Fair Oaks Grangers See News-Review Story

At a recent Fair Oaks Grange meeting Fuller Johnson, circulation manager for the News-Review, showed pictures on the progress of the news paper from the news gathering to the finished article. The business meeting was then called to order by Master Fred Brauning and it was decided to have two regular meetings per month, the first meeting a business meeting and the second a potluck supper followed by a meeting.

The home economic chairman announced that the next meeting would be Tuesday, starting at 10:30 a.m. with Mary Whitney as hostess. A communication was read from the Sutherlin Grange

thanking the Fair Oaks Grange for the use of their chairs during the Pomona Grange meeting.

Fred Brauning reported on Timber Days and the progress that they were making towards more convenience at the grounds. It was announced that the Fair Oaks Grange has the most sewing entries in the Pomona Grange and that they placed fifth in the county.

At the close of the evening Mrs. Harold Austin and Mrs. Max Comstock served refreshments. The next meeting will be at 7 p.m. Tuesday, June 26 and will be a potluck supper.

FUNNY BUSINESS

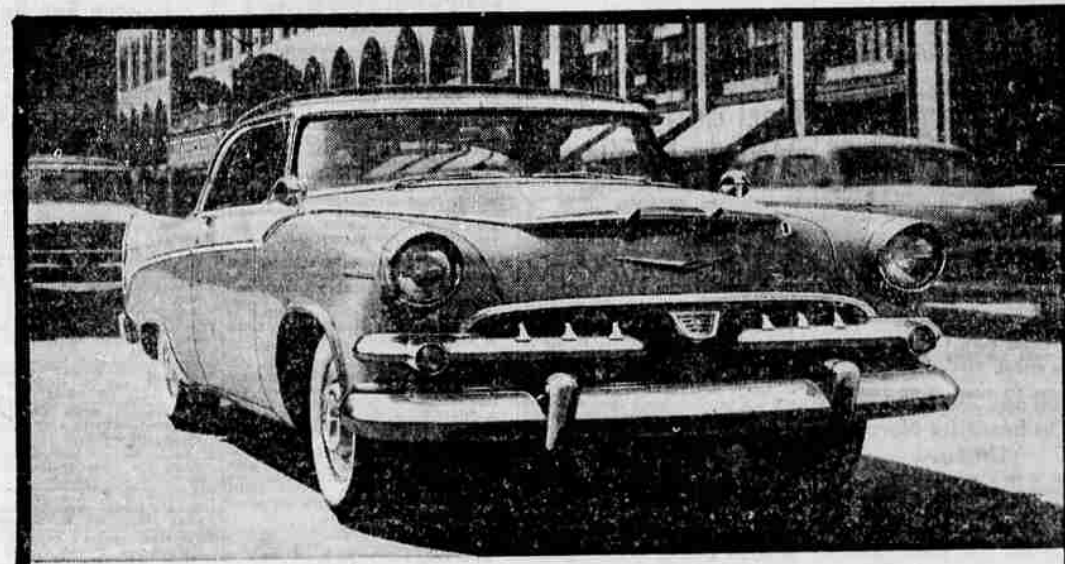

"With 20 years at stake, he insists on answering the prosecutor's questions in a booth!"

FROM NINE TO FIVE

I've had to retype this three times to correct the spelling. The incompetent bosses a girl has to put up with these days!

HANDLING EASE? You don't know what it really means until you...

DISCOVER THE DIFFERENCE IN DODGE!

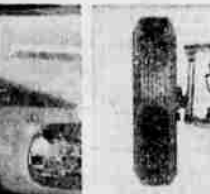

Think all power steering is the same? It's not. There's far less effort with Dodge Power Steering because it works full time—not just part time.

Dodge Power Brakes are different. Fool Dodge engineering provides two control cylinders in each front wheel for positive, predictable stops.

Push-button driving makes all others old fashioned! It's that easy, that safe! A mere touch of your finger selects the driving range you want. And it's mechanically perfect, too! Women will love its ease and simplicity.

Even the shock absorbers are different in design! Only Old-Dodge shock absorbers adjust to completely to all types of roads. They're activated by a flow of fluid—give a smoother ride.
