

MINIATURE—Three-week-old Dexter calf, left, and a five-week-old Guernsey calf, right, bracket a 1½-year-old horse, "Maggie," on the N. Clarkson Earl farm near Ridgefield, Conn. Ike's Reported Peeve At Wilson Refuted

WASHINGTON (AP)—White House Hagerty dismissed as "a lot of nonsense" Tuesday a report that President Eisenhower is displeased with Secretary of Defense Wilson and plans to ask for his resignation.

Hagerty made the statement when asked for comment on a published story to the effect that Eisenhower has definitely decided to run for a second term and will ask Wilson's resignation after the election.

The story quoted a "high administration source."
