Civil Defense Service May Go To Referendum
WASHINGTON (AP) — The Federal Civil Defense Administration is thinking about a referendum to decide whether Americans should devote 40 to 60 hours a year to civil defense training.
Mrs. Katherine Howard, a special advisor to the administrator, said this week that the next public opinion poll conducted for the agency by the University of Michigan will include a question to sound out the views of both men and women on the subject.

One Oregon Delegate To Demo Meet Changed
WASHINGTON (AP) — Walter H. Dodd, a delegate to the Democratic National Convention and an aide to Sen. Neuberger (D-Ore), this week appointed a former mayor of Cottage Grove, Ore., as his alternate delegate.
Joe S. Crapan, the former mayor, headed Sen. Neuberger's campaign in southern Lane County two years ago. Dodd, a resident of Cottage Grove, announced the appointment here.

Yellow Stripe Going Back On Highways
SALEM (AP) — Oregon is going back to the yellow center stripe on its highways. State Highway Engineer R. H. Baldoock announced Friday.
He explained that the white lines fade more rapidly and that apparently, Oregon residents like the yellow lines better.
Oregon changed from yellow to white in October, 1954, in order to conform with most other states. Fresh white lines are slightly more visible, Baldoock said.
The highway department feels, he said, that the yellow line should be used in the interest of safety and economy, particularly because of the winter conditions in Oregon.

Egypt's Ability To Share In Dam Expense Doubt
LONDON (AP) — The Foreign Office said this week Britain now has some doubts about Egypt's ability to pay for its share of the \$1,200,000,000 dam project to harness the Nile River.
A spokesman told a reporter the United States, Britain and the World Bank have to review with Egypt the financing of the giant undertaking.
The dam is a pet project of President Gamal Abdel Nasser of Egypt and symbolizes Egyptian hopes to bring light and power to that underdeveloped country. For that purpose the Cairo government has sought the help of the West and has received offers of aid from the Soviet Union.
The Foreign Office spokesman stressed that Britain's offer to help finance the dam's construction "still stands."
He was then asked if it was true the British government wants to discuss further the financing arrangements with the Egyptians because "doubts have developed" about the Cairo government's capacity to pay its share.
He replied:
The tribute, accompanied by a large picture of Miss Monroe, was unusual for the Communist press, which normally ignores American movie stars.

Red Newspaper Praises Marilyn's Wedding
BERLIN (AP) — West Germany's Communist youth newspaper praised Movie Actress Marilyn Monroe this week for marrying playwright Arthur Miller.
The paper, Junge Welt, said she deserved a tribute because she "risked" marrying him shortly after the House Un-American Activities Committee questioned him about alleged past Communist associations.
The paper also praised Miss Monroe for her interest in "classical Russian literature," which it called her favorite hobby.
