Glendale Residents Don't Need Budget Vote

Residents of Glendale will not find it necessary to vote on a special levy to balance their 1956-57 city budget.

Council and budget committee members have shaved the proposal closely, reports Correspondent Mrs. G. B. Fox and the final figure, \$42,125, is within the 6 per cent limitation.

By cutting costs, the budget planners have been able to find money to pay the salary of an extra patrolman, Mrs. Fox said.

The sum was approved last week, before the final session to see if the patrolman's salary could be paid.
