

**INSTALLATION** of modern heating units can be effected in out-of-the-way places in the home. They are as clean to operate as the home clothes dryer. All sections are completely sealed and factory assembled to assure no leakage of gas at anytime. Modern boiler units are "Pint-sized" compared to the old furnaces of days not too far gone by.

**COFFEE TABLE**—A versatile and functional accessory to any home is this easy-to-build table constructed of fir plywood.
