth inning home run for Kansas City's lone run and one of the team's two hits at Houston. Pittsburgh won on the sharp pitching of Dick Littlefield, who was relieved by Nelson King in the ninth.
